flatexDEGIRO SE – Europe's leading platform for securities trading and wealth building

(www.flatexdegiro.com, ISIN: DE000FTG1111, Ticker: FTK.GR)

With the ambition of being Europe's leading platform for securities trading and wealth building, flatexDEGIRO currently supports more than 3.5 million customers in 16 countries. The company holds assets of over EUR 100 billion in custody and processed more than 75 million securities transactions for its customers in 2025.

Through three brokerage platforms – DEGIRO, flatex and ViTrade – flatexDEGIRO provides access to trading on around 50 exchanges in Europe, North America and Asia-Pacific, as well as to off-exchange direct trading.
Its customers are active, well-informed traders who trade without investment advice. With ViTrade, flatexDEGIRO also serves particularly active traders.

Brokerage and the banking business associated with securities trading are conducted through flatexDEGIRO Bank SE, a subsidiary with a full banking licence. flatexDEGIRO relies on proprietary technology with very high availability along the entire value chain, setting standards in platform and service quality.
