flatexDEGIRO extends CEO Oliver Behrens' board mandate early

- The term of office of Oliver Behrens as CEO of flatexDEGIRO has been extended early until 31 March 2029
- Focus on continuity and stability in the Company's leadership

Frankfurt am Main, April 2, 2026 – The Supervisory Board of flatexDEGIRO SE today resolved to reappoint Oliver Behrens as Chief Executive Officer (CEO) of the Company. His original term of office, which was due to expire on 30 September 2027, has been extended early until 31 March 2029 by way of reappointment. Oliver Behrens has served as CEO of flatexDEGIRO SE since October 2024. At the same time, Oliver Behrens was also reappointed as CEO of flatexDEGIRO Bank SE until 31 March 2029.

With this early contract extension, the Supervisory Board ensures continuity in the Company's leadership and underscores its confidence in the Company's performance to date as well as in the online broker's long-term growth strategy.

Hans-Hermann Lotter, Chairman of the Supervisory Board of flatexDEGIRO SE, commented: "Under the leadership of Oliver Behrens, flatexDEGIRO has seen strong momentum over the past eighteen months and has significantly strengthened its position as the leading platform for building wealth in Europe. In particular, the continuous launch of new products and services, the strong development of operational and financial metrics, and the clear focus on customer value have sustainably driven the Company's growth. The Supervisory Board is convinced that Oliver Behrens will further build on this successful trajectory in the years ahead and looks forward to continuing the close and constructive collaboration."

Since taking office in October 2024, Oliver Behrens has played a key role in further advancing flatexDEGIRO and consistently executing the strategic priorities presented in February 2025. Key areas of focus include improving operational efficiency, expanding the product offering, and driving the Company's strategic growth initiatives.

Oliver Behrens, Chief Executive Officer of flatexDEGIRO SE, said: "I would like to thank the Supervisory Board for the trust it has placed in me. The extension of my contract reflects our shared understanding that growth is primarily driven by innovation and the consistent rollout of new products. Together with the entire team, we will continue to pursue our growth strategy and further enhance efficiency in order to scale our European platform and create sustainable long-term value."

flatexDEGIRO SE – leading platform for building wealth in Europe

(www.flatexdegiro.com, ISIN: DE000FTG1111, Ticker: FTK.GR)

Serving more than 3.5 million customers in 16 countries, flatexDEGIRO's aspiration is to be the leading European platform for building wealth. The company holds Assets under Custody of close to EUR 100 billion and processed more than 75 million securities transactions for its customers in 2025.

Through three brokerage platforms – DEGIRO, flatex and ViTrade, flatexDEGIRO provides trading access to around 50 stock exchanges in Europe, North America and the Asia-Pacific region as well as to over-the-counter direct trading. Its customers are active and well-informed traders who trade without investment advice. With ViTrade, flatexDEGIRO also serves highly active traders.

Brokerage and banking business related to securities trading are handled by flatexDEGIRO Bank SE, a subsidiary with a full banking license. flatexDEGIRO uses proprietary technology with very high availability along the entire value chain and thus sets standards in platform and service quality.
