NEWS RELEASE

Chartwell Completes Acquisition of Remaining Joint Venture Interests in Its Quebec Property Manager and Properties

2008-10-29

MISSISSAUGA, ONTARIO -- (MARKET WIRE) -- 10/29/08 -- Chartwell Seniors Housing Real Estate Investment Trust (TSX: CSH.UN) and Groupe Melior announced today that Chartwell has completed the acquisition of the remaining 50% interest owned by Residences Melior (an affiliate of Groupe Melior) in seven retirement properties in the Province of Quebec, as well as Melior's 50% interest in the joint venture property management company managing all of Chartwell's senior housing communities in Quebec.

Under the terms of an agreement with Melior, Chartwell paid approximately $63.3 million for the 50% interest in the seven properties and the management company. The price was determined by independent appraisers. The closing was funded with cash on hand of approximately $14 million, with the remainder of the purchase price being satisfied by the assumption of mortgages of approximately $46.1 million, bearing a weighted average interest rate of 4.8% and having a remaining term of 2.75 years, the assumption of other liabilities of approximately $0.5 million, and the discharge of approximately $2.7 million of mezzanine loans issued by Chartwell.

The seven communities in which Chartwell purchased the 50% interest that it did not already own are as follows:

- Monastere d'Aylmer in Aylmer containing 272 suites

- Notre Dame de Hull in Hull containing 225 suites

- Marquis de Tracy I in Sorel containing 123 suites

- Marquis de Tracy II in Sorel containing 138 suites

- Domaine du Chateau de Bordeaux in Quebec City containing 150 suites

- Residence Principale in Cowansville containing 197 suites

- Residence St-Pierre in Rouyn-Noranda containing 121 suites

"We are very pleased to be bringing all of our Quebec properties and management functions under one platform. By owning and managing our Quebec seniors housing portfolio, we expect solid performance improvements in the Quebec portfolio going forward. We believe this transaction will allow Chartwell and our Quebec team to improve occupancies, increase operating margins and take advantage of significant synergies. All in all, we are confident our operating performance will improve dramatically in that province," commented Stephen Suske, Chief Executive Officer and Vice Chair. "Groupe Melior has been a terrific partner as we established our presence in the Province, and we wish them well in their future endeavors."

"This transaction constitutes a turning point for Melior to pursue new development projects, improve and invest in properties currently owned by Melior, and create new housing products for the seniors of today and tomorrow, " commented Jean Maynard, President and CEO of Groupe Melior. "Over the years, Melior has become a leading name in Quebec and we will continue to build on that reputation."

In addition, Chartwell announced today that internal growth projects on three of Chartwell's properties in Quebec are completed with the new space now in lease-up. Residence Ste-Marthe in St. Hyacinthe, Manoir Pierrefonds in Montreal, and Maison Herron in Dorval have added an aggregate of 278 suites to the portfolio, and Chartwell is in the process of marketing these new suites in each of their strong markets.

Chartwell is an investment trust focused on generating sustainable, stable and growing cash distributions from owning and managing a complete spectrum of seniors housing communities. It is the largest participant in the Canadian seniors housing business and the third largest in North America. Chartwell will capitalize on the strong demographic trends present in its markets to maximize the value of its existing portfolio of seniors housing facilities, and prudently avail itself of opportunities to grow internally and through accretive acquisitions. Chartwell also has an exclusive option to purchase stabilized communities from Spectrum, Canada's largest and fastest growing seniors housing development company.

Chartwell's Distribution Reinvestment Plan (DRIP) allows Unitholders to have their monthly cash distributions used to purchase units without incurring commission or brokerage fees, and receive bonus units equal to 3% of their monthly cash distributions. This press release contains forward-looking information that reflect the current expectations of management about the future results, performance, achievements, prospects or opportunities for Chartwell and the seniors housing industry. These statements generally can be identified by use of forward looking words such as "may", "will", "expect", "estimate", "anticipate", "believe", "project", "should" or "continue" or the negative thereof or similar variations. Forward-looking statements are based upon a number of assumptions and are subject to a number of known and unknown risks and uncertainties, many of which are beyond Chartwell's control, that could cause actual results to differ materially from those that are disclosed in or implied by such forward-looking statements.

While we anticipate that subsequent events and developments may cause our views to change, we do not have an intention to update this forward looking information, except as required by applicable securities laws. This forward-looking information represents our views as of the date of this press release and such information should not be relied upon as representing our views as of any date subsequent to the date of this document. We have attempted to identify important factors that could cause actual results, performance or achievements to vary from those current expectations or estimated expressed or implied by the forward-looking information. However, there may be other factors that cause results, performance or achievements not to be as expected or estimated and that could cause actual results, performance or achievements to differ materially from current expectations. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those expected or estimated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. These factors are not intended to represent a complete list of the factors that could affect us. See "Risks and Uncertainties" in our MD&A and risk factors highlighted in materials filed with the securities regulatory authorities in Canada from time to time, including but not limited to our most recent annual information form.
