About Medical Properties Trust, Inc.

Medical Properties Trust, Inc. is a self-advised real estate investment trust formed to acquire and develop net-leased hospital facilities. The Company's financing model facilitates acquisitions and recapitalizations and allows operators of hospitals to unlock the value of their real estate assets to fund facility improvements, technology upgrades and other investments in operations.

This press release includes "forward-looking statements" within the meaning of securities laws of applicable jurisdictions. Forward-looking statements can generally be identified by the use of forward-looking words such as "may", "will", "would", "could", "expect", "intend", "plan", "aim", "estimate", "target", "anticipate", "believe", "continue", "objectives", "outlook", "guidance" or other similar words, and include statements regarding the Company's plans, strategies, objectives, targets, future expansion and development activities and expected financial performance. Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the actual results of the Company or future events to differ materially from those expressed in or underlying such forward-looking statements, including without limitation: the satisfaction of all conditions to, and the timely closing (if at all), of the Prospect and Halsen acquisitions and related transactions; the risk that this offering may not be completed on the proposed terms, if at all; the ability of the Company's tenants to meet the terms of their agreements; expected payout ratio; the amount of acquisitions of healthcare real estate, if any; capital markets conditions; the repayment of debt arrangements; statements concerning the additional income to the Company as a result of ownership interests in certain hospital operations and the timing of such income; the payment of future dividends, if any; completion of additional debt or equity arrangements, and additional investments; national and international economic, business, real estate and other market conditions; the competitive environment in which the Company operates; the execution of the Company's business plan; financing risks; the Company's ability to maintain its status as a REIT for federal income tax purposes; acquisition and development risks; potential environmental and other liabilities; and other factors affecting the real estate industry generally or healthcare real estate in particular; and the value of our real estate assets, which may limit our ability to dispose of assets at attractive prices or obtain or maintain equity or debt financing secured by our properties or on an unsecured basis,

and the factors referenced under the section captioned "Item 1.A Risk Factors" in our annual report on Form 10-K for the year ended December 31, 2018. Actual results, performance or achievements may vary materially from any projections and forward looking statements and the assumptions on which those statements are based. Readers are cautioned not to place undue reliance on forward-looking statements and the Company disclaims any responsibility to update such information.
