

NEWS RELEASE

Medical Properties Trust Completes \$350 Million Sale of Facilities to Prime Healthcare

2024-04-09

BIRMINGHAM, Ala.--(BUSINESS WIRE)--Apr. 9, 2024-- Medical Properties Trust, Inc. (the "Company" or "MPT") (NYSE: MPW) today announced that it completed its previously announced sale of five facilities in California and New Jersey to Prime Healthcare ("Prime") for aggregate consideration of \$350 million. The total consideration consists of \$250 million paid in immediate cash and a \$100 million interest-bearing mortgage note due to MPT in nine months.

Also, as previously reported, Prime and MPT agreed to a new 20-year master lease for the remaining four hospitals leased to Prime, including a \$260 million purchase option. To encourage Prime to exercise its purchase option early in the new lease term, the parties have agreed that the properties may be purchased at the \$238 million lease base on or prior to August 26, 2028. After August 26, 2028 the option price reverts to \$260 million (subject to annual escalations).

About Medical Properties Trust, Inc.

Medical Properties Trust, Inc. is a self-advised real estate investment trust formed in 2003 to acquire and develop net-leased hospital facilities. From its inception in Birmingham, Alabama, the Company has grown to become one of the world's largest owners of hospital real estate with 439 facilities and approximately 43,000 licensed beds in nine countries and across three continents as of December 31, 2023. MPT's financing model facilitates acquisitions and recapitalizations and allows operators of hospitals to unlock the value of their real estate assets to fund facility improvements, technology upgrades and other investments in operations. For more information, please visit the Company's website at www.medicalproptiestrust.com.

This press release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Forward-looking

statements can generally be identified by the use of forward-looking words such as “may”, “will”, “would”, “could”, “expect”, “intend”, “plan”, “estimate”, “target”, “anticipate”, “believe”, “objectives”, “outlook”, “guidance” or other similar words, and include statements regarding our strategies, objectives, future expansion and development activities, asset sales and other liquidity transactions, expected returns on investments and expected financial performance. Forward-looking statements involve known and unknown risks and uncertainties that may cause our actual results or future events to differ materially from those expressed in or underlying such forward-looking statements, including, but not limited to: (i) macroeconomic conditions, including due to geopolitical conditions and instability, which may lead to a disruption of or lack of access to the capital markets, disruptions and instability in the banking and financial services industries, rising inflation and movements in currency exchange rates; (ii) the risk that MPT is not able to recover deferred rent or its other investments in Steward at full value, within a reasonable time period or at all; (iii) the risk that previously announced or contemplated property sales, loan repayments, and other capital recycling transactions do not occur as anticipated or at all; (iv) the risk that MPT is not able to attain its leverage, liquidity and cost of capital objectives within a reasonable time period or at all; (v) MPT’s ability to obtain debt financing on attractive terms or at all, as a result of changes in interest rates and other factors, which may adversely impact its ability to pay down, refinance, restructure or extend its indebtedness as it becomes due, or pursue acquisition and development opportunities; (vi) the ability of our tenants, operators and borrowers to satisfy their obligations under their respective contractual arrangements with us; (vii) the economic, political and social impact of, and uncertainty relating to, the potential impact from health crises (like COVID-19), which may adversely affect MPT’s and its tenants’ business, financial condition, results of operations and liquidity; (viii) our success in implementing our business strategy and our ability to identify, underwrite, finance, consummate and integrate acquisitions and investments; (ix) the nature and extent of our current and future competition; (x) international, national and local economic, real estate and other market conditions, which may negatively impact, among other things, the financial condition of our tenants, lenders and institutions that hold our cash balances, and may expose us to increased risks of default by these parties; (xi) factors affecting the real estate industry generally or the healthcare real estate industry in particular; (xii) our ability to maintain our status as a REIT for income tax purposes in the U.S. and U.K.; (xiii) federal and state healthcare and other regulatory requirements, as well as those in the foreign jurisdictions where we own properties; (xiv) the value of our real estate assets, which may limit our ability to dispose of assets at attractive prices or obtain or maintain equity or debt financing secured by our properties or on an unsecured basis; (xv) the ability of our tenants and operators to operate profitably and generate positive cash flow, remain solvent, comply with applicable laws, rules and regulations in the operation of our properties, to deliver high-quality services, to attract and retain qualified personnel and to attract patients; (xvi) potential environmental contingencies and other liabilities; (xvii) the risk that the expected sale of three Connecticut hospitals currently leased to Prospect does not occur; (xviii) the risk that MPT is unable to monetize its investment in PHP at full value within a reasonable time period or at all; and (xix) the risks and uncertainties of litigation or other regulatory proceedings.

The risks described above are not exhaustive and additional factors could adversely affect our business and financial performance, including the risk factors discussed under the section captioned “Risk Factors” in our most recent Annual Report on Form 10-K, as may be updated in our other filings with the SEC. Forward-looking statements are inherently uncertain and actual performance or outcomes may vary materially from any forward-looking statements and the assumptions on which those statements are based. Readers are cautioned to not place undue reliance on forward-looking statements as predictions of future events. We disclaim any responsibility to update such forward-looking statements, which speak only as of the date on which they were made.
