Members of management of Veeva Systems Inc. (“Veeva”) presented the content in these slides at Veeva’s European R&D and Quality Customer Summit on May 20, 2021. These slides contain forward-looking statements, including statements regarding future products. Any forward-looking statements contained in this presentation are based upon Veeva’s current plans and expectations and are not a representation that such plans or expectations will occur. These forward-looking statements represent Veeva’s expectations as of May 20, 2021. Subsequent events may cause these expectations to change, and Veeva disclaims any obligation to update the forward-looking statements in the future. These forward-looking statements are subject to known and unknown risks and uncertainties that may cause actual results to differ materially, including those under the captions, "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations," in Veeva’s filing on Form 10-K for the period ended January 31, 2021. This is available on our website at veeva.com under the Investors section and on the SEC’s website at sec.gov. Further information on potential risks that could affect actual results will be included in other filings Veeva makes with the SEC from time to time.
