I. General Statement of Purpose

The purposes of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Intapp, Inc. (the “Company”) are to:

- oversee the accounting and financial reporting processes of the Company and the audits of the Company’s financial statements;
- take, or recommend that the Board take, appropriate action to oversee (1) the qualifications, independence and performance of the Company’s independent auditors, and (2) the performance of the Company’s internal audit function;
- prepare the report required by the rules of the Securities and Exchange Commission (the “SEC”) to be included in the Company’s annual proxy statement;
- review all related party transactions required to be disclosed pursuant to SEC rules on an ongoing basis and any proposed related party transactions and approve, ratify or disallow each such proposed transaction;
- review any proposed pre-arranged trading plans to be entered into by Covered Persons (as defined in the Insider Trading Policy) pursuant to SEC rule 10b5-1(c), as appropriate; and
- oversee and review the Company’s guidelines and policies that govern the process by which the Company’s exposure to enterprise risk, including cybersecurity risk, is assessed and managed by Company management.

II. Composition

The Committee shall consist of at least three members of the Board, each of whom must (1) be “independent” as defined under the rules of the Nasdaq Global Market (“Nasdaq”), subject to applicable phase-in rules; (2) meet the criteria for independence set forth in Rule 10A-3(b)(1) promulgated under Section 10A(m)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), subject to the exemptions provided in Rule 10A-3(c) under the Exchange Act; and (3) not have participated in the preparation of the financial statements of the Company or a current subsidiary of the Company at any time during the past three years.

Each member of the Committee must be able to read and understand fundamental financial statements, including a balance sheet, income statement and cash flow statement. At least one member of the Committee shall have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight

responsibilities (an “Experienced Director”), and at least one member of the Committee shall qualify as an “audit committee financial expert” under the rules promulgated by the SEC. Such Experienced Director and “audit committee financial expert” may be the same person.

The members of the Committee shall be appointed by the Board and may be replaced or removed by the Board with or without cause. Resignation or removal of a Director from the Board, for whatever reason, shall automatically and without any further action constitute resignation or removal, as applicable, from the Committee. A Committee member may resign from the Committee upon written notice to the Board, and such resignation from the Committee does not automatically resign the member from the Board. Any vacancy on the Committee, occurring for whatever reason, may be filled only by the Board. The Board shall designate one member of the Committee to be the chair of the committee.

III. Compensation

Each Committee member shall receive as compensation from the Company only those forms of compensation that are not prohibited by Section 301 of the Sarbanes-Oxley Act of 2002 and the rules and listing requirements promulgated thereunder by the SEC and Nasdaq. Permitted compensation includes (a) director’s fees (which includes all forms of compensation paid to directors of the Company for service as a director or member of a committee of the Board) and (b) fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the Company provided that such compensation is not contingent in any way on continued service. In addition, the Board, upon recommendation of the Compensation Committee, may pay additional directors’ fees to Committee members to compensate them for the significant time and effort they expend in performing their duties as Committee members.

IV. Meetings

The Committee shall meet as often as it determines is appropriate to carry out its responsibilities under this Charter, but not less frequently than quarterly. The Committee may meet in-person or by teleconference or any other communications equipment by means of which all persons participating in the meeting can hear each other. The Committee chair or a majority of the Committee members may call a meeting of the Committee at any time.

The Committee chair, in consultation with the other members of the Committee and the Board, shall establish the agenda for each Committee meeting. Any Committee member may submit items to be included on the agenda. Committee members may also raise subjects that are not on the agenda at any meeting.

A majority of the members of the Committee shall constitute a quorum for purposes of holding a meeting, and the Committee may act by a vote of a majority of the members present at such meeting, unless a greater number is required by law, the Company’s Certificate of Incorporation or its Bylaws. In lieu of a meeting, the Committee may act by unanimous written consent. The Committee chair shall supervise the conduct of the meetings and shall have other responsibilities as the Committee may specify from time to time.

The Committee shall maintain copies of minutes of each meeting of the Committee and each written consent reflecting the actions so authorized or taken by the Committee without a

meeting. A copy of the minutes of each meeting and all consents shall be placed in the Company's minute book.

The Committee shall meet periodically in executive session without Company management present. The Committee may request any officer or employee of the Company or the Company's outside legal counsel or independent auditors to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Committee shall meet with Company management and the independent auditors periodically in separate private sessions to discuss any matter that the Committee, Company management, the independent auditors or such other persons believe should be discussed privately. Any Committee member may be excused from a meeting to permit the remaining members of the Committee to act on any matter in which such member's participation is not appropriate, and such member's absence shall not destroy the quorum for the meeting.

This authority to pre-approve non-audit services may be delegated to one or more members of the Committee, who shall present all decisions to pre-approve an activity to the full Committee at its first meeting following such decision.
