

DealCloud selected by GlobeSt Real Estate Forum as a top influencer in commercial real estate technology

February 13, 2023

PALO ALTO, Calif., Feb. 13, 2023 (GLOBE NEWSWIRE) -- [Intapp](#) (NASDAQ: INTA), a leading provider of cloud-based software for the global professional and financial services industry, today announced that [GlobeSt Real Estate Forum](#) has named Intapp a top influencer in commercial real estate (CRE) technology for its [DealCloud platform](#).

DealCloud offers a complete deal, relationship, pipeline, and portfolio monitoring solution for real estate investors, developers, and asset managers. Its track record includes redefining CRE professionals' efficiency by enabling the digitization and transformation of traditionally disconnected processes across the investment and asset lifecycle.

"We're honored that GlobeSt recognized our passion, innovation, and accomplishments in leading change for dealmakers," said Frank Spadafora, Real Estate Industry Principal at Intapp. "It is strong validation of DealCloud's vision to build the leading technology platform for private capital and alternative asset investors, with a comprehensive range of capabilities to support the very specific needs of the modern, connected commercial real estate firm."

GlobeSt Real Estate Forum's "Influencers in Commercial Real Estate Technology" series recognizes CRE professionals and companies that use their technological expertise to impact the marketplace. The influencer designation is given to CRE professionals and technology providers utilizing big data, artificial intelligence, and smart mobility to further practices and improve processes, including digital lease transactions, virtual apartment tours, communication applications, flexible payment options, and more.
