Bullish and Far Peak Acquisition Corp. announce extension of outside date for business combination

2022-06-29

CAYMAN ISLANDS, NEW YORK — October 31, 2022 — Bullish, a technology company that operates the regulated cryptocurrency trading platform Bullish exchange, and Far Peak Acquisition Corporation (NYSE: FPAC), a special purpose acquisition company, announced the **filing of an amendment** to Bullish's Registration Statement on Form F-4 with respect to their proposed business combination.

As previously announced on July 8, 2021, Far Peak and Bullish entered into a Business Combination Agreement (the "Agreement") providing for a business combination in which Bullish would become publicly traded on the New York Stock Exchange. Far Peak and Bullish continue to work diligently in order to facilitate the completion of the business combination.

Subject to various approvals and conditions, including the approval by Far Peak's shareholders, the business combination is anticipated to close in mid- to late- December 2022. Under the terms of the Agreement, the Outside Date is December 31, 2022. The Agreement will be terminated on December 31, 2022 if the proposed business combination has not been completed on or before this date.
