## Bullish integrates with the Deltix CryptoCortex trading platform to open a gateway for institutional traders to access deep, reliable liquidity

2023-10-18

CAYMAN ISLANDS – October 19, 2023 - **Bullish**, the leading regulated, institutional digital assets exchange, announced today that it has integrated with the **Deltix CryptoCortex** trading platform to bring Bullish's market-leading order book depth, reliable liquidity, and best execution to more institutional traders.

"Our integration with the Deltix CryptoCortex platform is another step forward in Bullish becoming the exchange of choice for institutions," said Tom Farley, CEO, Bullish. "Our partnership not only provides a gateway for their institutional traders to seamlessly access Bullish's deep liquidity and near-zero spreads but also establishes another venue to showcase Bullish's competitive advantages against other exchanges."

DeltixLab is part of **EPAM Systems, Inc.**, a leading digital transformation services and product engineering company. Its CryptoCortex trading platform is one of the most advanced platforms for primary and secondary markets of digital assets and cryptocurrencies. Designed to support the full life cycle within the trading ecosystem, it covers the needs of both buy-side and sell-side clients including exchanges, brokers, over-the-counter trading desks and market makers.

"With the addition of Bullish to the CryptoCortex platform, we'll increase the number of exchanges that our institutional investors can leverage to trade digital assets with confidence," said Ilya Gorelik, Head of EPAM's RAIL Lab." As a preferred venue for some of the world's most sophisticated quantitative trading firms and market makers, Bullish's unique source of deep, reliable liquidity is a valuable addition to our CryptoCortex product offering."

Since its launch in November 2021, Bullish has quickly earned recognition as a top-tier institutional digital assets exchange known for leveraging its proprietary automated market-making technology to offer deep liquidity and tight spreads in various market conditions. Regulated by the Gibraltar Financial Services Commission (GFSC) and audited by Deloitte, Bullish leverages the best innovations of AMM technology off-chain to present a unique source of reliable liquidity – all within the compliant and regulated framework of a centralized exchange.

The integration is live and available to current Bullish and Deltix clients. To learn more, email [sales@bullish.com](mailto:sales@bullish.com).

#### About Bullish

With a focus on developing products and services for the institutional digital assets sector, Bullish has rewired the traditional exchange to benefit asset holders, enable traders and increase market transparency. Supported by the group's well-capitalized treasury, Bullish's centralized exchange combines a high-performance central limit order book (CLOB) with proprietary automated market making technology to deliver deep liquidity and tight spreads – all within a compliant and regulated framework.

Launched in November 2021, the exchange is available in 45+ select jurisdictions in Asia Pacific, Europe, Africa and Latin America. Bullish exchange is operated by Bullish (GI) Limited and is regulated by the Gibraltar Financial Services Commission (GFSC) (DLT license: FSC1038FSA).
