Bullish on Crypto

2022-08-22

Together with Bloomberg, we've convened a group of leading crypto voices—including Tom Farley, incoming CEO of Bullish, Michael Novogratz, Founder and CEO of Galaxy Digital, Tim Draper, venture capitalist and Founder of Draper Associates, Raoul Pal, Co-Founder and CEO of Real Vision Group, Kristin Smith, Executive Director of the Blockchain Association, and Anthony Pompliano, CEO of Pomp Investments—to predict what's next for digital assets.

From the death of the dollar to the future of DeFi, **watch the conversation** to hear what they had to say.
