

NEWS RELEASE

The Bull Case for AMMs as an Institutional Yield Product

2022-11-15

Bullish's Mark Woods, Head of Product, joined Benoît Bosc, Global Head of Product, GSR, and Douglas Colkitt, Crocodile Labs, in a sponsored webinar discussion moderated by Graham Perry, Blockworks. The session titled, The Bull Case for AMMs as an Institutional Yield Product, explores how innovations in trading platforms are providing opportunities to earn real yields at scale. To listen to the full session, [register](#) for the recording.
