TETRA Technologies, Inc. Announces First Quarter 2017 Earnings Release Conference Call and Webcast

2017-04-26

THE WOODLANDS, Texas, April 26, 2017 /PRNewswire/ -- TETRA Technologies, Inc. ("TETRA" or the "Company") (NYSE:[TTI](#)) today announced that it will release first quarter 2017 results before the opening of the market on Wednesday, May 10, 2017. Following the release, TETRA will host a conference call at 10:30 a.m. ET to discuss the results. Stuart M. Brightman, President and CEO and Elijio V. Serrano, Senior Vice President and CFO, will host the call, and Joseph Elkhoury, TETRA's Senior Vice President and COO, will be participating.

TETRA invites you to listen to the conference call by calling the toll free phone number 1-888-347-5303. The conference call will also be available by live audio webcast and may be accessed through the Company website at www.tetratec.com. The press release will be available on the Company website prior to the conference call. A replay of the conference will be available at 1-877-344-7529 conference number 10101588, for one week following the call, and the archived webcast will be available through the Company website for thirty days following the conference.

Company Overview

TETRA is a geographically diversified oil and gas services company, focused on completion fluids and associated products and services, water management, frac flowback, production well testing, offshore rig cooling, compression services and equipment, and selected offshore services including well plugging and abandonment, decommissioning, and diving. TETRA owns an equity interest, including all of the general partner interest, in CSI Compressco LP (NASDAQ:[CCLP](#)), a master limited partnership.
