# Custom Truck One Source Announces New Location in North Dakota to Accommodate Further Growth

11/1/2023

KANSAS CITY, Mo.--(BUSINESS WIRE)-- Custom Truck One Source, Inc. (NYSE: CTOS) ("Custom Truck One Source," "Custom Truck," or the "Company") today announced the opening of its newest location in Williston, ND, adding capacity to the Company's existing footprint in North America. The two-story Williston facility sits on more than three acres, offering more than 10,000 square feet of state-of-the-art service capacity, designed to support the needs of Custom Truck's rental fleet and equipment clientele across the Upper Midwest.

"We are thrilled to further expand our North American footprint into Williston, ND," said Ryan McMonagle, CEO of Custom Truck. "This location will empower us to better serve our customers across the Upper Midwest and ensure their fleets remain equipped with well-maintained, mission-critical machinery when they need it the most."

## ABOUT CUSTOM TRUCK ONE SOURCE

Custom Truck One Source is one of the largest providers of specialty equipment, parts, tools, accessories and services to the electric utility transmission and distribution, telecommunications and rail markets in North America, with a differentiated "one-stop-shop" business model. CTOS offers its specialized equipment to a diverse customer base for the maintenance, repair, upgrade and installation of critical infrastructure assets, including electric lines, telecommunications networks and rail systems. The Company's coast-to-coast rental fleet of more than 10,200 units includes aerial devices, boom trucks, cranes, digger derricks, pressure drills, stringing gear, Hi-rail equipment, repair parts, tools and accessories.
