

Custom Truck One Source Announces Opening of New Orlando, Florida Location to Serve Growing Demand

Kansas City, Mo., September 15, 2025 – (BUSINESS WIRE) – Custom Truck One Source, Inc. (NYSE: CTOS), a leading provider of specialty equipment to the electric utility, telecom, rail, forestry, waste management and other infrastructure-related end markets, announced today the opening of a new location in Orlando, Florida on October 1, 2025.

The new facility will enhance Custom Truck's ability to better serve its customers in the Florida market and the broader Southeast region. The new location is in the heart of Orlando, adding 20,000 square feet of space and 11 service bays to Custom Truck's national footprint. As part of this transition, the Company will relocate the rental service portion of their Tampa operations to Orlando while still building trucks and servicing customer equipment out of its Tampa branch.

"We believe this strategic relocation of our rental operations will strengthen our overall business in Florida," said Ryan McMonagle, CEO of Custom Truck. "It reflects our long-term vision and commitment to making thoughtful decisions that support the future of our business, our people, and our customers."

ABOUT CUSTOM TRUCK ONE SOURCE

Custom Truck One Source is one of the largest providers of specialty equipment, parts, tools, accessories and services to the electric utility transmission and distribution, telecommunications and rail markets in North America, with a differentiated "one-stop-shop" business model. The Company offers its specialized equipment to a diverse customer base for the maintenance, repair, upgrade and installation of critical infrastructure assets, including electric lines, telecommunications networks and rail systems. The Company's coast-to-coast rental fleet of more than 10,000 units includes aerial devices, boom trucks, cranes, digger derricks, pressure drills, stringing gear, hi-rail equipment, repair parts, tools and accessories.
