

Henry Schein Spotlights Innovative Dental Solutions During the 2025 Chicago Dental Society Midwinter Meeting

February 21, 2025

Company Showcases Its Wide Range of Offerings Designed to Help Drive Practice and Patient Success

MELVILLE, N.Y.-- February 20, 2025 -- Henry Schein, Inc.'s (Nasdaq: HSIC) digital equipment, technology solutions, and business services offerings are on full display at the 2025 Chicago Dental Society Midwinter Meeting. From February 20 to February 22, 2025, the Company's extensive range of products and resources designed to help drive dental team success are being highlighted (booth #3019), including:

- Merchandise products and exclusive offers on Henry Schein Products;
- Practice brokerage, transition planning, valuations and practice finance solutions from Henry Schein Dental Practice Transitions and Henry Schein Financial Services;
- Henry Schein's THRIVELIVE®, which offers dental teams a unique event experience; and
- Design solutions for dental practices including new construction, office remodels, and expansions from the Company's Integrated Design Studio.

"We are dedicated to being a partner that dental professionals can rely on to help enhance the patient experience and drive practice growth through our comprehensive offerings," said Dave Steck, President, U.S. Dental Group, Henry Schein. "By providing the tools and resources oral health professionals need, we aim to equip our customers to thrive in the evolving dental landscape, continuing to deliver exceptional care. We remain committed to being their trusted partner in this journey."

During the Meeting, Henry Schein is launching its [Maxima™](#) Advanced Chamber Sterilizer. Built for 28,000 cycles, the large, 11-inch chamber sterilizer offers rapid drying, dynamic pulsed air removal, and customizable programs. The Company is also demonstrating the latest products and digital technology solutions, such as the Amann Girrbach Matron Mill, DEXIS™ OP3D CBCT Unit and 3D Software, and Vatech Green CBCT and 3D Software. Other featured products will include: 3Shape Trios® 5, Ackuretta SOL Printer, ACTEON SoproCare, Carina™, Dentsply Sirona, and DEXIS Sensors, Dentsply Sirona Primescan 2, Formlabs Form B, Primemill, and Primeprint, DEXIS™ IS 3800 scanner, DigiDoc x90, Ivoclar CS6, Medit i700, Planmeca Emerald S, and SprintRay Pro 2.

Members of the Henry Schein team are available to discuss how the Company has expanded its portfolio to include both ACE SOUTHERN's dental surgical products and EdgeEndo's endodontic products, providing customers with a wider range of trusted solutions and the convenience of ordering both directly through Henry Schein. Additionally, Formlabs announced a new relationship with Henry Schein, naming the Company as their preferred North American reseller of Formlabs' dental products, the Form 4B and Form 4BL.

Attendees can also speak with vVARDIS to learn about Curodont™ Repair Fluoride Plus. This proprietary solution addresses early-stage tooth decay by aiding in the preventive treatment of cavity progression, with a simple, quick, and drill-free application.

For practitioners seeking to streamline every aspect of practice management, the Henry Schein One (booth #3215) is showcasing its industry-leading dental practice management platforms, Dentrrix® and Dentrrix Ascend®. As a catalyst for patient care, Henry Schein One delivers purpose-built solutions for insurance eligibility and claims management, patient billing and payments, and more, helping practices operate more efficiently and enhance the patient experience. Attendees can explore innovations designed to improve clinical diagnosis, drive practice growth through marketing, and elevate the patient experience, all while empowering dental teams to work smarter, not harder.
