

Henry Schein Launches ACCLEAN Cordless Hygiene Handpiece

2025-08-06

Lightweight Design and Intuitive Controls Offer Comfort Mixed With High-Performance

MELVILLE, N.Y. – August 6, 2025 – Henry Schein, Inc. (Nasdaq: HSIC), today launched its ACCLEAN® Cordless Hygiene Handpiece, engineered for high-powered, comfortable, and convenient cleaning and polishing. Distributed exclusively through Henry Schein, the ergonomic and lightweight handpiece is designed to enhance ease of use for hygienists while effectively removing tough stains for patients.

Weighing less than 113 grams, the ACCLEAN Cordless Hygiene Handpiece features a high output torque motor to maintain speed under pressure. Its brushless motor is built for long-term performance and longevity. And, its cordless design enhances maneuverability, while a customizable color band allows for quick identification. Its silicone sleeve provides a secure grip, and the handpiece offers six adjustable speed settings. For hands-free operation, it also includes an optional wireless foot pedal for speed control.

“The launch of the ACCLEAN Cordless Hygiene Handpiece reinforces our commitment to offering health care professionals differentiated and best-in-class tools that help make their workflow more efficient,” said Mike Nelson, Vice President, Marketing, Henry Schein Products. “The ACCLEAN brand was created to offer everyday preventive products that hygienists can count on, and this product does just that. This handpiece is a direct result of extensive development and refinement informed by our customers’ insightful feedback.”

The ACCLEAN Cordless Hygiene Handpiece is compatible with most disposable prophylaxis angles, including ACCLEAN® Disposable Prophylaxis Angles – individually wrapped units that combine high-strength plastic components and a gear design for significant torque. A sample pack of ACCLEAN Disposable Prophylaxis Angles is included with each handpiece. Additionally, the cordless handpiece offers a removable, autoclavable nosecone to help maintain hygiene standards. Its two removable and rechargeable batteries provide all-day, long-lasting power.

For more information about the ACCLEAN Cordless Hygiene Handpiece, which comes with a two-year warranty, please [click here](#). To explore the ACCLEAN brand, visit www.henryscheindental.com/Acclean.
