While most coffees on the market today only use roasted coffee beans, Mannatech's GlycoCafe coffee is crafted using a blend of organic Arabica beans, antioxidant-rich coffee fruit and metabolism-boosting green coffee. Not only is GlycoCafe a complete coffee, it can also improve cognitive function, provide superior antioxidant support and support cardiovascular health.\*

GlycoCafe is now available for purchase through Mannatech's independent sales Associates in the United States. Learn more about the world's most complete coffee by visiting **our website**.
