### PEBBLEBROOK HOTEL TRUST ANNOUNCES PRICING OF PUBLIC OFFERING OF 3,000,000 COMMON SHARES

**BETHESDA, MD, SEPTEMBER 4, 2014** -- Pebblebrook Hotel Trust (the "Company") (NYSE: PEB) announced today the pricing of its public follow-on offering of 3,000,000 of its common shares of beneficial interest, \$0.01 par value per share, for expected approximate gross proceeds of \$114,450,000 before expenses. The underwriter has been granted a 30-day option to purchase up to an additional 450,000 common shares. The offering is expected to close on or about September 9, 2014, subject to customary closing conditions. Raymond James is serving as the sole book-running manager for the offering and proposes to offer the shares from time to time for sale in one or more transactions on the New York Stock Exchange, in the over-the-counter market, through negotiated transactions or otherwise at market prices prevailing at the time of sale, at prices related to prevailing market prices or at negotiated prices.

The Company expects to contribute the net proceeds from the offering to Pebblebrook Hotel, L.P., its operating partnership, which will use the net proceeds (after expenses) to repay the approximately \$91.0 million outstanding on the Company's senior unsecured revolving credit facility and the balance for general corporate purposes, which may include acquiring and investing in hotel properties in accordance with the Company's investment strategy and reducing the Company's debt.

*This press release contains certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995 and other federal securities laws. These forward-looking statements are based upon the Company's expectations, but these statements are not guaranteed to occur. Investors should not place undue reliance upon forward-looking statements. For example, the fact that the offering has priced may imply that the offering will close, but the closing is subject to conditions customary in transactions of this type and may be delayed or may not occur at all. In addition, the fact that the underwriter has an option to purchase additional shares may imply that this option will be exercised. However, the underwriter is not under any obligation to exercise this option, or any portion of it, and may not do so. Completion of the offering on the date and the terms described, and the application of net proceeds, are subject to numerous conditions, many of which are beyond the control of the Company, including, without limitation, general economic conditions, market conditions and other factors, including*
