Safe Harbor

This release is intended to be disclosure through methods reasonably designed to provide broad, non-exclusionary distribution to the public in compliance with the SEC’s Fair Disclosure Regulation. This release contains certain “forward looking” statements made pursuant to the Safe Harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, the statements in this release regarding our future prospects and performance, including our expectations with respect to our financial performance, our 2025 financial results, our expectations regarding the performance of our business following the completion of the sale of the Products & Healthcare Services business, our cost saving initiatives, future indebtedness and growth, industry trends, as well as statements related to our expectations regarding the performance of our business, including our ability to address macro and market conditions. Forward-looking statements involve known and unknown risks and uncertainties that may cause our actual results in future periods to differ materially from those projected or contemplated in the forward-looking statements. Investors should refer to the Company’s Annual Report on Form 10-K for the year ended December 31, 2024, filed with the SEC on February 28, 2025, including the section captioned “Item 1A. Risk Factors,” as applicable, and subsequent quarterly reports on Form 10-Q and current reports on Form 8-K filed with or furnished to the SEC, for a discussion of certain known risk factors that

could cause the Company's actual results to differ materially from its current estimates. These filings are available at www.accendrahealth.com. Given these risks and uncertainties, The Company can give no assurance that any forward-looking statements will, in fact, transpire and, therefore, cautions investors not to place undue reliance on them. The Company specifically disclaims any obligation to update or revise any forward-looking statements, whether as a result of new information, future developments or otherwise.
