

News Release

Teradata Applications and Vantage Highlighted in Textbook

2019-03-15

Teradata Vantage and application case stories have been once again updated and included in the latest edition of Sharda, Delen, and Turban's textbook titled: Analytics, Data Science, & Artificial Intelligence: Systems for Decision Support, 11th Edition. Many chapters include exercises to consult Teradata University resources and complete some homework or class discussion.

The book's table of contents and other details are available at: <https://www.pearson.com/us/higher-education/program/Sharda-Analytics-Data-Science-Artificial-Intelligence-Systems-for-Decision-Support-11th-Edition/PGM2067063.html>

About Teradata

At Teradata, we believe that people thrive when empowered with trusted information. We offer the most complete cloud analytics and data platform for AI. By delivering harmonized data and trusted AI, we enable more confident decision-making, unlock faster innovation, and drive the impactful business results organizations need most. See how at [Teradata.com](https://www.teradata.com).
