

**JOINT AUDIT COMMITTEE CHARTER
OF IF BANCORP, INC. AND
IROQUOIS FEDERAL SAVINGS AND LOAN
ASSOCIATION**

I. JOINT AUDIT COMMITTEE CHARTER

The Boards of Directors of IF Bancorp, Inc. and Iroquois Federal Savings and Loan Association have established a Joint Audit Committee (the "Audit Committee" or the "Committee") and have adopted this Joint Audit Committee Charter to govern the Committee's operation. Where applicable, references herein to the "Company" include IF Bancorp, Inc. and Iroquois Federal Savings and Loan Association, and references to the "Board" shall include the Boards of Directors of IF Bancorp, Inc. and Iroquois Federal Savings and Loan Association.

II. PURPOSE

The Primary purpose of the Audit Committee is assisting the Board in:

- overseeing the integrity of the Company's financial statements;
- overseeing the Company's compliance with legal and regulatory requirements;
- overseeing the independent registered public accountant's qualifications and independence;
- overseeing the performance of the Company's independent registered public accountant and of the Company's internal audit function; and
- overseeing the Company's system of disclosure controls and system of internal controls regarding finance, accounting, and legal compliance.

Consistent with this function, the Audit Committee should encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee should also provide an open avenue of communication among the independent registered public accountants, financial and senior management, the internal auditing function, and the Board of Directors.

The Audit Committee has the authority to obtain advice and assistance from outside legal, accounting, or other advisors as it deems appropriate to perform its duties and responsibilities. The Company shall provide appropriate funding, as determined by the Committee, to compensate the independent registered public accountant and any advisers that the Committee engages.

The Audit Committee will fulfill its responsibilities primarily by carrying out the activities enumerated in Section IV of this Charter. The Committee will, through its chairperson,

report regularly to the Board of Directors regarding the execution of its duties and responsibilities.

While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with GAAP and applicable rules and regulations. These are the responsibilities of management and the independent registered public accountant.

III. COMPOSITION AND MEETINGS

The Audit Committee will consist of three or more directors of the Company as determined by the Board, each of whom shall be an independent director (as defined by applicable laws and rules, including Section 10A(m)(3) of the Securities Exchange Act of 1934, Securities and Exchange Commission ("SEC") Rule 10A-3 promulgated thereunder, and the applicable Nasdaq Stock Market listing rules for independence), and shall be free from any relationship (including disallowed compensatory arrangements) that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee. All members of the Committee shall be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flows statement, and one person shall have past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience. The Board shall determine whether at least one member of the Committee qualifies as an "audit committee financial expert" in compliance with the criteria established by the SEC and other relevant regulations. The existence of such member, including his or her name and whether or not he or she is independent, shall be disclosed in periodic filings as required by the SEC.

The members of the Committee will be appointed by the Board and will serve until their successors have been duly appointed and qualified. A majority of the membership of the Committee shall constitute a quorum, and all actions of the Committee shall require the affirmative vote of a majority of the membership of the Committee. Unless a Chair is appointed by the full Board, the members of the Committee shall designate a Chair by majority vote of the full Committee membership. The entire Committee or any individual Committee member may be removed without cause by the affirmative vote of a majority of the Board of Directors. Audit Committee members shall not simultaneously serve on the audit committee of more than two other public companies.

The Committee will meet at least four times annually, or more frequently as circumstances dictate. Each regularly scheduled meeting will conclude with an executive session of the Committee absent members of management, and on such terms and conditions as the Committee may determine. As part of its job to foster open communication, the Committee will meet periodically with management, the director of the internal auditing function, or such other person or persons responsible for the internal auditing function, and the independent registered public accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believes should be discussed privately. In addition, the Committee will meet quarterly with the independent registered public accountants and management to discuss the

annual audited financial statements or quarterly financial statements, including the Company's disclosure under "Management's Discussion and Analysis of Financial Condition and Results of Operations." The Committee will periodically, through its chairperson, report to the Board on its actions and will prepare written minutes of each Committee meeting, which minutes will be provided to the Board.
