Via announces material information to the public through filings with the Securities and Exchange Commission, the Investor Relations page on its website ([investors.ridewithvia.com](https://investors.ridewithvia.com)), press releases, public conference calls, public webcasts, its social media accounts on X and LinkedIn in order to achieve broad, non-exclusionary distribution of information to the public and for complying with its disclosure obligations under Regulation FD.

## **About Via**

Via is the technology backbone of a modern transportation network. We transform public transportation systems into dynamic networks, based on data and demand. Cities and transit agencies around the world adopt Via's suite of software and technology-enabled services to replace fragmented legacy systems and consolidate operations. As a result, Via lowers the cost of providing transit, improves the passenger experience, and brings more riders on board. Today, the Via platform is utilized by hundreds of cities across more than 30 countries to create public transportation systems that connect people with jobs, healthcare, and education.
