THE MARZETTI COMPANY CONTINUES HIGHER CASH DIVIDEND

WESTERVILLE, Ohio, May 20 – The Marzetti Company (Nasdaq: MZTI) announced today that its Board of Directors has declared a quarterly cash dividend of $1.00 per common share, payable June 30, 2026 to shareholders of record on June 5, 2026.

The quarterly cash dividend amount of $1.00 per share maintains the higher level set six months ago, which marked the company's 63rd consecutive year of increased regular cash dividends. The Marzetti Company is one of only 12 U.S. companies with 63 straight years of regular cash dividend increases.

CEO David A. Ciesinski said, "The dividend reflects the company's continued strong financial position and will be the 252nd consecutive quarterly cash dividend paid by the company since September 1963." He noted that the annual payout for the current fiscal year ending June 30, 2026 is $3.95 per share, up from the $3.75 per share paid in fiscal 2025.

Common shares currently outstanding are approximately 27,423,000.

Forward-Looking Statements

We desire to take advantage of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995 (the "PSLRA"). This news release contains various "forward-looking statements" within the meaning of the PSLRA and other applicable securities laws. Such statements can be identified by the use of the forward-looking words "anticipate," "estimate," "project," "believe," "intend," "plan," "expect," "hope," "indicated" or similar words. These statements discuss future expectations; contain projections regarding future developments, operations or financial conditions; or state other forward-looking information. Such statements are based upon assumptions and assessments made by us in light of our experience and perception of historical trends, current conditions, expected future developments; and other factors we believe to be appropriate. These forward-looking statements involve various important risks, uncertainties and other factors, many of which are beyond our control, which could cause our actual results to differ materially from those expressed in the forward-looking statements.
