

NEWS RELEASE

## NETSCOUT to Participate at AWS re:Invent in Las Vegas, Nevada

2017-11-27

Showcasing nGeniusOne, ISNG, vSCOUT, vSTREAM and Adaptive Service Intelligence (ASI) Technologies to Demonstrate How Smart Data Enables IT Organizations to Confidently Migrate Applications to the Cloud

WESTFORD, Mass.--(BUSINESS WIRE)--Nov. 27, 2017-- **NETSCOUT SYSTEMS, INC.**, (NASDAQ: NTCT), a leading provider of business assurance, a powerful combination of service assurance, cybersecurity, and business intelligence solutions, today announced it is participating in the AWS re:Invent conference in Las Vegas, Nevada this week.

At AWS re:Invent see how using NETSCOUT's smart data enables the IT organization to confidently **migrate applications to the cloud** and assure the delivery of services in complex hybrid cloud environments. Learn how enterprises are becoming Cloud Smarter with NETSCOUT.

**WHEN:** November 27 – December 1, 2017

**WHERE:** The Venetian hotel, booth 2735

NETSCOUT will offer live product demonstrations where you can talk to an expert to learn how **nGenius** can help you:

- Successfully migrate applications to AWS by measuring performance before, during and after the move.
- Ensure a positive user experience through a complete understanding of application and workload dependencies.
- Quickly resolve problems using NETSCOUT's smart data and nGenius workflows seamlessly across public cloud, private cloud and conventional infrastructure: total visibility for the hybrid cloud.

## NETSCOUT Sessions Include:

In these sessions NETSCOUT will discuss how organizations can successfully navigate before, during and after moving applications and other workloads to AWS.

**WHAT:** **theCUBE** interview

**WHO:** Russ Currie, Vice President Enterprise Strategy

**WHEN:** Tuesday, November 28, 11:40 a.m. – 11:55 a.m.

**WHERE:** Sands Convention Center, booth 1230

**WHAT:** Know Before You Go: Planning a Successful Application Migration to AWS

**WHO:** Russ Currie, Vice President Enterprise Strategy and Ray Krug, Director, Solutions Engineer

**WHEN:** Tuesday, November 28, 6:45 p.m. – 7:00 p.m.

**WHERE:** The Venetian, Level 1, Expo Hall, Kumo Theater

Attendees who visit the NETSCOUT booth will be eligible to win some cool prizes or a gift card each day.

## About AWS re:Invent

AWS re:Invent is a learning conference hosted by Amazon Web Services for the global cloud computing community. The event features keynote announcements, training and certification opportunities. The conference will feature more than 1,000 technical sessions, a partner expo, after-hours events, etc. AWS re:Invent is the single largest opportunity to interact and build relationships with the AWS cloud community.

## About NETSCOUT
