"PSG EBITDA" means, with respect to any applicable Permitted Services Group for any period, the Consolidated Net Income of such Permitted Services Group (with references to "Parent Guarantor" in the definition of Consolidated Net Income replaced with references to "Permitted Services Group" for purposes of this definition of PSG EBITDA, other than the reference to "Officer of the Parent Guarantor"), for such period, adjusted as follows (without duplication):

Subject to the immediately succeeding paragraph, in the event that the applicable Permitted Services Group Incurs, assumes, guarantees, redeems, defeases, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit facility unless such Indebtedness has been permanently repaid and has not been replaced) subsequent to the commencement of the FCCR Reference Period but prior to or simultaneously with the event for which the calculation of the PSG Fixed Charge Coverage Ratio is made (the “PSG Fixed Charge Coverage Ratio Calculation Date”), then the PSG Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such Incurrence, assumption, guarantee, redemption, defeasance, retirement or extinguishment of Indebtedness as if the same had occurred on the first day of the FCCR Reference Period. For purposes of making the computation referred to above, any Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, operational changes, business expansions and disposed or discontinued operations that have been made by the applicable Permitted Services Group, during the FCCR Reference Period or subsequent to the FCCR Reference Period and on or prior to or simultaneously with the PSG Fixed Charge Coverage Ratio Calculation Date shall be calculated on a Pro Forma Basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, operational changes, business expansions and disposed or discontinued operations had occurred on the first day of the FCCR Reference Period.

Notwithstanding anything to the contrary in this Indenture, (A) for purposes of the calculation of the PSG Fixed Charge Coverage Ratio, the Parent Guarantor may elect to treat all or any portion of the commitment (such amount elected until revoked as described below, the “PSG Elected Amount”) under any Indebtedness of any Permitted Services Group (“PSG Specified Indebtedness”) as being Incurred as of such determination date and (i) any subsequent Incurrence of PSG Specified Indebtedness under such commitment (so long as the aggregate amount of all outstanding PSG Specified Indebtedness after giving effect to such subsequent Incurrence does not exceed the PSG Elected Amount) shall not be deemed, for purposes of each such calculation, to be an Incurrence of additional Indebtedness or an additional Lien at such subsequent time, (ii) the Parent Guarantor may revoke an election of a PSG Elected Amount and (iii) for purposes of all subsequent calculations of the PSG Fixed Charge Coverage Ratio, as applicable, the PSG Elected Amount (if any) shall be deemed to be outstanding, whether or not such amount is actually outstanding, to the extent that the PSG Elected Amount has not been revoked in accordance with the immediately preceding clause (ii) or such commitments (or PSG Specified Indebtedness outstanding under such commitments) are permanently reduced, cancelled or terminated in excess of the PSG Elected Amount in accordance with their terms; and (B) with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that does not require compliance with a financial ratio or test (including the PSG Fixed Charge Coverage Ratio) (any such amounts (but excluding any amounts incurred under any revolving facility unless such Indebtedness has been permanently repaid and has not been replaced), the “PSG Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Indenture that requires compliance with a financial ratio or test (including a test based on the PSG Fixed Charge Coverage Ratio) (any such amounts, the “PSG Incurrence-Based Amounts”), it is understood and agreed that (i) the PSG Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the PSG Incurrence-Based Amounts, and (ii) except as provided in clause (i), pro forma effect shall be given to all applicable and related transactions (including the use of proceeds of all applicable Indebtedness incurred and any repayments, repurchases and redemptions of Indebtedness) and all other adjustments as to which pro forma effect may be given under this Indenture.

Notwithstanding anything to the contrary herein, in the event an item of Indebtedness (or any portion thereof) is Incurred, any Investment or Restricted Payment is made or other transaction is undertaken in reliance on any ratio-based exceptions, thresholds and baskets, such ratio shall be calculated with respect to such Incurrence or other transaction without giving effect to amounts being utilized under any other exceptions, thresholds or baskets (other than ratio-based baskets) on the same date. Each item of Indebtedness that is Incurred, each Investment or Restricted Payment that is made and each other transaction undertaken will be deemed to have been Incurred or taken first, to the extent available, pursuant to the relevant ratio-based test.

For the avoidance of doubt, nothing in this definition shall prejudice or limit the right of the Parent Guarantor or any Restricted Subsidiary to make any adjustment or calculation (whether in relation to Consolidated Indebtedness, Total Assets, the Consolidated Indebtedness to Consolidated Equity Ratio, PSG Fixed Charge Coverage Ratio or otherwise) in accordance with any other term of this Indenture and all applicable metrics described in this definition will be calculated as set forth in Section 1.04 above.

- (a)     When calculating compliance with any LCT Provision, the Issuer may, at its option (the Issuer’s election to exercise such option, which may be made at any time, an “LCT Election”), elect that the date of determination for such LCT Provision (the “LCT Test Date”) shall be deemed to be the date the definitive agreement or agreements for such Limited Condition Transaction are entered into (or, if applicable, the date any agreement to repay, repurchase or refinance Indebtedness, Disqualified Stock or Preferred Stock is entered into, the date of any irrevocable notice, which may be conditional, of any repayment, repurchase or refinancing of Indebtedness, Disqualified Stock or Preferred Stock that is given to the holders thereof, or the date of declaration of a Restricted Payment), and if, after giving effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, investments, the Incurrence of Indebtedness or the issuance of Disqualified Stock

or Preferred Stock and the use of proceeds therefrom, the Incurrence of Liens and Restricted Payments) on a Pro Forma Basis, the Parent Guarantor or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such LCT Provision, such LCT Provision shall be deemed to have been complied with (or satisfied) for all purposes under this Indenture (in the case of Indebtedness, for example, regardless of whether such Indebtedness is committed, issued or otherwise Incurred at the LCT Test Date or at any time thereafter); provided, that compliance with such LCT Provision shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction or any actions or transactions related thereto (including acquisitions, investments, the Incurrence of Indebtedness or the issuance of Disqualified Stock or Preferred Stock and the use of proceeds therefrom, the Incurrence of Liens and Restricted Payments).

(b) For the avoidance of doubt, if the Issuer has made an LCT Election, (1) if any of the LCT Provisions for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of changes in any such ratio, test or basket, including due to changes in currency exchange rates, interest rates, Consolidated Indebtedness, Total Assets, Consolidated Equity, PSG EBITDA or PSG Fixed Charges of the Parent Guarantor or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such changes; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of a Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated and the date that the definitive agreement or date for redemption, purchase, repayment or refinancing specified in the irrevocable notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested after giving pro forma effect to such Limited Condition Transaction as though such Limited Condition Transaction had occurred on the LCT Test Date and remained outstanding thereafter; (4) if financial statements for one or more subsequent fiscal quarters shall have become available, the Issuer may elect, in its sole discretion, to re- determine all such baskets, ratios and financial metrics on the basis of such financial statements, in which case such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for purposes of such baskets, ratios and financial metrics; and (5) if any ratios or financial metrics improve or baskets increase as a result of such changes, such improved ratios, financial metrics or baskets may be utilized. In addition, in connection with a Limited Condition Transaction, compliance with any requirement relating to the absence of a Default or Event of Default may be determined as of the LCT Test Date and not as of any later date as would otherwise be required under this Indenture, except to the extent compliance with the relevant LCT Provision is redetermined as contemplated by clause (4) of the immediately preceding sentence.

(c) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is Incurred or issued, any Lien is Incurred, any Restricted Payment is made or other transaction is undertaken in reliance on the Consolidated Indebtedness to Consolidated Equity Ratio or PSG Fixed Charge Coverage Ratio, such ratio shall be calculated with respect to such Incurrence, issuance or other transaction without giving effect to amounts being utilized under any other basket on the same date, and each item of Indebtedness, Disqualified Stock or Preferred Stock that is Incurred or issued, each Lien Incurred, each Restricted Payment made and each other transaction undertaken will be deemed to have been Incurred, issued, made or taken first, to the extent available, pursuant to the Consolidated Indebtedness to Consolidated Equity Ratio or PSG Fixed Charge Coverage Ratio, as applicable.

(d) If a proposed action, matter, transaction or amount (or a portion thereof) is incurred or entered into pursuant to a numerical permission and at a later time would subsequently be permitted under a ratio-based permission, unless otherwise elected by the Parent Guarantor, such action, matter, transaction or amount (or a portion thereof) shall automatically be reclassified to such ratio-based permission.

(1) Each Global Note initially shall (x) be registered in the name of DTC or the nominee of DTC, (y) be delivered to the Custodian for DTC and (z) bear the legend as set forth in Section 2.01(d)(2). Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to DTC, its successors or its respective nominees, except as set forth in Section 2.01(e)(3) and 2.01(f) hereof. If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Custodian will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) Participants shall have no rights under this Indenture with respect to any Global Note held on their behalf by DTC or by the Custodian as the custodian of DTC or under such Global Note, and DTC may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by DTC or impair, as between DTC

and the Participants, the operation of customary practices of DTC governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(3) In connection with the transfer of an entire Global Note to beneficial owners pursuant to Section 2.01(f), such Global Note shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to each beneficial owner identified by DTC in exchange for its beneficial interest in such Global Note, an equal aggregate principal amount of Definitive Notes of authorized denominations.

(4) The registered Holder of a Global Note may grant proxies and otherwise authorize any person, including Participants and persons that may hold interests through Participants, to take any action which a Holder is entitled to take under this Indenture or the Notes.

(5) Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interests in such Global Note may be effected only through a book-entry system maintained by (i) the Holder of such Global Note (or its agent) or (ii) any holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book entry.

(f) Definitive Notes. Definitive Notes shall be transferred to all beneficial owners in exchange for their beneficial interests in a Global Note if (A) DTC notifies the Issuer that it is unwilling or unable to continue as Depositary for the Global Note and the Issuer fails to appoint a successor depositary within 90 days of such notice, (B) DTC ceases to be a clearing agency registered under the Exchange Act and the Issuer fails to appoint a successor depositary within 90 days of such notice or (C) there shall have occurred and be continuing an Event of Default with respect to the Notes under this Indenture and DTC shall have requested the issuance of Definitive Notes. In the event of the occurrence of any of the events specified in the second preceding sentence or in clause (A), (B) or (C) of the preceding sentence, the Issuer shall promptly make available to the Trustee a reasonable supply of Definitive Notes.

(1) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.01(f) shall bear the Private Placement Legend.

(2) If a Definitive Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Definitive Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the cancelled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, to the transferring Holder a new Definitive Note representing the principal amount not so transferred.

(g) If a Definitive Note is transferred or exchanged for another Definitive Note, (x) the Trustee will cancel the Definitive Note being transferred or exchanged, (y) the Issuer shall execute, and the Trustee shall authenticate and make available for delivery, one or more new Definitive Notes in authorized denominations having an aggregate principal amount equal

to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the cancelled Definitive Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the cancelled Definitive Note, the Issuer shall execute, and the Trustee shall authenticate and make available for delivery to the Holder thereof, one or more Definitive Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the cancelled Definitive Notes, registered in the name of the Holder thereof. Any Definitive Note delivered in transfer or exchange for, or in replacement of, another Definitive Note shall bear the Private Placement Legend.

Section 2.02 Execution and Authentication. At least one Officer must sign the Notes for the Issuer by manual, facsimile, .pdf attachment or other electronically transmitted signature.

(a) If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

(b) A Note will not be valid until authenticated by the manual signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

(c) The Trustee will, upon receipt of a written order of the Issuer signed by an Officer of the Issuer (an “Authentication Order”), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Issuer pursuant to one or more Authentication Orders, except as provided in Section 2.09 hereof.

(d) The Trustee may appoint an authenticating agent acceptable to the Issuer to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Issuer.

(e) Subject to and in accordance with Sections 2.02, 2.14 and 4.06, the aggregate principal amount of Notes which may be authenticated and delivered under this Indenture is unlimited and the Issuer may issue Additional Notes under this Indenture.

Section 2.03 Registrar and Paying Agent. The Issuer shall maintain (a) an office or agency where Notes may be presented for registration (“Registrar”), (b) an office or agency where Notes may be presented for transfer or exchange (the “Transfer Agent”) and (c) an office or agency where Notes may be presented for payment to any Person authorized by the Issuer to pay the principal of (and premium, if any) or interest on any Note on behalf of the Issuer (“Paying Agent”). The Registrar will keep a register of the Notes and of their transfer and exchange. The Issuer may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Issuer may change any Paying Agent, Transfer Agent or Registrar without notice to any Holder. The Issuer shall notify the Trustee in writing of the name and address of any Agent not a party to

this Indenture. If the Issuer fails to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, the Trustee shall act as such. The Issuer or any of their respective Subsidiaries may act as Paying Agent, Transfer Agent or Registrar.

(a) The Issuer initially appoints The Depository Trust Company (“DTC”) to act as Depository with respect to the Global Notes.

(b) The Issuer initially appoints the Trustee to act as the Registrar, Transfer Agent and Paying Agent and to act as Custodian with respect to the Global Notes and the Trustee hereby agrees to so initially act.

Section 2.04 Paying Agent to Hold Money in Trust. The Issuer shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest on, the Notes, and will notify the Trustee in writing of any Default by the Issuer in making any such payment. While any such Default continues, the Trustee may require a Paying Agent to pay all money held by it for the purpose of making payments on the Notes to the Trustee. The Issuer at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Issuer or a Subsidiary thereof) will have no further liability for the money, as Paying Agent, other than to account to the Trustee and the Issuer for any funds disbursed. If the Issuer or any of their respective Subsidiaries acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any Event of Default under Sections 6.01(5) or (6) hereof relating to the Issuer, the Trustee will serve as Paying Agent for the Notes.

Section 2.05 Holder Lists. The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Issuer shall furnish (or cause the Registrar to furnish) to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06 Transfer and Exchange.

(a) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by this Section 2.06. The Trustee will promptly register any transfer or exchange that meets the requirements of this Section 2.06 by noting the same in the register maintained by the Trustee, and no transfer or exchange will be effective until it is registered in such register. The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section 2.06, Section 2.01(e) and 2.01(f), as applicable, and, in the case of a Global Note (or a beneficial interest therein), the Applicable Procedures. The Trustee shall refuse to register any requested transfer or exchange that does

not comply with this paragraph. No register of the Notes or any interests therein will be kept or maintained by or on behalf of the Issuer in the United Kingdom.

(b) Transfers of Global Notes. The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act and subject to the requirement that the transferee be a Qualified Purchaser. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; provided, however, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Global Note may not be made to a U.S. Person (as defined under Regulation S) or for the account or benefit of a U.S. Person (other than an initial purchaser). No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(i) both:

(a) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(b) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(ii) both:

(a) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(b) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive

Note shall be registered to effect the transfer or exchange referred to in 2.06(b)(1) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) as set forth herein.

(3) Transfer of Beneficial Interests to Another Global Note. A beneficial interest in any Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(i) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit A - the Form of Note, including the certifications under the caption "TO BE COMPLETED BY PURCHASER"; and

(ii) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit A - the Form of Note, including the certifications under the caption "TO BE COMPLETED BY PURCHASER".

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes, the Registrar shall deliver only Notes that bear a Private Placement Legend.

(d) Retention of Written Communications. The Registrar shall retain copies of all letters, notices and other written communications received pursuant to Section 2.01 or this Section 2.06. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable prior written notice to the Registrar.

(e) Obligations with Respect to Transfers and Exchanges of Notes.

(1) To permit registrations of transfers and exchanges, the Issuer shall execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuer or the Trustee may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge imposed by the jurisdiction in which the Issuer or Guarantor is incorporated or tax resident or in which the office of the Paying Agent through which payments are made is located, in each case, payable upon exchange or transfer pursuant to Sections 2.12, 3.09, 4.07(c), and 4.10 hereof).

(3) The Issuer (and the Registrar) shall not be required to register the transfer of or exchange of any Note (A) for a period beginning (1) 15 calendar days before the date of a notice of an offer to repurchase or redeem Notes and ending at the close of business on the date of such notice or (2) 15 calendar days before an interest payment date and ending on such interest payment date or (B) called for redemption, except the unredeemed portion of any Note being redeemed in part.

(4) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuer may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuer shall be affected by notice to the contrary.

(5) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(6) Any Definitive Note delivered in exchange for an interest in a Global Note pursuant to Section 2.01(f) shall bear the Private Placement Legend.

(7) All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

(8) All certifications, certificates and Opinions of Counsel required to be submitted pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile, .pdf attachment or other electronically transmitted signature.

(9) Neither the Trustee nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

(10) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07 Forced Transfer. If, subsequent to the initial issuance of Notes, the Issuer determines that any beneficial owner of a Global Note (or any interest therein) is not a Qualified Purchaser or has otherwise obtained such beneficial ownership or interest in such Global Note in violation of the transfer restrictions appearing on the face of such Global Note, the Issuer may compel such purchaser or such other Person to sell or transfer, as applicable, such Notes (or such beneficial interest), within 30 days after notice of the sale requirement is given, to a person acceptable to the Issuer who is able to, and who does make, all of the representations and agreements set forth herein. If the purchaser fails to effect the sale or transfer, as applicable, within such 30-day period, the Issuer has the right, without further notice, to compel such purchaser to

sell or transfer, as applicable, such Notes (or such beneficial interest) to a purchaser selected by the Issuer who meets the requirements set forth hereunder on such terms as the Issuer may choose. The Issuer may select the purchaser by soliciting one or more bids from one or more brokers or other market professionals that regularly deal in securities similar to the Notes, and selling such Notes to the highest such bidder. However, the Issuer may select a purchaser by any other means determined by the Issuer in its sole discretion (noting that specifics of timing, etc. may be changed to fit the procedures contemplated by the Issuer).

Section 2.08     Section 3(c)(7) Compliance.

(a)     Section 3(c)(7) Reminder Notices. The Issuer shall send to the Holders a “Section 3(c)(7) Reminder Notice,” the form of which is attached hereto as Exhibit B, in addition to the financial statements and reports required under Section 4.03 hereof. Without limiting the foregoing, the Issuer shall send a copy of each Section 3(c)(7) Reminder Notice to the Depositary, with a request that the Depositary forward each such report to the relevant Participants for further delivery to beneficial owners of interest in the Global Notes.

(b)     Depositary Actions. The Issuer shall direct the Depositary to take the following steps in connection with the Global Notes:

(1)     to include (a) the “3c7”, “144A” and any related marker in the Depositary 20-character security descriptor and the 48-character additional descriptor of the Rule 144A Global Notes in order to indicate that sales are limited to Persons that are both QIBs and Qualified Purchasers and (b) the “3c7”, “Reg S” and any related marker in the Depositary 20-character security descriptor and the 48-character additional descriptor of the Regulation S Global Notes in order to indicate that sales are limited to Persons that are both QIBs and Qualified Purchasers;

(2)     to cause each physical Depositary delivery order ticket delivered by the Depositary to purchasers to contain the Depositary 20-character security descriptor and cause each Depositary delivery order ticket delivered by the Depositary to purchasers in electronic form to contain the “3c7” indicator and the related user manual for participants, which shall contain a description of the relevant restrictions;

(3)     to send a Section 3(c)(7) Reminder Notice in the form attached as Exhibit B hereto to all Participants in connection with the offering of the Global Notes; provided that the Issuer may instruct the Depositary from time to time (but not more frequently than every six months) to reissue the notice;

(4)     to include the Global Notes in the Depositary’s “Reference Directory” of Section 3(c)(7) offerings made pursuant to Section 3(c)(7) upon advising the Depositary that they are collectively a “Section 3(c)(7) issuer”; and

(5)     to deliver to the Issuer, from time to time, a list of all Participants holding an interest in the Global Notes.

(c)     Bloomberg Screens. The Issuer shall request that Bloomberg, L.P. and any other third-party vendor include the following on each Bloomberg or other similar screen

containing information about the Global Notes (which request shall be substantially in the form of Exhibit C hereto):

(1) The “Note Box” on the bottom of the “Security Display” page describing such Global Notes should state: “Iss’d Under 144A/Reg S/3c7”;

(2) The “Security Display” page should have a flashing red indicator stating “See Other Available Information”;

(3) The Indicator for such Global Notes should link to the “Additional Security Information” page, which should state that such Global Notes “are being offered in reliance on the exemption from registration under Rule 144A or Regulation S under the Securities Act of 1933, to persons who are (1) either (a) QIBs (as defined in Rule 144A under the Securities Act) or (b) non-U.S. persons in offshore transactions (in each case, as defined under Regulation S) and (2) in each case, qualified purchasers (as defined under Section 2(a)(51) of the Investment Company Act);” and

(4) the “Disclaimer” page for such Global Notes should state that such Global Notes “shall not be and have not been registered under the Securities Act, and the Issuer with respect to such Global Notes has not been registered under the Investment Company Act, and these securities may not be offered or sold to any person absent an applicable exemption from registration requirements of the Securities Act, and any such offer or sale of these securities must be in accordance with Section 3(c)(7) of the Investment Company Act.”

(d) CUSIP. The Issuer shall cause each “CUSIP” number obtained for the Global Notes to have an attached “fixed field” that contains “3c7”, “144A”, “Reg S” and any related indicators, as applicable.

#### Section 2.09 Replacement Notes.

(a) If any mutilated Note is surrendered to the Trustee or the Issuer and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuer shall issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee’s requirements are met. If required by the Trustee or the Issuer, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of (i) the Trustee to protect the Trustee and (ii) the Issuer to protect the Issuer, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuer may charge for its expenses in replacing a Note, including reasonable fees and expenses of its counsel and of the Trustee and its counsel.

(b) Every replacement Note is an additional obligation of the Issuer and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

(c) In case any such mutilated, destroyed, lost or stolen Note has become due and payable, the Parent Guarantor in its sole discretion may, instead of issuing a new Note, pay such Note.

(d) Upon the issuance of any new Note under this Section 2.09, the Issuer may require the payment of a sum sufficient to cover any tax, assessment, fee or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable and documented fees and out-of-pocket expenses of the Trustee and its counsel) connected therewith.

(e) Every new Note issued pursuant to this Section 2.09 in exchange for any mutilated Note or in lieu of any destroyed, lost, or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Note shall be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

(f) The provisions of this Section 2.09 are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Notes.

Section 2.10 Outstanding Notes. The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.10 as not outstanding. Except as set forth in Section 2.11 hereof, a Note does not cease to be outstanding because the Issuer or an Affiliate of the Issuer holds the Note.

(a) If a Note is replaced pursuant to Section 2.09 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code.

(b) If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

(c) If the Paying Agent (other than the Issuer, a Subsidiary of the Issuer or an Affiliate of any thereof) holds, on a Redemption Date or Maturity Date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.11 Treasury Notes. In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Issuer or any Guarantor or by any Affiliate of the Issuer or any Guarantor will be considered as though not outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Trust Officer actually knows are so owned will be so disregarded.

Section 2.12 Temporary Notes. Until certificates representing Notes are ready for delivery, the Issuer may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Issuer considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Issuer shall prepare

and the Trustee will authenticate Definitive Notes in exchange for temporary Notes. Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.13 Cancellation. The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will destroy cancelled Notes (subject to the record retention requirements of the Exchange Act and the Trustee). Upon the written request of the Issuer, certification of the destruction of all cancelled Notes will be delivered to the Issuer. The Issuer may not issue new Notes to replace Notes that have been paid or that have been delivered to the Trustee for cancellation.

At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, transferred, redeemed, repurchased or canceled, such Global Note shall be returned by the Depositary to the Trustee for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, transferred in exchange for an interest in another Global Note, redeemed, repurchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Custodian, to reflect such reduction.

Section 2.14 Issuance of Additional Notes. The Issuer shall be entitled, from time to time, subject to its compliance with Sections 4.06 and 4.09 hereof, without consent of the Holders, to issue Additional Notes under this Indenture with identical terms as the Notes other than with respect to (i) the date of issuance, (ii) the issue price, (iii) the amount of interest payable on the first interest payment date, (iv) the first interest payment date and (v) any adjustments in order to conform to and ensure compliance with the Securities Act (or other applicable securities laws). Additional Notes will be part of the same issue as the Initial Notes for all purposes, including waivers, amendments, redemptions and offers to purchase. Any Additional Notes that are not fungible with the Initial Notes for U.S. federal income tax purposes will have a different CUSIP number or numbers, be represented by a different global note or notes and otherwise be treated as a separate class or classes of Notes for other purposes.

With respect to any Additional Notes, the Issuer shall set forth in an Officer's Certificate pursuant to a resolution of its Board of Directors, copies of which shall be delivered to the Trustee, the following information:

- (1) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (2) the issue price, the issue date and the CUSIP number of such Additional Notes; and
- (3) whether such Additional Notes shall be issued in the form of Rule 144A Global Notes, Regulation S Global Notes or a combination thereof.

Section 2.15 CUSIP Numbers. The Issuer in issuing the Notes may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided the Trustee shall have no liability for any defect in the CUSIP number as they appear on any Notes, notice or elsewhere; provided further that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuer shall promptly notify the Trustee in writing of any change in the “CUSIP” numbers.

Section 2.16 Defaulted Interest. If the Issuer defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest to the Persons who are Holders on a subsequent special record date, in each case at the rate equal to the then applicable interest rate on the Notes. The Issuer shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment, and at the same time the Issuer shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.16. The Issuer shall fix or cause to be fixed each such special record date and payment date; provided that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Issuer shall promptly notify the Trustee of any such special record date. At least 15 days before the special record date, the Issuer (or, upon the written request of the Issuer, the Trustee in the name and at the expense of the Issuer) shall mail or cause to be mailed, first-class postage prepaid, to each Holder a notice at his or her address as it appears in the Holders list specified in Section 2.05 that states the special record date, the related payment date and the amount of such interest to be paid. Notwithstanding the foregoing, any interest which is paid prior to the expiration of the 30-day period set forth in Section 6.01(1) shall be paid to Holders as of the record date for the Interest Payment Date (as defined in Exhibit A hereto) for which interest has not been paid.

Section 2.17 Maturity Date. The Notes will mature on the Maturity Date.

### ARTICLE III.

#### REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee. If the Issuer elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 10 days but not more than 60 days before a Redemption Date (unless a shorter notice period shall be satisfactory to the Trustee), except that such certificate may be given more than 60 days prior to a Redemption Date if the certificate is issued in connection with a defeasance or covenant defeasance of the Notes or a satisfaction and discharge of this Indenture, an Officer’s Certificate setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the Redemption Date;

- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

The Trustee may conclusively rely upon and will accept such Officer's Certificate and sufficient evidence of the satisfaction of the conditions precedent described above.

Section 3.02 Selection of Notes to be Redeemed or Purchased. If the Issuer is redeeming less than all of the Notes, the Trustee will select the Notes to be redeemed on a *pro rata* basis to the extent practicable, or, if a *pro rata* basis is not practicable or permitted for any reason, by lot or by such other method as may be prescribed by DTC's applicable procedures. No Notes of the Minimum Denomination or less may be redeemed in part.

(a) In the event of partial redemption or purchase, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 10 days nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

(b) With respect to Notes represented by certificated notes, the Issuer will issue a new Note in a principal amount equal to the unredeemed portion of the original Note in the name of the Holder upon cancellation of the original Note; provided that new Notes will only be issued in the Minimum Denomination and integral multiples of \$1,000 in excess thereof. Notes called for redemption become due on the date fixed for redemption, unless such redemption is conditioned on the happening of one or more future events or conditions precedent. On the applicable Redemption Date, interest will cease to accrue on Notes called for redemption.

(c) The Trustee will promptly notify the Issuer in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of the Minimum Denomination or whole multiples of \$1,000 in excess thereof; except that Notes of the Minimum Denomination or less shall be redeemed in whole and not in part and if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Redemption. At least 10 days but not more than 60 days before the applicable Redemption Date, the Issuer shall deliver electronically or mail or cause to be mailed, by first-class mail, postage prepaid (or otherwise delivered in accordance with the procedures of the Depositary), a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, with a copy to the Trustee; provided that redemption notices may be delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture. Failure to give notice of redemption or any defect therein to any Holder selected for redemption shall not impair

or affect the validity of the redemption of any other Note redeemed in accordance with the provisions of this Indenture.

The notice will identify the Notes to be redeemed and will state:

- (1) the Redemption Date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note; provided, however, in the case of a Global Note, an appropriate notation will be made on such Global Note to decrease the principal amount thereof to an amount equal to the unredeemed portion of the principal amount thereof;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Issuer defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
- (7) the paragraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- (8) the CUSIP number of each Note to be redeemed and the statement in Section 2.15 hereof;
- (9) if such redemption is subject to the satisfaction or waiver of one or more conditions precedent, the related notice shall describe each such condition, and if applicable, shall state that, in the Issuer's discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied or waived (including to a date later than 60 days after the date on which such notice was mailed or delivered electronically), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the Redemption Date, or by the Redemption Date as so delayed, or such notice may be rescinded at any time in the Issuer's discretion if in the judgment of the Issuer any or all of such conditions will not be satisfied or waived; and
- (10) if the Issuer designates another Person to pay the redemption price and perform its obligations with respect to such redemption, notice that payment of the redemption price and performance of the Issuer's obligations with respect to such redemption will be performed in accordance with the terms of this Indenture by such designated Person, which Person shall be identified by the Issuer in such notice.

At the Issuer's request, the Trustee will give the notice of redemption in the Issuer's name and at its expense; provided, however, that the Issuer has delivered to the Trustee, at least five Business Days prior to the mailing date of such notice, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 Effect of Notice of Redemption. Once a notice of redemption is mailed in accordance with Section 3.03 hereof, subject to the terms of such notice of redemption (including any conditions contained therein), the portion of the principal amount of the Notes called for redemption will become due and payable on the Redemption Date at the redemption price. The notice, if mailed or delivered in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to give such notice by mail or electronically (for Global Notes) or any defect in the notice to the Holder of any Note designated for redemption in whole or in part shall not affect the validity of the proceedings for the redemption of any other Note.

Section 3.05 Deposit of Redemption or Purchase Price. Prior to 10:00 a.m. Eastern Time on the redemption or purchase date, the Issuer shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly, and in any event within two Business Days after the redemption or purchase date, return to the Issuer any money deposited with the Trustee or the Paying Agent by the Issuer in excess of the amounts necessary to pay the redemption or purchase price of and accrued interest, if any, on all Notes to be redeemed or purchased.

If the Issuer complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Issuer to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 Notes Redeemed or Purchased in Part. Upon surrender of a Note that is redeemed or purchased in part, the Issuer shall issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Issuer a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered; provided that each new Note will be in a principal amount of the Minimum Denomination or an integral multiple of \$1,000 in excess thereof.

Section 3.07 Optional Redemption.

(a) At any time and from time to time prior to January 15, 2029, the Issuer may, at its option, on one or more occasions, redeem up to 40% of the aggregate principal amount of

the Notes originally issued under this Indenture (calculated after giving effect to any issuance of Additional Notes) at a redemption price equal to 108.500% of the aggregate principal amount thereof, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of Notes of record on the relevant record date to receive interest due on the relevant interest payment date, with the net cash proceeds received by the Parent Guarantor of one or more Equity Offerings; provided that at least 50% of the aggregate principal amount of the Notes originally issued under this Indenture (calculated after giving effect to any issuance of Additional Notes) remains outstanding immediately after the occurrence of each such redemption; provided further that each such redemption occurs within 180 days of the date of closing of each such Equity Offering.

(b) At any time and from time to time prior to January 15, 2029, the Issuer may redeem all or part of the Notes at its option, upon not less than 10 days nor more than 60 days' prior notice at a redemption price equal to 100% of the principal amount of Notes redeemed plus the relevant Applicable Premium as of, and accrued and unpaid interest, if any, to, but excluding the applicable redemption date (the "Redemption Date"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date.

(c) At any time and from time to time on or after January 15, 2029, the Issuer may redeem the Notes, in whole or in part, upon not less than 10 days nor more than 60 days' prior notice at the redemption prices (expressed as percentage of the principal amount of the Notes to be redeemed) set forth below, plus accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date, if redeemed beginning on January 15 of the years indicated below:

Period	Percentage
2029	104.250%
2030	102.125%
2031 and thereafter	100.000%

(d) Notice of any redemption may be given prior to the completion of any offering or other corporate transaction, and any redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including the completion of the related offering or corporate transaction.

(e) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

(f) If the Redemption Date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest will be paid to the Person in whose name the Note is registered at the close of business on such record date, and no additional interest will be payable to Holders in respect of whose Notes will be subject to redemption by the Issuer.

(g) The Issuer may provide that payment of the redemption price and performance of the Issuer's obligations with respect to any redemption permitted hereunder may be performed by another Person designated by the Issuer in the applicable redemption notice (including any third party making a tender offer described in Sections 3.07(d), respectively); provided that any such payment or performance occurs in accordance with this Indenture and no such designation shall relieve the Issuer from making such payment or performing such obligations if such other Person so designated fails to do the same in accordance with this Indenture.

Section 3.08 Mandatory Redemption; Sinking Fund. The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes. The Issuer and its Affiliates may at any time and from time to time purchase Notes in the open market, by tender offer, negotiated transactions or otherwise. However, under certain circumstances, the Issuer may be required to offer to purchase Notes for cash as described in Sections 4.07 and 4.10 hereof.

Section 3.09 Offer to Purchase by Application of Excess Proceeds.

(a) In the event that, pursuant to Section 4.07 hereof, the Parent Guarantor is required to commence an Asset Disposition Offer, it will follow the procedures specified below.

(b) The Asset Disposition Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "Offer Period"). No later than three Business Days after the termination of the Offer Period (the "Purchase Date"), the Parent Guarantor shall apply all Excess Proceeds (the "Offer Amount") to the purchase of the Notes and Senior Indebtedness, as applicable, permitted to be repurchased pursuant to Section 4.07 hereof or, if less than the Offer Amount has been validly tendered and not withdrawn, all Notes and Senior Indebtedness, as applicable, validly tendered and not properly withdrawn in response to the Asset Disposition Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made. Upon completion of any Asset Disposition Offer, the amount of Excess Proceeds shall be reset to zero.

(c) If the Purchase Date is on or after an interest record date and on or before the related interest payment date, the accrued and unpaid interest, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who validly tender (and do not validly withdraw) Notes pursuant to the Asset Disposition Offer.

(d) Upon the commencement of an Asset Disposition Offer, the Parent Guarantor will deliver electronically or mail or cause to be mailed, by first-class mail, postage prepaid (or otherwise delivered in accordance with the procedures of the Depositary) notice of such Asset Disposition Offer, with a copy to the Trustee, to each Holder of Notes at the address of such Holder appearing in the Holders list specified in Section 2.05 hereof or otherwise in accordance with the procedures of the Depositary. The notice, which will govern the terms of the Asset Disposition Offer, will state:

- (1) that the Asset Disposition Offer is being made pursuant to this Section 3.09 and Section 4.07 hereof and the length of time the Asset Disposition Offer will remain open;
- (2) the Offer Amount, the purchase price, and the Purchase Date;
- (3) that any Note not properly tendered or accepted for payment will continue to accrue interest;
- (4) that, unless the Parent Guarantor defaults in making such payment, any Note accepted for payment pursuant to the Asset Disposition Offer will cease to accrue interest after the Purchase Date;
- (5) that Holders electing to have a Note purchased pursuant to an Asset Disposition Offer may elect to have Notes purchased in denominations of \$200,000 or an integral multiple of \$1,000 in excess thereof; provided that any unpurchased portion of a Note must be in a minimum denomination of \$200,000;
- (6) that Holders electing to have Notes purchased pursuant to any Asset Disposition Offer will be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” attached to the Notes completed, or transfer by book-entry transfer, to the Issuer, the Parent Guarantor, a Depositary, if appointed by the Issuer or the Parent Guarantor, or a Paying Agent at the address specified in the notice at least three Business Days before the Purchase Date;
- (7) that Holders will be entitled to withdraw their election if the Issuer, the Parent Guarantor, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a .pdf attachment, facsimile transmission or letter or, in the case of Notes in global form, notice through the Depositary’s system, setting forth the name of the Holder, the principal amount of the Notes the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (8) that, if the aggregate principal amount of Notes and Senior Indebtedness, as applicable, surrendered by holders thereof exceeds the Offer Amount (subject to the requirements of Sections 4.07(c) and (d) hereof), the Parent Guarantor shall select the Notes and Senior Indebtedness, as applicable, to be purchased on a pro rata basis based on the principal amount of Notes and such Senior Indebtedness surrendered, in accordance with this Section 3.09 and Sections 4.07(c) and (d) hereof or the agreements governing such Senior Indebtedness, as applicable, and in minimum denominations of \$200,000 and in integral multiples of \$1,000 in excess thereof; provided that any unpurchased portion of a Note must be in a minimum denomination of \$200,000; and
- (9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(e) On or before the Purchase Date, the Parent Guarantor shall, to the extent lawful, accept for payment, the Offer Amount of Notes or portions thereof validly tendered and not withdrawn pursuant to the Asset Disposition Offer, or if less than the Offer Amount has been validly tendered, all Notes validly tendered and not withdrawn, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating that such Notes or portions thereof were accepted for payment by the Parent Guarantor in accordance with the terms of this Section 3.09.

(f) The Issuer shall promptly issue a new Note, and the Trustee, upon receipt of an Authentication Order request from the Issuer, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered; provided that each such new Note shall be in a principal amount of \$200,000 or an integral multiple of \$1,000 in excess thereof. Any Note not so accepted shall be promptly mailed or delivered by the Issuer to the Holder thereof. The Parent Guarantor shall publicly announce the results of the Asset Disposition Offer on the Purchase Date.

(g) Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

**Section 3.10     Additional Redemptions and Repurchases.** Notwithstanding anything to the contrary in this Article III, in connection with any tender offer for all of the outstanding Notes (including pursuant to a Change of Control Offer or Alternate Offer), if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such a tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the tender offer payment, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

## ARTICLE IV.

### COVENANTS

**Section 4.01     Payment of Notes.** The Issuer shall pay or cause to be paid the principal of, premium on, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest, if any, will be considered paid on the date due if the Paying Agent, if other than the Issuer or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Issuer in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due. Such Paying Agent shall return to the Issuer promptly, and in any event, no later than three Business Days following the date of payment, any funds (including accrued interest) that exceeds such amount of principal, premium, if any, and interest paid on the Notes. If a payment date is a Legal Holiday at a place of payment, payment may be made at that place on the next succeeding day that is not a Legal Holiday.

The Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 Maintenance of Office or Agency. The Issuer shall maintain an office or agency (which may be an office of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar or Transfer Agent) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuer fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee; provided that the Trustee shall not be deemed an agent of the Issuer for service of legal process.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuer shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Issuer hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Issuer in accordance with Section 2.03 hereof.

Section 4.03 Reports.

(a) So long as any Notes are outstanding, the Parent Guarantor and the Issuer shall provide the Trustee, the holders of Notes and potential purchasers of Notes:

(1) within 120 days after the end of the Parent Guarantor's fiscal year, annual reports containing the following information with a level of detail that is substantially comparable and similar in scope to the Offering Memorandum: (a) audited consolidated balance sheet of the Parent Guarantor as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Parent Guarantor for the two most recent fiscal years, including complete footnotes to such financial statements and the report of the independent auditors on the financial statements; (b) pro forma income statement and balance sheet information, together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the most recently completed fiscal year as to which such annual report relates; (c) an operating and financial review of the audited financial statements, including a discussion of the results of operations, financial condition and liquidity and capital resources, and a discussion of material commitments and contingencies and critical accounting policies; (d) a description of the industry, business and management of the Parent Guarantor, Indebtedness and material financing arrangements and a description of

all material contractual arrangements, including material debt instruments; and (e) material changes to risk factors and recent developments;

(2) within 90 days following the end of each of the first, second and third fiscal quarter in each fiscal year of the Parent Guarantor, a quarterly report containing the following information: (a) an unaudited condensed consolidated balance sheet as of the end of such period and unaudited condensed statements of income and cash flow for the year-to-date period ending on the unaudited condensed balance sheet date, and the comparable prior year period for the Parent Guarantor, together with condensed footnote disclosure; and (b) an operating and financial review of the unaudited financial statements, including a discussion of the consolidated financial condition and results of operations of the Parent Guarantor and any material change between the current quarter and the corresponding period of the prior year; and

(3) within ten days following the occurrence of an event directly concerning the Parent Guarantor and its Subsidiaries that the Parent Guarantor determines in its good faith judgment is material to holders of the Notes, a report containing a description of such event. Subject to the preceding sentence, such events shall include (1) the entry into and the consummation or termination of definitive material agreements to which the Parent Guarantor or any of its Restricted Subsidiaries is a party, (2) material impairments to the Parent Guarantor's consolidated assets, (3) changes in the Parent Guarantor's independent public accountants, (4) determinations by the Parent Guarantor's management that the Parent Guarantor's previously issued financial statements or related audit reports should no longer be relied upon, and (5) the departure of members of the Parent Guarantor's Board of Directors, the election of new members of the Parent Guarantor's Board of Directors and the departure or appointment of the Parent Guarantor's chief executive officer (it being understood, in each case, that any such report shall not mean ipso facto that such event is material to holders);

provided that for so long as the shares of the Parent Guarantor (or any successor of the Parent Guarantor) are listed on the London Stock Exchange or the New York Stock Exchange and admitted to trading on any of the applicable markets of the London Stock Exchange or New York Stock Exchange or the Parent Guarantor is otherwise subject to the reporting requirements under Section 13 or 15(d) of the Exchange Act applicable to domestic registrants, (a) any reports required by clause (1), (2) or (3) of this Section 4.03(a) will only have to be provided to the extent required under the applicable listing rules of the London Stock Exchange (including any applicable rules of the U.K. Financial Conduct Authority) or the applicable rules and regulations of the SEC (including the reporting requirements under Section 13 or 15(d) of the Exchange Act applicable to domestic registrants) and (b) the Parent Guarantor and the Issuer will be deemed to have satisfied their reporting obligations under clauses (1), (2) and (3) of this Section 4.03(a) if the Parent Guarantor has complied with the applicable listing rules of the London Stock Exchange (including any applicable rules of the U.K. Financial Conduct Authority) or the applicable rules and regulations of the SEC (including the reporting requirements under Section 13 or 15(d) of the Exchange Act applicable to domestic registrants).

The Parent Guarantor will hold a conference call for the holders, prospective investors in the Notes, broker dealers, securities analysts and market makers to discuss such financial

information described in clauses (1) and (2) of this Section 4.03(a) no later than ten Business Days after posting the annual financial information and the quarterly financial information described above; it being understood that such obligations shall be satisfied through the Parent Guarantor's customary earnings calls.

(b) Notwithstanding anything to the contrary herein, at any time that any of the Subsidiaries of the Parent Guarantor are Unrestricted Subsidiaries, then the quarterly and annual reports required by Section 4.03(a)(1) and 4.03(a)(2) will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in the operating and financial review or other comparable section, of the financial condition and results of operations of the Parent Guarantor and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Parent Guarantor.

(c) For purposes of this covenant, the Parent Guarantor and the Issuer will be deemed to have provided a required report to the Trustee and holders of the Notes if the Parent Guarantor or the Issuer has timely filed such report with the SEC via the EDGAR filing system (or any successor system) or made it available on a Company Website.

(d) In the event that any Parent of the Parent Guarantor becomes a Guarantor of the Notes, the Parent Guarantor may satisfy its obligations in this Section 4.03 with respect to financial information relating to the Parent Guarantor by furnishing the financial information relating to such Parent and its consolidated Subsidiaries (including the Parent Guarantor and its Restricted Subsidiaries); provided that, to the extent required by Rule 3-10 of Regulation S-X promulgated by the SEC, the same is accompanied by consolidating information that explains in reasonable detail the differences between the information relating to such Parent, on the one hand, and the information relating to the Parent Guarantor and its Restricted Subsidiaries on a standalone basis, on the other hand.

(e) To the extent not required to be published, filed or furnished in accordance with applicable law, any such information may be provided to holders of the Notes via a non-public, password protected website (a "Company Website") maintained by the Parent Guarantor, any direct or indirect parent of the Parent Guarantor, any Restricted Subsidiary or a third party to which access will be given to holders of the Notes, prospective investors in the Notes and securities analysts and market making financial institutions. Any Person who requests or accesses financial information required by this covenant and provided via a non-public website as set forth above will be required to provide its email address, employer name and represent to the Parent Guarantor that:

(1) it is a holder of the Notes, a beneficial owner of the Notes, a bona fide prospective investor in the Notes, a bona fide market maker in the Notes or a bona fide securities analyst providing an analysis of investment in the Notes;

(2) it will not use the information in violation of applicable securities laws or regulations;

(3) it will keep such provided information confidential; and

(4) it (a) will not use such information in any manner intended to compete with the business of the Parent Guarantor and its Subsidiaries and (b) is not a Person (which includes such Person's Affiliates) that (i) is principally engaged in a Similar Business or (ii) derives a significant portion of its revenues from operating or owning a Similar Business.

In addition, to the extent not satisfied by the information referred to in Section 4.03(a) hereof, the Parent Guarantor shall furnish to Holders and prospective investors in the Notes, upon their request, any information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act so long as the Notes are not freely transferable under the Securities Act by Persons who are not "affiliates" as defined under the Securities Act.

(f) To the extent any information required to be provided under clause (1) or (2) of Section 4.03(a) hereof is not so provided within the time periods specified above and such information is subsequently provided, the Parent Guarantor will be deemed to have satisfied its obligations with respect thereto at such time and any Default or Event of Default described in clause (3) of Section 6.01 hereof with respect thereto shall be deemed to have been cured from and after such time. The Trustee shall have no duty to review or analyze any reports furnished to it.

(g) Delivery of such reports, information and documents to the Trustee shall be for informational purposes only and the Trustee's receipt of such reports, information and documents shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's or the Parent Guarantor's compliance with any of the covenants contained in this Indenture (as to which the Trustee will be entitled to conclusively rely upon an Officer's Certificate). The Trustee shall not be obligated to monitor or confirm, on a continuing basis or otherwise, the Issuer's or the Parent Guarantor's compliance with the covenants or with respect to any reports or other documents filed with the SEC or EDGAR or any website, or participate in any conference calls.

#### Section 4.04 Compliance Certificate.

(a) The Parent Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year ending after the Issue Date, an Officer's Certificate stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Parent Guarantor and its Restricted Subsidiaries have complied with each and every condition and covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions, covenants and conditions of this Indenture (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action the Parent Guarantor is taking or propose to take with respect thereto).

(b) So long as any of the Notes are outstanding, the Parent Guarantor shall deliver to the Trustee, within 30 days after any Officer becomes aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Parent Guarantor is taking or proposes to take with respect thereto.

Section 4.05 Limitation on Restricted Payments.

(a) The Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries, directly or indirectly, to:

(1) declare or pay any dividend or make any distribution on or in respect of the Parent Guarantor's or any Restricted Subsidiary's Capital Stock (including any payment in connection with any merger or consolidation involving the Parent Guarantor or any of its Restricted Subsidiaries) except:

(x) dividends or distributions payable in Capital Stock of the Parent Guarantor (other than Disqualified Stock) or in options, warrants or other rights to purchase such Capital Stock; and

(y) dividends or distributions payable to any of the Parent Guarantor or a Restricted Subsidiary (and, in the case of the Parent Guarantor or any such Restricted Subsidiary making such dividend or distribution, to holders of its Capital Stock other than the Parent Guarantor or another Restricted Subsidiary on no more than a pro rata basis);

(2) purchase, repurchase, redeem, retire or otherwise acquire or retire for value any Capital Stock of the Parent Guarantor or any Parent of the Parent Guarantor held by Persons other than the Parent Guarantor or a Restricted Subsidiary;

(3) purchase, repurchase, redeem, defease or otherwise acquire or retire for value, prior to scheduled maturity, scheduled repayment or scheduled sinking fund payment, any Subordinated Indebtedness (other than (a) any such purchase, repurchase, redemption, defeasance or other acquisition or retirement in anticipation of satisfying a sinking fund obligation, principal installment or final maturity, in each case, due within one year of the date of purchase, repurchase, redemption, defeasance or other acquisition or retirement, or (b) any Indebtedness Incurred pursuant to clause (3) of Section 4.06(b) hereof); or

(4) make any Restricted Investment

(any such dividend, distribution, purchase, redemption, repurchase, defeasance, other acquisition, retirement or Restricted Investment referred to in clauses (1) through (4) of this Section 4.05(a) are referred to herein as a "Restricted Payment"), if at the time the Parent Guarantor or such Restricted Subsidiary makes such Restricted Payment:

(A) an Event of Default under Section 6.01(1), (2) or (5) hereof shall have occurred and be continuing (or would result immediately thereafter therefrom);

(B) solely in the case of any Restricted Payment described under clause (1) or (2) of this Section 4.05(a), the Parent Guarantor is not able to Incur an additional \$1.00 of Indebtedness pursuant to the test set forth in Section 4.06(a) hereof after giving effect, on a Pro Forma Basis, to such Restricted Payment; or

(C) the sum of (x) the aggregate amount of such Restricted Payment and all other Restricted Payments made subsequent to the Existing Notes Issue Date (and not returned or rescinded) (including Permitted Payments permitted by clauses (1) (without duplication of the declaration of the dividend or delivery of a redemption notice), (10) and (17) of Section 4.05(a), but excluding all other Restricted Payments permitted by Section 4.05(a)) plus (y) the aggregate principal amount of all Indebtedness incurred under Section 4.06(b)(16)(x) hereof then outstanding, would exceed the sum of (without duplication):

(i) 50% of Consolidated Net Income for the period (treated as one accounting period) from January 1, 2022 to the end of the most recent fiscal quarter ending prior to the date of such Restricted Payment for which internal financial statements of the Parent Guarantor are available (which may not be less than zero);

(ii) 100% of the aggregate Net Cash Proceeds, and the fair market value of property or assets or marketable securities, received by the Parent Guarantor from the issue or sale of its Capital Stock (other than Disqualified Stock) or as the result of a merger or consolidation with another Person subsequent to the Existing Notes Issue Date or otherwise contributed to the equity (other than through the issuance of Disqualified Stock) of the Parent Guarantor subsequent to the Existing Notes Issue Date (other than (x) Net Cash Proceeds or property or assets or marketable securities received from an issuance or sale of such Capital Stock to a Restricted Subsidiary or an employee stock ownership plan or trust established by a Parent or any Subsidiary of a Parent for the benefit of the employees of the Parent Guarantor or any of its Restricted Subsidiaries to the extent funded, directly or indirectly, by the Parent Guarantor or any of its Restricted Subsidiaries, (y) Net Cash Proceeds or property or assets or marketable securities to the extent that any Restricted Payment has been made from such proceeds in reliance on clause (6) of Section 4.05(a) hereof and (z) Excluded Contributions);

(iii) 100% of the aggregate Net Cash Proceeds, and the fair market value of property or assets or marketable securities, received by the Parent Guarantor or any Restricted Subsidiary from the issuance or sale (other than to the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor or an employee stock ownership plan or trust established by a Parent or any Subsidiary of a Parent for the benefit of the employees of the Parent Guarantor or any of its Restricted Subsidiaries to the extent funded, directly or indirectly, by the Parent Guarantor or any of its Restricted Subsidiaries) by the Parent Guarantor or any Restricted Subsidiary subsequent to the Existing Notes Issue Date of any Indebtedness that has been converted into or exchanged for Capital Stock of the Parent Guarantor (other than Disqualified Stock) plus, without duplication, the amount of any cash, and the fair market value of property or assets or marketable securities, received by the Parent Guarantor or any Restricted Subsidiary upon such conversion or exchange;

(iv) 100% of the aggregate amount received in cash and the fair market value of marketable securities or other property received by means of: (i) the sale or other disposition (other than to the Parent Guarantor or a Restricted Subsidiary) of Restricted Investments made by the Parent Guarantor or its Restricted Subsidiaries and repurchases and redemptions of such Restricted Investments from the Parent Guarantor or its Restricted Subsidiaries and repayments of loans or advances, and releases of guarantees, which constitute Restricted Investments by the Parent Guarantor or its Restricted Subsidiaries, in each case after the Existing Notes Issue Date; or (ii) the sale (other than to the Parent Guarantor or a Restricted Subsidiary) of the stock of an Unrestricted Subsidiary or a distribution from an Unrestricted Subsidiary (other than (x) in each case to the extent of the amount of the Investment that constituted a Permitted Investment or (y) in the case such distribution was made pursuant to clause (13) of Section 4.05(a) hereof) or a dividend from an Unrestricted Subsidiary after the Existing Notes Issue Date; and

(v) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger or consolidation of an Unrestricted Subsidiary into the Parent Guarantor or a Restricted Subsidiary or the transfer of all or substantially all of the assets of an Unrestricted Subsidiary to the Parent Guarantor or a Restricted Subsidiary after the Existing Notes Issue Date, the fair market value of the Investment in such Unrestricted Subsidiary (or the assets transferred), as determined in good faith by the Parent Guarantor at the time of the redesignation of such Unrestricted Subsidiary as a Restricted Subsidiary or at the time of such merger or consolidation or transfer of assets (after taking into consideration any Indebtedness associated with the Unrestricted Subsidiary so designated or merged or consolidated or Indebtedness associated with the assets so transferred), other than to the extent of the amount of the Investment that constituted a Permitted Investment.

(b) The foregoing provisions will not prohibit any of the following (collectively, “Permitted Payments”):

(1) (A) the payment of any dividend or distribution within 60 days after the date of declaration thereof, if at such date of declaration, such payment would have complied with the provisions of this Indenture or (B) the redemption, repurchase or retirement of Indebtedness if, at the date of any irrevocable redemption notice, such payment would have complied with the provisions of this Indenture as if it were, and is deemed at such time to be, a Restricted Payment at the time of such notice;

(2) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Stock or Subordinated Indebtedness made by exchange (including any such exchange pursuant to the exercise of a conversion right or privilege in connection with which cash is paid in lieu of the issuance of fractional shares) for, or out of the proceeds of the substantially concurrent sale of, Capital Stock of the Parent Guarantor (other than Disqualified Stock) (“Refunding Capital Stock”) or a substantially concurrent contribution to the equity (other than through the issuance of Disqualified Stock or through

an Excluded Contribution) of the Parent Guarantor; provided, however, that to the extent so applied to make a Restricted Payment pursuant to this clause (2), the Net Cash Proceeds, or fair market value of property or assets or of marketable securities, from such sale of Capital Stock or such contribution will be excluded from clause (C) of Section 4.05(a) hereof;

(3) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness made by exchange for, or out of the proceeds of the substantially concurrent sale of, Refinancing Indebtedness permitted to be Incurred pursuant to Section 4.06 hereof;

(4) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Preferred Stock of the Parent Guarantor or a Restricted Subsidiary made by exchange for or out of the proceeds of the substantially concurrent sale of Preferred Stock (other than an issuance of Disqualified Stock of the Parent Guarantor or Preferred Stock of a Restricted Subsidiary to replace Preferred Stock (other than Disqualified Stock) of the Parent Guarantor) of the Parent Guarantor or a Restricted Subsidiary, as the case may be, that, in each case, is permitted to be Incurred pursuant to Section 4.06 hereof;

(5) any purchase, repurchase, redemption, defeasance or other acquisition or retirement of Subordinated Indebtedness or Disqualified Stock or Preferred Stock of a Restricted Subsidiary:

(A) to the extent required by the agreement or the certificate of designation, as the case may be, governing such Subordinated Indebtedness, Disqualified Stock or Preferred Stock, from Net Available Cash to the extent permitted under Section 4.07 hereof, but only if the Issuer shall have first complied with the terms of Section 4.07 hereof and purchased all Notes tendered pursuant to any offer to repurchase all the Notes required thereby, prior to purchasing, repurchasing, redeeming, defeasing or otherwise acquiring or retiring such Subordinated Indebtedness, Disqualified Stock or Preferred Stock;

(B) to the extent required by the agreement or the certificate of designation, as the case may be, governing such Subordinated Indebtedness, Disqualified Stock or Preferred Stock, following the occurrence of a Change of Control (or other similar event described therein as a “change of control”), but only if the Parent Guarantor shall have first complied with Section 4.10 hereof and purchased all Notes tendered pursuant to the offer to repurchase all the Notes required thereby, prior to purchasing, repurchasing, redeeming, defeasing or otherwise acquiring or retiring such Subordinated Indebtedness, Disqualified Stock or Preferred Stock; or

Restricted Subsidiary or (y) otherwise in connection with or contemplation of such acquisition);

(6) a Restricted Payment to pay for the repurchase, retirement or other acquisition or retirement for value of Capital Stock (other than Disqualified Stock) of the Parent Guarantor or any of its Parents held by any future, present or former employee, officer, director, manager or consultant of the Parent Guarantor, any of its Subsidiaries or any of its Parents (or permitted transferees, assigns, estates, trusts or heirs of such employee, officer, director, manager or consultant) either pursuant to any management equity plan or stock option plan or any other management or employee benefit plan or agreement or upon the termination of such employee, officer, director, manager or consultant's employment, directorship or manager position; provided, however, that the aggregate Restricted Payments made under this Section 4.05(b)(6) in each fiscal year beginning with 2022 do not exceed \$40.0 million in any fiscal year (with unused amounts in any fiscal year ending after the Existing Notes Issue Date being carried over to succeeding fiscal years subject to a maximum of \$65.0 million in any fiscal year); provided further that such amount in any calendar year may be increased by an amount not to exceed:

(A) the cash proceeds from the sale of Capital Stock (other than Disqualified Stock) of the Parent Guarantor and, to the extent contributed to the capital of the Parent Guarantor (other than through the issuance of Disqualified Stock or an Excluded Contribution), Capital Stock of any of the Parent Guarantor's Parents, in each case to employees, officers, directors, managers or consultants of the Parent Guarantor, any of its Subsidiaries or any of its Parents that occurred after the Existing Notes Issue Date, to the extent the cash proceeds from the sale of such Capital Stock have not otherwise been applied to the payment of Restricted Payments by virtue of clause (C) of Section 4.05(a) hereof; plus

(B) the cash proceeds of key man life insurance policies received by the Parent Guarantor and its Restricted Subsidiaries after the Existing Notes Issue Date; *less*

(C) the amount of any Restricted Payments made in previous calendar years pursuant to clauses (6)(A) and (6)(B) of this Section 4.05(b);

and provided further that cancellation of Indebtedness owing to the Parent Guarantor or any Restricted Subsidiary from employees, officers, directors, managers or consultants of the Parent Guarantor or any of its Parents or Restricted Subsidiaries in connection with a repurchase of Capital Stock of the Parent Guarantor or any of its Parents will not be deemed to constitute a Restricted Payment for purposes of this Section 4.05 or any other provision of this Indenture;

(7) the declaration and payment of dividends on Disqualified Stock, or Preferred Stock of a Restricted Subsidiary, Incurred in accordance with the terms of Section 4.06 hereof;

(8) purchases, repurchases, redemptions, defeasances or other acquisitions or retirements of Capital Stock deemed to occur upon the exercise of stock options, warrants

(10) the declaration and payment by the Parent Guarantor of dividends on the common stock or common equity interests of the Parent Guarantor or any Parent following a public offering of such common stock or common equity interests, in an amount in any fiscal year not to exceed the greater of (a) 6.0% of the aggregate proceeds received by or contributed to the Parent Guarantor in or from all such public offerings or (b) an aggregate amount not to exceed 5.0% of the Parent Guarantor's Market Capitalization;

(11) payments by the Parent Guarantor, or loans, advances, dividends or distributions to any Parent to make payments, to holders of Capital Stock of the Parent Guarantor or any Parent in lieu of the issuance of fractional shares of such Capital Stock; provided, however, that any such payment, loan, advance, dividend or distribution shall not be for the purpose of evading any limitation of this Section 4.05 or otherwise to facilitate any dividend or other return of capital to the holders of such Capital Stock (as determined in good faith by the Parent Guarantor);

(12) the declaration and payment of dividends on Refunding Capital Stock that is Preferred Stock; provided, however, that as of the end of the most recently ended fiscal quarter for which internal financial statements are available immediately preceding the date of issuance of such Refunding Capital Stock, after giving effect to such issuance on a Pro Forma Basis, the Parent Guarantor would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the test set forth in Section 4.06(a) hereof;

(14) distributions or payments of Securitization Fees, sales contributions and other transfers of Securitization Assets and purchases of Securitization Assets pursuant to a Securitization Repurchase Obligation, in each case in connection with a Securitization;

(15) so long as no Event of Default has occurred and is continuing (or would result therefrom), Restricted Payments (including loans or advances), together with the aggregate principal amount of all Indebtedness Incurred under Section 4.08(b)(16)(y)

hereof then outstanding, in an aggregate amount outstanding at the time made not to exceed the greater of (a) \$100.0 million and (b) an amount equal to 1.5% of Total Assets at the time of the making of such Restricted Payment;

(16) any Restricted Payment that is made in accordance with clause (13), (14) or (16) of Section 4.08(b) hereof;

(17) mandatory redemptions of Preferred Stock issued as a Restricted Payment or as consideration for a Permitted Investment;

(18) any Restricted Payment that is necessary or advisable to comply with Regulatory Requirements;

(19) the making of other Restricted Payments if, at the time of the making of such Restricted Payment, and on a Pro Forma Basis (including the incurrence of any Indebtedness to finance such Restricted Payment and the application of the net proceeds thereof), the Consolidated Indebtedness to Consolidated Equity Ratio of the Parent Guarantor and its Restricted Subsidiaries would not exceed 1.50 to 1.00; and

(20) Restricted Payments that are made with Excluded Contributions.

(c) The amount of all Restricted Payments (other than cash) shall be the fair market value on the date of such Restricted Payment of the asset(s) or securities proposed to be paid, transferred or issued by the Parent Guarantor or such Restricted Subsidiary, as the case may be, pursuant to such Restricted Payment. The fair market value of any cash Restricted Payment shall be their face amount, and the fair market value of any non-cash Restricted Payment, property or assets other than cash shall be determined conclusively by the Parent Guarantor or Issuer acting in good faith.

For the avoidance of doubt, this Section 4.05 shall not restrict the making of any “AHYDO catch-up payment” with respect to, and required by the terms of, any Indebtedness of the Parent Guarantor or any Restricted Subsidiaries permitted to be incurred under the terms of this Indenture (or, in each case, any Refinancing Indebtedness with respect thereto).

For purposes of determining compliance with this covenant, in the event that a Restricted Payment or Investment (or portion thereof) meets the criteria of more than one of the categories of Permitted Payments described in the clauses above, or is permitted pursuant to the first paragraph of this covenant or one or more of the clauses contained in the definition of “Permitted Investment”, the Parent Guarantor or the Issuer will be entitled to divide or classify such Restricted Payment or Investment (or portion thereof) on the date of their payment or later divide, classify or reclassify in whole or in part in their sole discretion (based on circumstances existing on the date of such division, classification or reclassification) such Restricted Payment or Investment (or portion thereof) in any manner that complies with this covenant, including as an Investment pursuant to one or more of the clauses contained in the definition of “Permitted Investment”.

If the Parent Guarantor or a Restricted Subsidiary makes a Restricted Payment or an Investment which at the time of the making of such Restricted Payment or Investment, as applicable, would in the good faith determination of the Parent Guarantor be permitted under the provisions of this

Indenture, such Restricted Payment or Investment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments made in good faith to the Parent Guarantor's financial statements affecting Consolidated Net Income or Consolidated Indebtedness, Consolidated Equity or Total Assets of the Parent Guarantor for any period.

Section 4.06 Limitation on Indebtedness.

(a) The Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries to, incur any Indebtedness (including Acquired Indebtedness); provided, however, that the Parent Guarantor and any of its Restricted Subsidiaries (other than any Specified Permitted Services Entities) may incur Indebtedness if on the date of such Incurrence on a Pro Forma Basis (including *pro forma* application of the proceeds thereof), the Consolidated Indebtedness to Consolidated Equity Ratio of the Parent Guarantor and its Restricted Subsidiaries is not greater than 2.00 to 1.00.

(b) Section 4.06(a) will not prohibit the Incurrence of the following Indebtedness:

(A) any subsequent issuance or transfer of Capital Stock or any other event which results in any such Indebtedness being beneficially held by a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor; and

(B) any sale or other transfer of any such Indebtedness to a Person other than the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor,

in each case, shall be deemed to constitute an Incurrence of such Indebtedness by the Parent Guarantor or such Restricted Subsidiary, as the case may be, not permitted by this clause (3);

(4) Indebtedness represented by (a) the Notes (other than any Additional Notes), including any Guarantee thereof, (b) any Indebtedness (other than Indebtedness incurred pursuant to clauses (1) and (4)(a) of this Section 4.06(b)) outstanding on the Issue Date (including the 2026 Bonds and the Existing Notes and any guarantee of the 2026 Bonds and the Existing Notes, whether outstanding on the Issue Date or subsequently Incurred), (c) Refinancing Indebtedness Incurred in respect of any Indebtedness described in this clause (4) or clause (5) of this Section 4.06(b) (provided that if the Indebtedness being refinanced pursuant to this clause (c) is Indebtedness of a Permitted Services Group outstanding under subclauses (a)(i) or (b)(i) of clause (5) of this Section 4.06(b), such Refinancing Indebtedness shall also be Incurred by a Permitted Services Group), (6) or (9) of this Section 4.06(b) or Incurred pursuant to Section 4.06(a) hereof, and (d) Management Advances;

(5) Indebtedness of (x) the Parent Guarantor or any Restricted Subsidiary Incurred or issued to finance an acquisition or (y) Persons that are acquired by the Parent Guarantor or any Restricted Subsidiary or merged into or consolidated with the Parent Guarantor or a Restricted Subsidiary in accordance with the terms of this Indenture; provided that after giving effect to such acquisition, merger or consolidation, either

(A) (i) to the extent such Indebtedness is Indebtedness of a Permitted Services Group, the PSG Fixed Charge Coverage Ratio for such Permitted Services Group is greater than or equal to 2.00 to 1.00 and (ii) to the extent such Indebtedness is not Indebtedness of a Permitted Services Group, the Parent Guarantor would be permitted to Incur at least \$1.00 of additional Indebtedness pursuant to the test set forth in Section 4.06(a);

(B) (i) to the extent such Indebtedness is Indebtedness of a Permitted Services Group, the PSG Fixed Charge Coverage Ratio for such Permitted Services Group would not be lower than immediately prior to such acquisition, merger or consolidation and (ii) to the extent such Indebtedness is not Indebtedness of a Permitted Services Group, the Consolidated Indebtedness to Consolidated Equity Ratio of the Parent Guarantor and its Restricted Subsidiaries would not be greater than immediately prior to such acquisition, merger or consolidation; or

(C) such Indebtedness constitutes Acquired Indebtedness (other than Indebtedness Incurred in contemplation of the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Parent Guarantor or a Restricted Subsidiary); provided that the only obligors with respect to such Indebtedness shall be those Persons who were obligors of such Indebtedness prior to such acquisition, merger or consolidation;

(6) Hedging Obligations;

(7) Indebtedness represented by Capitalized Lease Obligations or Purchase Money Obligations in an aggregate outstanding principal amount which, when taken together with the principal amount of all other Indebtedness Incurred pursuant to this clause

(10) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this clause (10) and then outstanding, will not exceed 100% of the Net Cash Proceeds received by the Parent Guarantor from the issuance or sale (other than to a Subsidiary) of its Capital Stock (other than Disqualified Stock or an Excluded Contribution) or otherwise contributed to the equity (other than through the issuance of Disqualified Stock or an Excluded Contribution) of the Parent Guarantor, in each case, subsequent to the Existing Notes Issue Date; *provided, however,* that (i) any such Net Cash Proceeds that are so received or contributed shall not increase the amount available for making Restricted Payments to the extent the Parent Guarantor and its Restricted Subsidiaries Incur Indebtedness in reliance thereon and (ii) any Net Cash Proceeds that are so received or contributed shall be excluded for purposes of Incurring Indebtedness pursuant to this clause (10) to the extent the Parent Guarantor or any of its Restricted Subsidiaries make a Restricted Payment using such Net Cash Proceeds;

(11) Indebtedness consisting of promissory notes issued by the Parent Guarantor or any of its Restricted Subsidiaries to any current or former employee, director, manager or consultant of the Parent Guarantor, any of its Subsidiaries or any of its Parents (or permitted transferees, assigns, estates, or heirs of such employee, director, manager or consultant), to finance the purchase or redemption of Capital Stock of the Parent Guarantor or any of its Parents that is permitted by Section 4.05 hereof;

(13) (i) Permitted Securitization Indebtedness or (ii) Indebtedness arising out of or to fund purchases of all remaining outstanding asset backed securities of any Securitization Entity for the purpose of relieving the Parent Guarantor or a Restricted Subsidiary of the Parent Guarantor of the administrative expense or other burdens (as reasonably determined by the Parent Guarantor) of servicing such Securitization Entity;

(14) Indebtedness in an aggregate outstanding principal amount which, when taken together with any Refinancing Indebtedness in respect thereof and the principal amount of all other Indebtedness Incurred pursuant to this clause (14) and then outstanding, will not exceed the greater of (a) \$300.0 million and (b) an amount equal to 4.5% of Total Assets at the time of Incurrence;

(15) Indebtedness of the Parent Guarantor or a Restricted Subsidiary to the extent the net cash proceeds thereof are, substantially concurrently with the Incurrence thereof, applied (i) to redeem the Notes in full or (ii) to defease or discharge the Notes, in each case, in accordance with the terms of this Indenture;

(16) Indebtedness in an aggregate outstanding principal amount not to exceed at any time the aggregate amount of cash Restricted Payments which would be permitted to be made at such time by the Parent Guarantor under (x) Section 4.05(a)(C) hereof or (y) Section 4.05(b)(15) hereof at the time such Indebtedness is Incurred; and

(17) Indebtedness Incurred by any Permitted Services Group if on the date of such Incurrence on a Pro Forma Basis (including *pro forma* application of the proceeds thereof), the PSG Fixed Charge Coverage Ratio for such Permitted Services Group is greater than or equal to 2.00 to 1.00, and Refinancing Indebtedness Incurred by such Permitted Services Group with respect thereto (this clause (17) of this Section 4.06(b), the "PSG Debt Basket").

For purposes of determining compliance with, and the outstanding principal amount of any particular Indebtedness Incurred pursuant to and in compliance with, this Section 4.06:

(1) in the event that all or any portion of any item of Indebtedness meets the criteria of more than one of the types of Indebtedness described in the Sections 4.06(a) and 4.06(b) hereof, the Parent Guarantor, in its sole discretion, will classify such Indebtedness (or portion thereof) and only be required to include the amount and type of such Indebtedness in Section 4.06(a) or one of the clauses of Section 4.06(b) hereof;

(2) additionally, all or any portion of any item of Indebtedness may later be reclassified as having been Incurred pursuant to any type of Indebtedness described in Sections 4.06(a) and 4.06(b) so long as such Indebtedness is permitted to be Incurred pursuant to such provision and any related Liens are permitted to be Incurred at the time of reclassification;

(3) guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness that is otherwise included in the determination of a particular amount of Indebtedness shall not be included;

(4) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are Incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to Section 4.06(a) or clause (1), (8)(d) or (10) of Section 4.06(b) hereof and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, then such other Indebtedness shall not be included;

(5) the principal amount of any Disqualified Stock of the Parent Guarantor or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) and the liquidation preference thereof;

(6) Indebtedness permitted by this Section 4.06 need not be permitted solely by reference to one provision permitting such Indebtedness but may be permitted in part by one such provision and in part by one or more other provisions of this Section 4.06 permitting such Indebtedness; and

(7) the amount of Indebtedness issued at a price that is less than the principal amount thereof will be equal to the amount of the liability in respect thereof determined on the basis of U.S. GAAP.

(c) Accrual of interest, accrual of dividends, the accretion of accreted value, the accretion or amortization of original issue discount, the payment of interest in the form of additional Indebtedness, the payment of dividends in the form of additional shares of Preferred Stock or Disqualified Stock or the reclassification of commitments or obligations not treated as Indebtedness due to a change in U.S. GAAP, will not be deemed to be an Incurrence of Indebtedness for purposes of this Section 4.06. The amount of any Indebtedness outstanding as of any date shall be (a) the accreted value thereof in the case of any Indebtedness issued with original issue discount and (b) the principal amount of the Indebtedness, or liquidation preference thereof, in the case of any other Indebtedness.

(d) If at any time an Unrestricted Subsidiary becomes a Restricted Subsidiary, any Indebtedness of such Subsidiary shall be deemed to be Incurred by a Restricted Subsidiary of the Parent Guarantor as of such date (and, if such Indebtedness is not permitted to be Incurred as of such date under this Section 4.06, the Parent Guarantor shall be in default of this Section 4.06).

(e) Notwithstanding any other provision of this Section 4.06, (a) the maximum amount of Indebtedness that the Parent Guarantor or a Restricted Subsidiary may incur pursuant to this Section 4.06 shall not be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies and (b) any fluctuations in the value of the assets of a Similar Business as a result of changes in fair value or mark to market accounting shall not be deemed an Incurrence of Indebtedness for purposes of this Indenture.

(f) For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on, in the case of revolving credit debt, the relevant currency exchange rate in effect on the date such Indebtedness was first committed or first incurred (whichever yields the lower U.S. dollar equivalent) or, in the case of any other Indebtedness, first incurred; provided that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such Refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such Refinancing, such U.S. dollar-denominated restriction shall be deemed not to have exceeded so long as the principal amount of such Refinancing Indebtedness does not exceed (i) the principal amount of such Indebtedness being Refinanced plus (ii) the aggregate amount of fees, underwriting discounts, premiums (including tender premiums) and other costs and expenses (including original issue discount, upfront fees or similar fees) incurred in connection with such Refinancing; provided further that, at the option of the Parent Guarantor, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a foreign currency may be recalculated on the basis of the relevant currency exchange rate in effect on the date of Incurrence of any additional Indebtedness for purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness.

(g) The principal amount of any Indebtedness incurred to Refinance other Indebtedness, if incurred in a different currency from the Indebtedness being Refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such Refinancing. The principal amount of any non-interest bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Parent Guarantor dated such date prepared in accordance with U.S. GAAP.

(h) The Parent Guarantor will not, and will not permit any Subsidiary Guarantor or the Issuer to, directly or indirectly, incur any Indebtedness (including Acquired Indebtedness) that is subordinated or junior in right of payment to any Indebtedness of the Issuer or such Guarantor, as the case may be, unless such Indebtedness is expressly subordinated in right of payment to the Notes or such Guarantor's Guarantee to the extent and in the same manner as such Indebtedness is subordinated to other Indebtedness of the Issuer or such Guarantor, as the case may be.

Section 4.07 Limitation on Sales of Assets and Subsidiary Stock.

(a) The Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries to, make any Asset Disposition unless:

(1) the Parent Guarantor or such Restricted Subsidiary, as the case may be, receives consideration (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) at least equal to the fair market value (such fair market value to be determined in good faith by the Parent Guarantor on the date of contractually agreeing to such Asset Disposition) of the shares and assets subject to such Asset Disposition (including, for the avoidance of doubt, if such Asset Disposition is a Permitted Asset Swap); and

(2) in any such Asset Disposition, or series of related Asset Dispositions (except to the extent the Asset Disposition is a Permitted Asset Swap), at least 75% of the consideration from such Asset Disposition (including by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise) received by the Parent Guarantor or such Restricted Subsidiary, as the case may be, is in the form of cash or Cash Equivalents.

(b) The Parent Guarantor or any Restricted Subsidiary, as the case may be, shall apply an amount equal to 100% of the Net Available Cash from such Asset Disposition:

(1) within 450 days from the later of (x) the date of such Asset Disposition and (y) the receipt of such Net Available Cash:

(A) to prepay, repay, purchase or redeem any Secured Indebtedness of the Parent Guarantor, the Issuer or any of the Subsidiary Guarantors and (if applicable) to permanently reduce commitments with respect thereto;

(B) to prepay, repay, purchase or redeem any Senior Indebtedness of the Parent Guarantor, the Issuer or any of the Subsidiary Guarantors and (if applicable) to permanently reduce commitments with respect thereto; provided that the Parent Guarantor shall equally and ratably reduce (or offer to reduce, as applicable) obligations under the Notes; provided further that all reductions of obligations under the Notes shall be made as provided in Section 3.07 hereof or through open-market purchases (to the extent such purchases are at or above 100% of the principal amount thereof plus accrued and unpaid interest) or by making an offer (in accordance with the procedures set forth below for an Asset Disposition Offer) to all Holders of Notes to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Notes that would otherwise be prepaid;

(C) if the assets subject to such Asset Disposition are the property or assets of a Restricted Subsidiary that is not a Subsidiary Guarantor, to prepay, repay, purchase or redeem Indebtedness of a Restricted Subsidiary that is not a Subsidiary Guarantor, other than Indebtedness owed to the Parent Guarantor or any Restricted Subsidiary;

(D) to purchase the Notes through open market purchases (to the extent such purchases are at or above 100% of the principal amount thereof plus accrued and unpaid interest), or by making an offer (in accordance with the procedures set forth below for an Asset Disposition Offer) to all Holders of Notes to purchase their Notes at 100% of the principal amount thereof, plus the amount of accrued but unpaid interest, if any, on the amount of Notes that would otherwise be prepaid; or

(E) to redeem the Notes pursuant to Section 3.07 hereof;

(2) to the extent the Parent Guarantor or such Restricted Subsidiary elects, to invest in or commit to invest in Additional Assets (including Securitization Assets and by means of an investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Parent Guarantor or another Restricted Subsidiary) within 450 days from the later of (i) the date of such Asset Disposition and (ii) the receipt of such Net Available Cash; provided, however, that any such reinvestment in Additional Assets made pursuant to a definitive binding agreement or a commitment approved by the Board of Directors or the management of the Parent Guarantor that is executed or approved within such time will satisfy this requirement, so long as such investment is consummated within 180 days of such 450th day; or

(3) any combination of the foregoing;

provided that, pending the final application of any such Net Available Cash in accordance with clause (1), (2) or (3) of this Section 4.07(b), the Parent Guarantor and its Restricted Subsidiaries may temporarily reduce Indebtedness or otherwise use such Net Available Cash in any manner not otherwise prohibited by this Indenture; provided further that, in the case of clauses (2) and (3) above, a binding commitment entered into not later than the end of such 450-day period shall be treated as a permitted application of the Net Available Cash from the date of such commitment so long as the Parent Guarantor or such Restricted Subsidiary enters into such commitment with the good faith expectation that an amount equal to the Net Available Cash will be applied to satisfy such commitment within 180 days of the end of such 450-day period (an “Acceptable Commitment”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before an amount equal to the Net Available Cash is so applied, then the Parent Guarantor or such Restricted Subsidiary shall be permitted to apply an amount equal to the Net Available Cash in any manner set forth above before the expiration of such 180-day period and, in the event the Parent Guarantor or such Restricted Subsidiary fails to do so, then such Net Available Cash shall constitute Excess Proceeds.

(c) Any Net Available Cash from the Asset Disposition that is not invested or applied as provided and within the time period set forth in Section 4.07(b) will be deemed to constitute “Excess Proceeds”. When the aggregate amount of Excess Proceeds exceeds the greater of (x) \$125.0 million and (y) 2.0% of Total Assets (the “Excess Proceeds Threshold”), the Parent Guarantor shall make an offer to all Holders of the Notes and, if required by the terms of any Senior Indebtedness, ratably to the holders of such Senior Indebtedness (an “Asset Disposition Offer”), to purchase the maximum aggregate principal amount of the Notes and such Senior Indebtedness that is an integral multiple of \$1,000 (but in minimum amounts of the Minimum Denomination) that may be purchased with such Excess Proceeds at an offer

price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date fixed for the closing of such offer, and in the case of any Senior Indebtedness at the offer price required by the terms thereof but not to exceed 100% of the principal amount thereof, plus accrued and unpaid interest, if any, in each case in accordance with the procedures set forth in this Indenture. The Parent Guarantor will commence an Asset Disposition Offer with respect to Excess Proceeds within 10 Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by delivering the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. The Parent Guarantor may satisfy the foregoing obligations with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer with respect to such Net Available Cash prior to the expiration of the relevant 450-day period. Upon the completion of each Asset Disposition Offer (including a voluntary Asset Disposition Offer with respect to all Excess Proceeds even though less than the Excess Proceeds Threshold), the amount of Excess Proceeds shall be reset to zero.

(d) To the extent that the aggregate principal amount of Notes and such Senior Indebtedness, as the case may be, tendered pursuant to an Asset Disposition Offer is less than the Excess Proceeds, the Parent Guarantor and the Issuer may use any remaining Excess Proceeds for any purposes not otherwise prohibited under this Indenture. If the aggregate principal amount of Notes or Senior Indebtedness, as the case may be, surrendered by such holders thereof exceeds the amount of Excess Proceeds, such Notes or Senior Indebtedness, as the case may be, will be purchased on a pro rata basis based on the accreted value or principal amount of such Notes or Senior Indebtedness, as the case may be, tendered (and the Trustee or Registrar will select the tendered Notes of tendering holders on a *pro rata* basis, or such other basis in accordance with DTC procedures based on the amount of Notes tendered).

(e) The provisions under this Indenture relative to the Parent Guarantor's obligation to make an offer to repurchase the Notes as a result of an Asset Disposition may be waived or modified, prior to the occurrence of such Asset Disposition, with the written consent of the Holders of a majority in principal amount of the Notes of the applicable series then outstanding.

(f) To the extent that any portion of Net Available Cash payable in respect of the Notes is denominated in a currency other than U.S. dollars, the amount thereof payable in respect of the Notes shall not exceed the net amount of funds in U.S. dollars that is actually received by the Issuer, the Parent Guarantor or its Restricted Subsidiaries upon converting such portion into U.S. dollars.

(g) For the purposes of clause (2) of Section 4.07(a) hereof, the following will be deemed to be cash:

(1) the assumption by the transferee of Indebtedness or other liabilities contingent or otherwise of the Parent Guarantor or a Restricted Subsidiary (other than Subordinated Indebtedness of the Parent Guarantor, the Issuer or a Guarantor) and the release of the Parent Guarantor or such Restricted Subsidiary from all liability on such Indebtedness or other liability in connection with such Asset Disposition;

(2) securities, notes or other obligations received by the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor from the transferee that are converted by the Parent Guarantor or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of such Asset Disposition;

(3) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Disposition, to the extent that the Parent Guarantor and each other Restricted Subsidiary are released from any guarantee of payment of such Indebtedness in connection with such Asset Disposition, except to the extent that such guarantee of the Parent Guarantor or any such other Restricted Subsidiary that is a Guarantor is subordinated in right of payment to the Notes or such Guarantor's Guarantee;

(4) consideration consisting of Indebtedness of the Parent Guarantor (other than Subordinated Indebtedness) received after the Issue Date from Persons who are not the Parent Guarantor or any Restricted Subsidiary; and

(5) any Designated Non-Cash Consideration received by the Parent Guarantor or any Restricted Subsidiary in such Asset Dispositions having an aggregate fair market value, taken together with all other Designated Non-Cash Consideration received pursuant to this Section 4.07 that is at that time outstanding, not to exceed the greater of (a) \$125.0 million and (b) an amount equal to 2.0% of Total Assets (with the fair market value of each item of Designated Non-Cash Consideration being measured at the time received and without giving effect to subsequent changes in value).

(h) The Parent Guarantor will comply, to the extent applicable, with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to this Section 4.07.

#### Section 4.08 Limitation on Affiliate Transactions.

(a) The Parent Guarantor will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, enter into or conduct any transaction (including the purchase, sale, lease or exchange of any property or the rendering of any service) with any Affiliate of the Parent Guarantor (an "Affiliate Transaction") involving aggregate value in excess of \$25.0 million unless:

(1) the terms of such Affiliate Transaction, taken as a whole, are not materially less favorable to the Parent Guarantor or such Restricted Subsidiary than those that could be obtained in a comparable transaction with a Person who is not such an Affiliate; and

(2) in the event such Affiliate Transaction involves an aggregate value in excess of \$75.0 million, the terms of such transaction have been approved by a majority of the members of the Board of Directors of the Parent Guarantor or a duly appointed subcommittee thereof.

(b) Section 4.08(a) shall not apply to:

(1) any Restricted Payment permitted to be made pursuant to Section 4.05 hereof, any Permitted Payment or any Permitted Investment;

(2) any issuance or sale of Capital Stock, options, other equity-related interests or other securities, or other payments, awards or grants in cash, securities or otherwise pursuant to, or the funding of, or entering into, or maintenance of, any employment, consulting, collective bargaining or benefit plan, program, agreement or arrangement, related trust or other similar agreement and other compensation arrangements, options, warrants or other rights to purchase Capital Stock of the Parent Guarantor, any Restricted Subsidiary or any Parent, restricted stock plans, long-term incentive plans, stock appreciation rights plans, participation plans or similar employee benefits or consultants' plans (including valuation, health, insurance, deferred compensation, severance, retirement, savings or similar plans, programs or arrangements) or indemnities provided on behalf of officers, employees, directors, managers or consultants approved by the Board of Directors of the Parent Guarantor in the ordinary course of business;

(3) any Management Advances and any waiver or transaction with respect thereto;

(4) (a) any transaction between or among (i) the Parent Guarantor and any Restricted Subsidiary (or entity that becomes a Restricted Subsidiary as a result of such transaction) or (ii) the Restricted Subsidiaries or (b) transactions with Joint Ventures or Unrestricted Subsidiaries entered into in the ordinary course of business and consistent with past practice;

(5) the payment of compensation, reasonable fees and reimbursement of expenses to, and customary indemnities (including under customary insurance policies) and employee benefit and pension expenses provided on behalf of, directors, officers, consultants, managers or employees of the Parent Guarantor or any Restricted Subsidiary of the Parent Guarantor (whether directly or indirectly and including through any Person owned or controlled by any of such directors, officers, managers, consultants or employees) and including any such payment to a trust or similar entity in connection with payments under the Parent Guarantor's long-term incentive program;

(6) the entry into and performance of obligations of the Parent Guarantor or any of its Restricted Subsidiaries under the terms of any transaction arising out of, and any payments pursuant to or for purposes of funding, any agreement or instrument in effect as of or on the Issue Date, as these agreements and instruments may be replaced, amended, modified, supplemented, extended, renewed or refinanced from time to time in accordance with the other terms of this Section 4.08 or to the extent the terms thereof, taken as a whole, are not materially more disadvantageous to the Holders;

(7) any customary transaction with a Securitization Entity effected as part of a Securitization;

(8) transactions with customers, clients, suppliers or purchasers or sellers of goods or services, in each case in the ordinary course of business, which are fair to the Parent Guarantor or the relevant Restricted Subsidiary in the reasonable determination of the Board of Directors or the management of the Parent Guarantor or the relevant Restricted Subsidiary, or are on terms not materially less favorable, taken as a whole, than those that could reasonably have been obtained at such time from an unaffiliated party;

(9) any transaction between or among the Parent Guarantor or any Restricted Subsidiary and any Person that is an Affiliate of the Parent Guarantor or an Associate or similar entity solely because (i) the Parent Guarantor or a Restricted Subsidiary or any Affiliate of the Parent Guarantor or a Restricted Subsidiary or any Affiliate of any Permitted Holder owns an equity interest in or otherwise controls such Affiliate, Associate or similar entity or (ii) the Parent Guarantor or any Restricted Subsidiary has been appointed to manage the investments and assets of such Person;

(10) issuances or sales of Capital Stock (other than Disqualified Stock) of the Parent Guarantor or options, warrants or other rights to acquire such Capital Stock and the granting of registration and other customary rights in connection therewith or any contribution to the capital of the Parent Guarantor or any Restricted Subsidiary;

(11) transactions in which the Parent Guarantor or any Restricted Subsidiary, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to the Parent Guarantor or such Restricted Subsidiary from a financial point of view or meets the requirements of clause (1) of Section 4.08(a) hereof;

(12) the existence of, or the performance by the Parent Guarantor or any Restricted Subsidiary of its obligations under the terms of, any equityholders agreement (including any registration rights agreement or purchase agreements related thereto) to which it is party as of the Issue Date and any similar agreement that it may enter into thereafter; provided, however, that the existence of, or the performance by the Parent Guarantor or any Restricted Subsidiary of its obligations under any future amendment to the equityholders' agreement or under any similar agreement entered into after the Issue Date will only be permitted under this clause (12) to the extent that the terms of any such amendment or new agreement, taken as a whole, are not materially more disadvantageous to the Holders;

(13) the existence of, or the performance by the Parent Guarantor or any Restricted Subsidiary of its obligations under the terms of any arrangement or agreement with an Affiliate of the Parent Guarantor in connection with a Similar Business, which have been approved by the Board of Directors or the management of the Parent Guarantor acting in good faith;

(14) the transfer by the Parent Guarantor of all or substantially all of its assets to a Parent or Subsidiary so long as such transfer complies with the restrictions set forth in Section 5.01 hereof and does not result in a Change of Control;

(15) the obtaining of any licenses to use the intellectual property relating to the "Burford" mark and any related marks by the Parent Guarantor or any of its Subsidiaries in the ordinary course of business;

(16) any purchases by the Parent Guarantor's Affiliates of Indebtedness or Disqualified Stock of the Parent Guarantor or any of its Restricted Subsidiaries the majority of which Indebtedness or Disqualified Stock is purchased by Persons who are not the Parent Guarantor's Affiliates; provided that such purchases by the Parent Guarantor's Affiliates are on the same terms as such purchases by such Persons who are not the Parent Guarantor's Affiliates;

(17) the provision of Permitted Services by Affiliates to the Parent Guarantor not otherwise prohibited by this Indenture that are fair to the Parent Guarantor and its Restricted Subsidiaries (as otherwise determined in good faith by the Board of Directors or the management of the Parent Guarantor) or are on terms at least as favorable, taken as whole, as might reasonably have been obtained at such time from an unaffiliated party (as otherwise determined in good faith by the Board of Directors or the management of the Parent Guarantor);

(18) transactions in the ordinary course with Joint Ventures in which the Parent Guarantor or any Restricted Subsidiary holds or acquires an ownership interest (whether by way of Capital Stock or otherwise) so long as the terms of any such transactions are not materially less favorable, taken as a whole, to the Parent Guarantor or Restricted Subsidiary participating in such Joint Ventures than they are to the other Joint Venture partners; and

(19) transactions that are necessary or advisable to comply with Regulatory Requirements.

#### Section 4.09 Limitation on Liens.

(a) The Parent Guarantor and the Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist any Lien (except Permitted Liens) that secures obligations under any Indebtedness or any related guarantee of the Parent Guarantor, the Issuer or any Restricted Subsidiary, on any asset or property of the Parent Guarantor, the Issuer or any Restricted Subsidiary, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(1) in the case of any Liens securing Subordinated Indebtedness, the Notes and related Guarantees are secured by a Lien on such property, assets or proceeds that is senior in priority to such Liens; and

(2) in all other cases, the Notes or the Guarantees are equally and ratably secured, except that the foregoing shall not apply to or restrict Liens securing obligations in respect of the Notes and the related Guarantees.

(b) Any Lien created for the benefit of the Holders of the Notes pursuant to this covenant shall be deemed automatically and unconditionally released and discharged upon the release and discharge of each Lien (other than a release as a result of the enforcement of

remedies in respect of such Lien or the obligations secured by such Lien) that gave rise to the obligation to secure the Notes or such Guarantee pursuant to the immediately preceding paragraph.

(c) For purposes of determining compliance with this Section 4.09, (x) a Lien need not be Incurred solely by reference to one category of Permitted Liens, as applicable, but may be Incurred under any combination of such categories (including in part under one such category and in part under any other such category) and (y) in the event that a Lien (or any portion thereof) meets the criteria of one or more of such categories of Permitted Liens, the Issuer shall, in its sole discretion, divide, classify or may subsequently reclassify at any time such Lien (or any portion thereof) in any manner that complies with this Section 4.09 and the definition of “Permitted Liens”.

#### Section 4.10 Change of Control.

(a) If a Change of Control Triggering Event occurs (unless the Issuer has previously or concurrently mailed, or delivered electronically, a redemption notice with respect to all of the outstanding Notes as described in Section 3.07 hereof), the Issuer will make an offer to purchase all of the Notes (the “Change of Control Offer”) at a price in cash equal to 101% of the aggregate principal amount thereof (or such higher amount as the Issuer may determine (any Change of Control Offer at a higher amount, an “Alternate Offer”)) (such price, the “Change of Control Payment”) plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event, unless the Issuer has previously or concurrently mailed, or delivered electronically, a redemption notice with respect to all the outstanding Notes as described in Section 3.07 hereof, the Issuer will send notice of such Change of Control Offer by first-class mail, or electronic delivery, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Holders list specified in Section 2.05 or otherwise in accordance with the procedures of the Depositary, stating:

(1) that a Change of Control Offer is being made pursuant to the covenant entitled “Change of Control” under this Indenture and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuer;

(2) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is sent (the “Change of Control Payment Date”), except in the case of a conditional Change of Control Offer made in advance of a Change of Control Triggering Event as described in clause (8) below;

(3) that any Note not properly tendered will remain outstanding and continue to accrue interest;

(4) that, unless the Issuer defaults in the payment of the Change of Control Payment required to be made, all Notes accepted for payment pursuant to the Change of Control Offer will cease to accrue interest on the Change of Control Payment Date;

(5) that Holders of the Notes electing to have any Notes purchased pursuant to a Change of Control Offer will be required to surrender such Notes, with the form entitled "Option of Holder to Elect Purchase" on the reverse of such Notes completed, to the paying agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;

(6) that Holders of the Notes will be entitled to withdraw their tendered Notes and their election to require the Issuer to purchase such Notes; provided that the applicable paying agent receives, not later than the close of business on the expiration date of the Change of Control Offer, a telegram, telex, facsimile transmission, letter or, in the case of global notes, notice through the depositary's systems, setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes and its election to have such Notes purchased;

(7) the other instructions, as determined by the Issuer, consistent with this Section 4.10, that a Holder of Notes must follow; and

(8) if such notice is sent prior to the occurrence of a Change of Control Triggering Event, stating that the Change of Control Offer is conditional upon the occurrence of such Change of Control Triggering Event.

(b) On the Change of Control Payment Date, the Issuer shall, to the extent permitted by law:

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer (including an Alternate Offer),

(2) deposit with the applicable paying agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof properly tendered, and

(3) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee stating that such Notes or portions thereof have been tendered to, and purchased by, the Issuer.

The Paying Agent will promptly deliver (but in any case not later than five days after the Change of Control Payment Date) to each Holder of Notes validly tendered the Change of Control Payment for such Notes, and the Trustee will promptly, upon receipt of an Authentication Order, authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; provided that each such new Note shall be in a principal amount of the Minimum Denomination or an integral multiple of \$1,000 in excess thereof.

(c) Notwithstanding anything to the contrary contained in this Indenture, the Issuer shall not be required to make a Change of Control Offer (including an Alternate Offer) following a Change of Control Triggering Event if a third party makes the Change of Control Offer (including an Alternate Offer) in the manner, at the times and otherwise in compliance

with the requirements set forth in this Indenture applicable to a Change of Control Offer (including an Alternate Offer) made by the Issuer and purchases all Notes properly tendered and not withdrawn under such Change of Control Offer.

(d) Notwithstanding anything to the contrary contained in this Indenture, a Change of Control Offer (including an Alternate Offer) may be made in advance of a Change of Control Triggering Event, conditional upon such Change of Control Triggering Event, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(e) The Issuer shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer.

(f) Other than as specifically provided in this Section 4.10, any purchase pursuant to this Section 4.10 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06 hereof, and references therein to “redeem,” “redemption,” “redemption date” and similar words shall be deemed to refer to “purchase,” “repurchase,” “Change of Control Payment Date” and similar words, as applicable.

**Section 4.11 Future Guarantees.** In the future, each Non-Guarantor Subsidiary that is a Restricted Subsidiary (other than any Securitization Entity or any Specified Permitted Services Entity) that (a) incurs or guarantees any Indebtedness under the Existing Notes, or (b) guarantees other Indebtedness for borrowed money of the Issuer or the Parent Guarantor in an aggregate principal amount in excess of \$20.0 million, will guarantee the Notes by executing a supplemental indenture, except that Burford Capital Finance and Burford Capital PLC will not be required to become guarantors of the Notes by virtue of their issuance or guarantee, as applicable, of the 2026 Bonds or the Existing Notes unless the Existing Note Subsidiary Guarantee Release does not occur by April 1, 2026.

**Section 4.12 Suspension of Covenants on Achievement of Investment Grade Status.**

(a) Following the first day:

- (1) the Notes have achieved Investment Grade Status; and
- (2) no Default or Event of Default has occurred and is continuing under this Indenture,

then, beginning on that day and continuing until the Reversion Date, the Parent Guarantor and its Restricted Subsidiaries will not be subject to the provisions of Sections 4.05, 4.06, 4.07, 4.08, 4.11 and 5.01(a)(3) hereof (collectively, the “Suspended Covenants”).

(b) If at any time the Notes cease to have such Investment Grade Status, then the Suspended Covenants will thereafter be reinstated as if such covenants had never been suspended (the “Reversion Date”) and be applicable pursuant to the terms of this Indenture (including in connection with performing any calculation or assessment to determine

compliance with the terms of this Indenture), unless and until the Notes subsequently attain Investment Grade Status and no Default or Event of Default is then in existence (in which event the Suspended Covenants shall no longer be in effect for such time that the Notes maintain an Investment Grade Status); provided, however, that no Default, Event of Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Covenants based on, and none of the Parent Guarantor or any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising prior to the Reversion Date, regardless of whether such actions or events would have been permitted if the applicable Suspended Covenants had remained in effect during such period. The period of time between the date of suspension of the covenants and the Reversion Date is referred to as the “Suspension Period.” During the Suspension Period, no Restricted Subsidiary may be designated as an Unrestricted Subsidiary.

(c) On the Reversion Date, all Indebtedness Incurred during the Suspension Period will be deemed to have been Incurred pursuant to clause (4)(b) of Section 4.06(b) hereof. On and after the Reversion Date, all Liens created during the Suspension Period will be considered Permitted Liens permitted under clause (11) of the definition thereof. Calculations made after the Reversion Date of the amount available to be made as Restricted Payments under Section 4.05 hereof will be made as though Section 4.05 hereof had been in effect since the Issue Date and prior to, but not during, the Suspension Period. For purposes of determining compliance with Section 4.07, on the Reversion Date, the Excess Proceeds from all Asset Dispositions not applied in accordance with such covenant shall be deemed to be reset to zero. Further, any Affiliate Transaction entered into after the Reversion Date pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to Section 4.08(b)(6) hereof. In addition, for the avoidance of doubt, during the Suspension Period any future obligation to grant additional Guarantees shall be suspended. All such obligations to grant additional Guarantees shall be reinstated upon the Reversion Date.

(d) The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders of any Suspension Period or Reversion Date.

#### Section 4.13 Designation of Restricted and Unrestricted Subsidiaries.

(a) Other than during a Suspension Period, the Board of Directors of the Parent Guarantor may, subject to the second sentence of the definition of the term “Unrestricted Subsidiary”, designate any Restricted Subsidiary (other than the Issuer) to be an Unrestricted Subsidiary if no Event of Default is then continuing and such designation would not cause an Event of Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate fair market value of all outstanding Investments owned by the Parent Guarantor and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the amount available for Restricted Payments under Section 4.05 hereof or under one or more clauses of the definition of “Permitted Investments,” as determined by the Parent Guarantor. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an “Unrestricted Subsidiary.” The

Board of Directors of the Parent Guarantor may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause an Event of Default. Unrestricted Subsidiaries will not be subject to the covenants in this Indenture.

(b) Any designation of a Subsidiary of the Parent Guarantor as an Unrestricted Subsidiary will be evidenced to the Trustee by providing the Trustee with a copy of a resolution of the Board of Directors of the Parent Guarantor giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions and was permitted by Section 4.05 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness and Liens of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary of the Parent Guarantor as of such date and, if such Indebtedness or Liens, as the case may be, are not permitted to be incurred as of such date under Section 4.06 or 4.09 hereof, as applicable, the Parent Guarantor will be in default of Section 4.06 or 4.09 hereof, as applicable.

(c) The Board of Directors of the Parent Guarantor may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Parent Guarantor; provided that such designation will be deemed to be an incurrence of Indebtedness and the granting of a Lien by a Restricted Subsidiary of the Parent Guarantor of any outstanding Indebtedness or Lien of such Unrestricted Subsidiary, if any, and such designation will only be permitted if (1) such Indebtedness and Liens are then permitted under Sections 4.06 and 4.09 hereof (but, for this purpose, determined without reliance on Section 4.06(b)(5)(C) or clause (12) of the definition of "Permitted Liens") calculated on a Pro Forma Basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Event of Default would be in existence following such designation. Any such designation by the Board of Directors of the Parent Guarantor shall be evidenced to the Trustee by providing the Trustee with a certified copy of a resolution of the Board of Directors of the Parent Guarantor giving effect to such designation and an Officer's Certificate certifying that such designation complies with the preceding conditions.

**Section 4.14 Securities Law Compliance.** To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuer and the Guarantors will comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations set forth in this Indenture by virtue of such conflict.

**Section 4.15 Corporate Existence.** Subject to Article V hereof, each of the Issuer and Parent Guarantor shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate, limited liability company, partnership or other existence, and the corporate, limited liability company, partnership or other existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Parent Guarantor, the Issuer or any such Restricted Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of each of the Issuer, the Parent Guarantor and its Restricted Subsidiaries;

provided, however, that the Parent Guarantor shall not be required to preserve any such right, license or franchise, or the corporate, limited liability company, partnership or other existence of any of its Restricted Subsidiaries (other than the Issuer), if (a) the Issuer or Parent Guarantor shall determine that the preservation thereof is no longer desirable or necessary in the conduct of the business of the Issuer, the Parent Guarantor and its Restricted Subsidiaries, taken as a whole, or (b) the failure to preserve such right, license or franchise, or the corporate, limited liability company, partnership or other existence, is not adverse in any material respect to the holders of the Notes.

Section 4.16 Taxes. The Parent Guarantor shall pay or cause to be paid, and shall cause each Restricted Subsidiary to pay or cause to be paid, prior to delinquency, all material Taxes, assessments, and governmental levies due and payable by the Parent Guarantor or such Restricted Subsidiary, as applicable, except such as are contested in good faith and by appropriate negotiations or proceedings or where the failure to effect such payment is not adverse in any material respect to the holders of the Notes.

## ARTICLE V.

(b) For purposes of this Section 5.01, the sale, lease, conveyance, assignment, transfer, or other disposition of all or substantially all of the properties and assets of one or more Subsidiaries of the Parent Guarantor, which properties and assets, if held by the Parent Guarantor or the Issuer instead of such Subsidiaries, would constitute all or substantially all of the properties and assets of the Parent Guarantor or the Issuer on a consolidated basis, shall be deemed to be the transfer of all or substantially all of the properties and assets of the Parent Guarantor or the Issuer.

(d) The foregoing provisions of this Section 5.01 shall not apply to the creation of a new Subsidiary as a Restricted Subsidiary of the Parent Guarantor.

#### Section 5.02 Merger and Consolidation of the Subsidiary Guarantors.

(a) None of the Subsidiary Guarantors may:

(1) consolidate with or merge with or into any Person; or

of the obligations of such Subsidiary Guarantor under its Guarantee and under this Indenture; and (2) immediately after giving effect to the transaction, no Event of Default has occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Subsidiary Guarantor or the sale or disposition of all or substantially all the assets of the Subsidiary Guarantor (in each case other than to the Parent Guarantor or a Restricted Subsidiary) otherwise permitted, or not prohibited, by this Indenture;

(b) In the event of any transaction (other than a lease, in which case the predecessor Subsidiary Guarantor, as applicable, shall not be so discharged) described in and complying with the conditions of this covenant in which the Guarantor is not the continuing entity, the successor Guarantor formed or remaining or to which such transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the predecessor Guarantor and the predecessor Guarantor will be discharged from all obligations and covenants under this Indenture and its Guarantee.

## ARTICLE VI.

### DEFAULTS AND REMEDIES

Section 6.01 Events of Default. Each of the following is an “Event of Default”:

(1) default in any payment of interest, if any, on any Note when due and payable, continued for 30 days;

(2) default in the payment of the principal amount of or premium, if any, on any Note issued under this Indenture when due at its Stated Maturity, upon optional redemption, upon required repurchase, upon declaration or otherwise;

(3) failure to comply with the Issuer’s agreements or obligations (other than a default referred to in clause (1) or (2) of this Section 6.01) contained in this Indenture or the Notes for 60 days after written notice by the Trustee on behalf of the Holders or by the Holders of 30% in principal amount of the outstanding Notes;

(4) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Parent Guarantor or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Parent Guarantor or any of its Restricted Subsidiaries) other than Indebtedness owed to the Parent Guarantor or a Restricted Subsidiary whether such Indebtedness or guarantee now exists, or is created after the Issue Date, which default:

(A) is caused by a failure to pay principal of such Indebtedness, at its stated final maturity (after giving effect to any applicable grace periods) provided in such Indebtedness; or

(B) results in the acceleration of such Indebtedness prior to its stated final maturity;

and, in each case, the principal amount of any such Indebtedness, together with the principal amount of any other such Indebtedness under which there has been a payment default or the maturity of which has been so accelerated and remains unpaid, is in excess of \$150.0 million in the aggregate;

(5) the Issuer, the Parent Guarantor or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements of the Parent Guarantor and its Restricted Subsidiaries), would constitute a Significant Subsidiary:

- (D) makes a general assignment for the benefit of its creditors, or
- (E) generally is not paying its debts as they become due;

(6) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

- (A) is for relief against the Issuer, the Parent Guarantor or a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements of the Parent Guarantor and its Restricted Subsidiaries), would constitute a Significant Subsidiary in an involuntary case;
- (B) appoints a custodian, trustee in bankruptcy or monitor of the Issuer, the Parent Guarantor or any of the Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Issuer or the Parent Guarantor that, taken together, would constitute a Significant Subsidiary or for all or substantially all of the property of the Issuer or Parent Guarantor or any of the Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Issuer or Parent Guarantor that, taken together, would constitute a Significant Subsidiary; or
- (C) orders the liquidation of the Issuer or the Parent Guarantor or any of the Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries of the Issuer or the Parent Guarantor that, taken together, would constitute a Significant Subsidiary;

and the order or decree remains unstayed and in effect for 60 consecutive days;

(7) failure by the Parent Guarantor, the Issuer or a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated financial statements for the Parent Guarantor and its Restricted Subsidiaries), would constitute a Significant Subsidiary, to pay final judgments aggregating in excess of \$150.0 million other than any judgments covered by indemnities provided by, or insurance policies issued by, reputable and creditworthy companies, which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed; and

(8) any Guarantee by the Parent Guarantor, a Significant Subsidiary or group of Restricted Subsidiaries that, taken together (as of the latest audited consolidated

financial statements for the Parent Guarantor and its Restricted Subsidiaries), would constitute a Significant Subsidiary ceases to be in full force and effect, other than in accordance with the terms of this Indenture or any other Note Document, or any such Guarantor or group of Guarantors denies or disaffirms its or their obligations under its or their Guarantee, other than in accordance with the terms thereof or upon release of such Guarantee in accordance with this Indenture or any other Note Document.

**Section 6.02     Acceleration.** If an Event of Default (other than an Event of Default described in clause (5) or (6) of Section 6.01 hereof with respect to the Issuer) occurs and is continuing, the Trustee by written notice to the Issuer or the Holders of at least 30% in principal amount of the outstanding Notes by written notice to the Issuer and the Trustee may declare the principal of, premium, if any, and accrued and unpaid interest, if any, on all the Notes to be due and payable. Upon such a declaration, such principal, premium, if any, and accrued and unpaid interest, if any, will be due and payable immediately. In the event of a declaration of acceleration of the Notes because an Event of Default described in clause (4) of Section 6.01 has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to clause (4) of Section 6.01 shall be remedied or cured, or waived by the holders of the Indebtedness, or the Indebtedness that gave rise to such Event of Default shall have been discharged in full, in each case, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest, if any, on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

If an Event of Default described in clause (5) or (6) of Section 6.01 hereof occurs with respect to the Issuer and is continuing, the principal of, premium, if any, and accrued but unpaid interest, if any, on all the Notes will become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holders.

**Section 6.03     Other Remedies.** If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest, if any, on, the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

**Section 6.04     Waiver of Past and Existing Defaults.** The Holders of at least a majority in aggregate principal amount of the outstanding Notes, by written notice to the Issuer and to the Trustee, may waive all past or existing Defaults or Events of Default (including an Asset Disposition Offer or a Change of Control Offer, except for the failure to make and consummate (i) an Asset Disposition Offer with respect to any Asset Disposition that has been consummated to the extent the Issuer is required to make an Asset Disposition Offer pursuant to Section 4.07 hereof

or (ii) a Change of Control Offer after the occurrence of any Change of Control), except with respect to nonpayment of principal, premium or interest, if any, of any Note held by a non-consenting Holder, and rescind any acceleration with respect to the Notes and its consequences, including any related payment default that resulted from such acceleration, if (x) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction and (y) a sum sufficient to pay all sums paid or advanced by the Trustee and the reasonable fees, expenses, disbursements and advances of the Trustee, its agents and counsel incurred in connection with such Event of Default has been deposited with the Trustee.

Section 6.05 Control by Majority. Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or, exercising any trust or power conferred on the Trustee. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture, or that the Trustee determines is unduly prejudicial to the rights of other Holders or that would involve the Trustee in personal liability (it being understood that the Trustee has no duty to determine whether any direction is unduly prejudicial to any Holder of a Note).

Section 6.06 Limitation on Suits. No Holder of a Note may pursue any remedy with respect to this Indenture or the Notes, except to enforce the right to receive payment of principal or interest, if any, when due, unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 30% in principal amount of the outstanding Notes have requested in writing that the Trustee pursue the remedy;

(3) such Holders have offered in writing the Trustee security or indemnity satisfactory to the Trustee against any loss, liability or expense;

(4) the Trustee has not complied with such request within 60 days after the receipt of the written request and the offer of security or indemnity; and

(5) the Holders of a majority in principal amount of the outstanding Notes have not given the Trustee a written direction that, in the opinion of the Trustee, is inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not such actions or forbearances are unduly prejudicial to such Holders).

Section 6.07 Rights of Holders of Notes to Receive Payment. Notwithstanding any other provision of this Indenture, the right of any Holder to receive payment of principal of, premium on, if any, or interest, if any, on, a Note, on or after the respective due dates expressed in such Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder; provided that a Holder shall not have the right to institute any such

suit for the enforcement of payment if and to the extent that the institution or prosecution thereof or the entry of judgment therein would, under applicable law, result in the surrender, impairment, waiver or loss of the Lien of this Indenture upon any property subject to such Lien.

**Section 6.08      Collection Suit by Trustee.** If an Event of Default specified in clause (1) or (2) of Section 6.01 hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium on, if any, and interest, if any, remaining unpaid on, the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

**Section 6.09      Trustee May File Proofs of Claim.** The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, reasonable expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

**Section 6.10      Priorities.** If the Trustee collects any money or property pursuant to this Article VI, it shall pay out the money or property in the following order:

First: to the Trustee and its agents and attorneys for amounts due under Section 7.06 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, if any, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct. The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 Undertaking for Costs. In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

Section 6.12 Restoration of Rights and Remedies. If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuer, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.13 Waiver of Stay or Extension Laws. Each of the Issuer and the Guarantors (to the extent it may lawfully do so) agrees that it shall not at any time insist upon, plead or in any manner whatsoever claim to take the benefit or advantage of any stay, usury or extension law, wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and each of the Issuer and the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and shall not hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law had been enacted.

## ARTICLE VII.

### TRUSTEE

Section 7.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture to which it is a party (in its capacity as Trustee) and the Trustee need perform only those duties that are specifically set forth in this Indenture to which it is a party (in its capacity as Trustee) and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of willful misconduct, gross negligence or bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, the Trustee will examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liabilities for its own grossly negligent action, its own grossly negligent failure to act, or its own willful misconduct, except that:

(1) this clause does not limit the effect of clause (b) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Trust Officer, unless it is proved that the Trustee was grossly negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 or any other provision hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01 and Section 7.02.

(e) No provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it. The Trustee will be under no obligation to exercise any of its rights and powers under this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee indemnity reasonably satisfactory to the Trustee against any loss, liability or expense (including reasonable attorneys' fees and expenses).

(f) The Trustee will not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

## Section 7.02 Rights of Trustee.

(a) The Trustee may conclusively rely upon any document, including but not limited to any resolution, statement, instrument, opinion, direction, order, notice, certificate, report, consent, request, order or judgment, or other paper believed by it to be genuine and to have been signed or presented by the proper Person, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein. The Trustee need not investigate any fact or matter stated in the document.

(b) Except as otherwise provided in this Indenture (whether expressly or by the absence of the reference to an Officer's Certificate or Opinion of Counsel), before the Trustee

acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel, accountants or other relevant experts and the advice of such counsel, accountants or other relevant experts or any Opinion of Counsel with respect to legal matters relating to this Indenture and the Notes will be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Parent Guarantor or the Issuer shall be sufficient if signed by an Officer of the Parent Guarantor or the Issuer, as applicable.

(e) In no event shall the Trustee, including in its capacity as Paying Agent, Registrar or in any other capacity hereunder, be liable under or in connection with this Indenture for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.

(f) The permissive rights, powers and authorizations of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default (other than a payment default) unless written notice of any event which is in fact such a Default is received by a Trust Officer and such notice references the Notes and this Indenture and states it is a "notice of Default" or "notice of Event of Default".

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee may request that the Parent Guarantor or the Issuer deliver a certificate setting forth the names of individuals or titles of Officers authorized at such time to take specified actions pursuant to this Indenture.

(j) In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(k) The Trustee shall not be liable for any action taken, suffered or omitted to be taken by it in good faith and reasonably believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(l) If at any time the Trustee is served with any judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process which in any way affects this Indenture, the Trustee (a) shall furnish to the Issuer prompt written notice thereof and (b) is authorized to comply therewith in any manner as it or its legal counsel of its own choosing deems appropriate; and if the Trustee complies with any such judicial or administrative order, judgment, decree, writ or other form of judicial or administrative process, the Trustee shall not be liable to any of the parties hereto or to any other person or entity even though such order, judgment, decree, writ or process may be subsequently modified or vacated or otherwise determined to have been without legal force or effect.

(m) The knowledge of the Trustee shall not be attributed or imputed to U.S. Bank Trust Company, National Association in its other roles in the transaction, if any, and the knowledge of U.S. Bank Trust Company, National Association in any other role shall not be attributed or imputed to U.S. Bank Trust Company, National Association as Trustee.

(n) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(o) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(p) Notwithstanding anything to the contrary set forth herein, in no event shall the Trustee or the Paying Agent be liable for interest on any money received by it (including, but not limited to, any negative interest) except as the Trustee or the Paying Agent may otherwise agree in writing with the Issuer.

**Section 7.03 Individual Rights of Trustee.** The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Parent Guarantor or the Issuer or any Affiliate of the Parent Guarantor or the Issuer with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Section 7.09 hereof.

**Section 7.04 Trustee's Disclaimer.** The Trustee will not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes (except that the Trustee represents that it is duly authorized to execute and deliver this Indenture, authenticate the Notes upon the receipt of an Authentication Order pursuant to Section 2.02 hereof and perform its obligations hereunder), it shall not be accountable for the Issuer's use of the proceeds from the Notes or any money paid to the Issuer or upon the Issuer's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or

any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

The Trustee shall not be responsible for calculating the Applicable Premium or determining whether such amount is due.

Delivery of reports, information and documents to the Trustee under Article IV hereof is for informational purposes only and the Trustee's receipt or constructive receipt of the foregoing shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Parent Guarantor's or the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on the related Officer's Certificate). The Trustee also is not obligated to confirm that the Parent Guarantor and the Issuer have complied with its obligations contained in Section 4.03 hereof to post such reports and other information on its website.

**Section 7.05      Notice of Defaults.** If a Default or Event of Default occurs and is continuing and a Trust Officer is provided notice of such occurrence by the Parent Guarantor, the Issuer or any Holder, the Trustee shall send to each Holder a notice of the Default or Event of Default within 60 days after being notified by the Parent Guarantor, the Issuer or any Holder. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest, if any, on any Note, the Trustee may withhold the notice if and so long as a Trust Officer in good faith determines that withholding the notice is in the interests of the Holders.

**Section 7.06      Compensation and Indemnity.**

(a) The Parent Guarantor shall pay to the Trustee from time to time compensation for its acceptance of this Indenture and services hereunder as agreed to in writing. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Parent Guarantor shall reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services, except any such disbursements, advances and expenses as shall be determined to have been caused by its own gross negligence or willful misconduct. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents, experts and counsel.

(b) The Parent Guarantor, the Issuer and each other Guarantor, jointly and severally, shall indemnify the Trustee and its officers, directors, employees and agents and hold each of them harmless for, from and against any and all losses, liabilities or expenses (including reasonable attorneys' fees and expenses) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Parent Guarantor (including this Section 7.06) and defending itself against any claim (whether asserted by the Parent Guarantor, the Issuer, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct. The Trustee will notify the Parent Guarantor promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Parent Guarantor shall not relieve the Parent

Guarantor or the Issuer of its obligations hereunder. The Parent Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Parent Guarantor shall pay the reasonable fees and expenses of such counsel. The Parent Guarantor shall not pay for any settlement made without its consent (which shall not be unreasonably withheld).

(c) The obligations of the Parent Guarantor under this Section 7.06 will survive the satisfaction and discharge of this Indenture and the resignation or removal of the Trustee.

(d) To secure the Parent Guarantor's payment obligations in this Section 7.06, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest, if any, on, particular Notes. Such Lien will survive the resignation or removal of the Trustee and the satisfaction and discharge of this Indenture.

(e) When the Trustee incurs expenses or renders services after an Event of Default specified in clause (5) or (6) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute administrative expenses for purposes of priority under any Bankruptcy Law.

#### Section 7.07 Replacement of Trustee.

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Parent Guarantor. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Parent Guarantor in writing. The Parent Guarantor may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.09 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Parent Guarantor shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Parent Guarantor.

(d) If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Parent Guarantor, the Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition (at the expense of the Parent Guarantor) any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Parent Guarantor. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail or electronically deliver (in the case of a Global Note) a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; provided all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Parent Guarantor's obligations under Section 7.06 hereof will continue for the benefit of the retiring Trustee.

Section 7.08 Successor Trustee by Merger, etc. If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act will be the successor Trustee, provided such successor corporation shall otherwise be qualified and eligible under this Article VII, without the execution or filing of any paper or any further act on the part of any parties hereto.

Section 7.09 Eligibility; Disqualification. There will at all times be a Trustee hereunder that is a corporation organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50.0 million as set forth in its most recent published annual report of condition.

## ARTICLE VIII.

### LEGAL AND COVENANT DEFEASANCE

Section 8.01 Option to Effect Legal Defeasance or Covenant Defeasance. The Issuer may, at any time at its option elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article VIII.

Section 8.02 Legal Defeasance and Discharge. Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and the Parent Guarantor will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be

deemed to have been discharged from their obligations with respect to all outstanding Notes and cured of all then existing Defaults and Events of Defaults on the date the conditions set forth below are satisfied (hereinafter, “Legal Defeasance”). For this purpose, Legal Defeasance means that the Issuer and the Parent Guarantor will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes, which will thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) of this Section 8.02 and to have satisfied all their other obligations under such Notes and this Indenture except for the following provisions which will survive until otherwise terminated or discharged hereunder:

- (1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, premium on, if any, or interest, if any, on, such Notes when such payments are due from the trust referred to in Section 8.04 hereof;
- (2) the Issuer’s obligations with respect to such Notes under Article II and Section 4.02 hereof;
- (3) the rights, powers, trusts, duties, immunities and indemnities of the Trustee hereunder and the Issuer’s and the Parent Guarantor’s respective obligations in connection therewith; and
- (4) this Article VIII.

Subject to compliance with this Article VIII, the Issuer may exercise the option under this Section 8.02 notwithstanding the prior exercise of the option under Section 8.03 hereof. In addition, upon the Issuer’s exercise under Section 8.01 of the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Section 6.01(2) hereof will not constitute an Event of Default.

Section 8.03 Covenant Defeasance. Upon the Issuer’s exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under Section 3.09, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10, 4.11 and 4.13 hereof and clause (3) of Section 5.01(a) and clause (B)(2) of Section 5.02(a)(3) hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, “Covenant Defeasance”), and the Notes will thereafter be deemed not “outstanding” for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed “outstanding” for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuer and the Parent Guarantor may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes will be unaffected thereby.

In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default set forth in clauses (3) (only with respect to the defeased covenants set forth in this Section 8.03), (4), (5) (other than with respect to the Issuer), (6) (other than with respect to the Issuer) (7), (8) and (9) of Section 6.01 hereof.

**Section 8.04     Conditions to Legal or Covenant Defeasance.** In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations, or a combination of cash in U.S. dollars and U.S. Government Obligations which, in the opinion of an Independent Financial Advisor (if other than cash), or in the case of cash, is in amounts as will be sufficient to pay the principal of, premium on, if any, and interest, if any, on, the outstanding Notes on the Stated Maturity or on the applicable Redemption Date, as the case may be, and the Issuer must specify whether the Notes are being defeased to maturity or to a particular Redemption Date;

(2) in the case of an election under Section 8.02 hereof, the Issuer must deliver to the Trustee an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions) in the United States confirming that, subject to customary assumptions and exclusions:

(A) the Issuer has received from, or there has been published by, the Internal Revenue Service a ruling; or

(B) since the Issue Date, there has been a change in the applicable U.S. federal income tax law;

in either case to the effect that, and based thereon, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and Legal Defeasance had not occurred;

(3) in the case of an election under Section 8.03 hereof, the Issuer must deliver to the Trustee an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumption and exclusions) in the United States confirming that, subject to customary assumptions, qualifications and exclusions, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such deposit and Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and Covenant Defeasance had not occurred;

(4) the Issuer must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of defeating, hindering, delaying, defrauding or preferring any creditors of the Issuer or others; and

(5) the Issuer must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions, qualifications and exclusions), each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

If the Issuer exercises Legal Defeasance or Covenant Defeasance, the Guarantees in effect at such time will terminate.

Section 8.05 Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06 hereof, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "Trustee") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer or a Subsidiary of the Parent Guarantor thereof acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuer shall pay and indemnify the Trustee against any Tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such Tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article VIII to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the written request of the Issuer any money or U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(2) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 Repayment to Issuer. Subject to applicable law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium on, if any, or interest, if any, on, any Note and remaining unclaimed for two years after such principal, premium, if any, or interest, if any, has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease.

Section 8.07 Reinstatement. If the Trustee or Paying Agent is unable to apply any U.S. dollars or U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's obligations under this Indenture and the Notes will be revived and reinstated as though no deposit had occurred pursuant

to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; provided, however, that, if the Issuer makes any payment of principal of, premium on, if any, or interest, if any, on, any Note following the reinstatement of the obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

## ARTICLE IX.

### AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 Without Consent of Holders of Notes. Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Issuer, the Parent Guarantor, the Trustee and the other parties thereto, as applicable, may amend or supplement, any Note Documents to:

- (1) cure any ambiguity, omission, mistake, defect, error or inconsistency, conform any provision to the “Description of the Notes” section of the Offering Memorandum, or reduce the minimum denomination of the Notes;
- (2) provide for the assumption by a successor Person of the obligations of the Issuer or a Guarantor under any Note Document;
- (3) provide for certificated Notes in addition to or in place of uncertificated Notes;
- (4) add to the covenants or provide for a Guarantee for the benefit of the Holders or surrender any right or power conferred upon the Parent Guarantor or any Restricted Subsidiary;
- (5) add Liens to secure the Notes;
- (6) make any change that does not adversely affect the rights of any Holder in any material respect;
- (7) at the Parent Guarantor’s election, comply with any requirement of the SEC in connection with the qualification of this Indenture under the Trust Indenture Act of 1939, as amended, if such qualification is required;
- (8) make such provisions as necessary (as determined in good faith by the Parent Guarantor) for the issuance of Additional Notes;
- (9) to provide for any Restricted Subsidiary to provide a Guarantee in accordance with Section 4.11 and Article XI hereof and in connection therewith to execute a supplemental indenture substantially in the form of Exhibit D hereto, to add Guarantees with respect to the Notes or to confirm and evidence the release, termination, discharge or retaking of any Guarantee with respect to the Notes when such release, termination, discharge or retaking is provided for under this Indenture;

(10) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee pursuant to the requirements thereof or to provide for the accession by the Trustee to any Note Document; or

(11) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted, or not prohibited, by this Indenture, including to facilitate the issuance and administration of Notes; provided, however, that (i) compliance with this Indenture as so amended would not result in Notes being transferred in violation of the Securities Act or any applicable securities law and (ii) such amendment does not materially and adversely affect the rights of Holders to transfer Notes.

**Section 9.02 With Consent of Holders of Notes**. Except as provided below in this Section 9.02, the Issuer, the Parent Guarantor and the Trustee may amend or supplement the Note Documents with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with the purchases of, or tender offers or exchange offers for, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Note Documents may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including Additional Notes, if any) voting as a single class (including consents obtained in connection with tender offers or exchange offers for, or purchases of, the Notes). Section 2.10 hereof shall determine which Notes are considered to be “outstanding” for purposes of this Section 9.02.

Upon the request of the Issuer and Parent Guarantor accompanied by a resolution of the Parent Guarantor’s Board of Directors authorizing the execution of any such amended or supplemental indenture or Note Document, and upon providing the Trustee with evidence of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 9.05 hereof, the Trustee will join with the Issuer in the execution of such amended or supplemental indenture or Note Document unless such amended or supplemental indenture or Note Document directly affects the Trustee’s own rights, duties, indemnities or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental indenture or Note Document.

The consent of the Holders is not necessary to approve the particular form of any proposed amendment of any Note Document. It is sufficient if such consent approves the substance of the proposed amendment. A consent to any amendment or waiver by any Holder given in connection with a tender of such Holder’s Notes will not be rendered invalid by such tender.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer or the Parent Guarantor shall mail or electronically transmit to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail or transmit such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

However, without the consent of each Holder affected thereby, no such amendment, supplement, modification or waiver shall with respect to any Notes issued under this Indenture and held by a non-consenting Holder:

- (1) reduce the principal amount of such Notes whose Holders must consent to an amendment;
- (2) reduce the stated rate of or extend the stated time for payment of interest on any such Note;
- (3) reduce the principal of or extend the Maturity Date of any such Note;
- (4) reduce the premium payable upon the redemption of any such Note or change the time at which any such Note may be redeemed, in each case as described in Section 3.07 hereof (except changes to any notice provisions, which may be amended with the consent of the Holders of a majority in principal amount of the Notes then outstanding);
- (5) make any such Note payable in money other than that stated in such Note;
- (6) impair the right of any Holder to institute suit for the enforcement of any such payment on or with respect to such Holder's Notes;
- (7) waive a Default or Event of Default with respect to the nonpayment of principal, premium or interest (except pursuant to a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of such Notes and a waiver of the payment default that resulted from such acceleration);
- (8) release the Parent Guarantor from any of its obligations under its Guarantee or this Indenture, except in accordance with the terms of this Indenture; or
- (9) make any change in the amendment or waiver provisions which require the Holders' consent described in this Section 9.02.

Section 9.03 Revocation and Effect of Consents. Until an amendment, supplement, modification or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder. A consent to any amendment, supplement, modification or waiver by any Holder given in connection with a tender of such Holder's Notes will not be rendered invalid by such tender.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, modification or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons,

shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 9.04 Notation on or Exchange of Notes. The Trustee may place an appropriate notation about an amendment, supplement, modification or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement, modification or waiver.

Section 9.05 Trustee to Sign Amendments The Trustee will sign any amended, modified, or supplemental indenture authorized pursuant to this Article IX if the amendment, modification or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Issuer may not sign an amended or supplemental indenture until the Parent Guarantor's Board of Directors approves it. In executing any amended or supplemental indenture the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.03 hereof, an Officer's Certificate and an Opinion of Counsel each stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

## ARTICLE X.

### SATISFACTION AND DISCHARGE

Section 10.01 Satisfaction and Discharge. This Indenture will be discharged and will cease to be of further effect as to all outstanding Notes, when:

(1) either:

(A) all Notes theretofore authenticated and delivered, except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(B) all Notes not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuer and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders of any Notes, cash in U.S. Dollars, U.S. Government Obligations, or a combination thereof in such amounts as will be sufficient without consideration of any reinvestment of interest to pay and discharge the entire indebtedness on the

Notes not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; provided that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the Redemption Date only required to be deposited with the Trustee on or prior to the Redemption Date (provided that the Trustee shall have no liability whatsoever in the event that such Applicable Premium deficit is not in fact paid after any satisfaction and discharge);

In addition, nothing in this Section 10.01 will be deemed to discharge those provisions of Section 7.06 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 10.02 Application of Trust Money. Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 10.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment to the Persons entitled thereto, of the principal, premium, if any, and interest, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

## ARTICLE XI.

### GUARANTEES

#### Section 11.01 Guarantee.

(a) Subject to this Article XI, each Guarantor hereby jointly and severally, fully and unconditionally, guarantees on a senior unsecured basis to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns,

irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuer hereunder or thereunder, that:

(1) all Obligations of the Issuer to the Holders or the Trustee under the Note Documents will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each of the Guarantors hereby agrees that its Obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of the Notes with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor. Each of the Guarantors hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenant that this Guarantee of the Notes will not be discharged except by complete performance of the Obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Issuer, a Guarantor or any custodian, trustee, liquidator or other similar official acting in relation to the Issuer or a Guarantor, any amount paid by either to the Trustee or such Holder, this Guarantee of the Notes, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each of the Guarantors agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any Obligations guaranteed hereby until payment in full of all Obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article VI hereof for the purposes of this Guarantee of the Notes, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such Obligations as provided in Article VI hereof, such Obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Guarantee of the Notes. The Guarantors will have the right to seek contribution from any non-paying Guarantor

so long as the exercise of such right does not impair the rights of the Holders under the Guarantee of the Notes.

(e) Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee of the Notes are knowingly made in contemplation of such benefits.

(f) The Guarantee issued by any Guarantor shall be a general senior obligation of such Guarantor and shall be *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor (including, if applicable, its guarantee of all Obligations under the Existing Notes).

**Section 11.02 Limitations on Guarantor Liability.** Each of the Guarantors, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of the Notes of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee of the Notes. To effectuate the foregoing intention, the Trustee, the Holders and each Guarantor hereby irrevocably agree that the Obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the Obligations of such other Guarantor under this Article XI, result in the Obligations of such Guarantor under its Guarantee of the Notes not constituting a fraudulent transfer or conveyance. Each Guarantor that makes a payment under its Guarantee of the Notes shall be entitled upon payment in full of all guaranteed Obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with U.S. GAAP.

**Section 11.03 Execution of Supplemental Indenture for Future Guarantors.** Each Subsidiary that is required to become a Guarantor pursuant to the provisions of this Indenture shall promptly execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D hereto pursuant to which such Subsidiary shall become a Guarantor under this Article XI and shall guarantee the guaranteed Obligations. Concurrently with the execution and delivery of such supplemental indenture, the Issuer shall deliver to the Trustee an Officer's Certificate stating that such supplemental indenture has been duly authorized, executed and delivered by such Subsidiary and that, subject to the application of bankruptcy, insolvency, moratorium, fraudulent conveyance or transfer and other similar laws relating to creditors' rights generally and to the principles of equity, whether considered in a proceeding at law or in equity, the Guarantee of such Guarantor is a valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms.

If required by Section 4.11 hereof, the Parent Guarantor shall cause any newly created or acquired Restricted Subsidiary to comply with the provisions of Section 4.11 hereof and this Article XI, to the extent applicable.

Section 11.04 Subrogation. Each Guarantor shall be subrogated to all rights of Holders against the Issuer in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 11.01; provided that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuer under this Indenture or the Notes shall have been paid in full.

Section 11.05 Releases.

(a) The Guarantee by a Guarantor provides by its terms that it will be automatically and unconditionally released and discharged with respect to the Notes, without further action required on the part of the Guarantor, the Trustee or any holder of Notes, (i) upon:

(1) except in the case of the Parent Guarantor, any direct or indirect sale, exchange, transfer or other disposition (by merger, consolidation or otherwise) of the Capital Stock of such Guarantor, after which the applicable Guarantor is no longer a Restricted Subsidiary, if such sale, exchange, transfer or other disposition is not in violation of the applicable terms of this Indenture;

(2) except in the case of the Parent Guarantor, the release or discharge of the Indebtedness or guarantee of Indebtedness by such Guarantor that resulted in the creation of such Guarantee except a release or discharge by or as a result of payment under such guarantee (it being understood that a release subject to a contingent reinstatement will constitute a release for the purposes of this provision);

(3) except in the case of the Parent Guarantor, the sale, exchange, transfer or other disposition of all or substantially all of the assets of such Guarantor, in a transaction that is not in violation of the applicable terms of this Indenture, to any Person who is not (either before or after giving effect to such transaction) the Parent Guarantor, the Issuer or a Restricted Subsidiary;

(4) the designation of any Restricted Subsidiary of the Parent Guarantor that is a Guarantor as an Unrestricted Subsidiary in accordance with the provisions set forth in Section 4.05 and the definition of "Unrestricted Subsidiary";

(5) the Issuer exercising its legal defeasance option or covenant defeasance option with respect to the Notes as described in Sections 8.02 or 8.03 or the Issuer's obligations under this Indenture being discharged with respect to the Notes in accordance with the terms of this Indenture;

(6) upon payment in full of principal, interest and all other obligations in respect of the Notes in accordance with this Indenture;

(7) except in the case of the Parent Guarantor, upon the achievement of Investment Grade Status by the Notes; provided that such Guarantee shall be reinstated upon the Reversion Date; or

(8) to the extent that such Subsidiary Guarantor is not an Immaterial Subsidiary solely due to the operation of clause (i) of the definition of “Immature Subsidiary,” upon the release of the guarantee(s) referred to in such clause;

and, in the case of this clause (i), such Guarantor delivering to the Trustee an Officer’s Certificate stating that all conditions precedent provided for in this Indenture relating to the release of such Guarantee shall have been complied with; or

(ii) except in the case of the Parent Guarantor, upon the consent of Holders of a majority in aggregate principal amount of the outstanding Notes.

(b) Upon request of the Issuer, the Trustee shall evidence such release by executing a supplemental indenture, subject to receipt of an Officer’s Certificate, without the consent of any holder of the Notes (other than a release or discharge pursuant to Section 11.05(a)(ii)).

(c) Any Guarantor not released from its Obligations under its Guarantee of the Notes as provided in this Section 11.05 will remain liable for the full amount of principal of, premium on, if any, and interest, if any, on, the Notes and for the other Obligations of any Guarantor under this Indenture as provided in this Article XI.

**Section 11.06 Successors and Assigns.** This Article XI shall be binding upon each Guarantor and its successors and assigns and shall inure to the benefit of the successors and assigns of the Trustee and the Holders and, in the event of any transfer or assignment of rights by any Holder or the Trustee, the rights and privileges conferred upon that party in this Indenture and in the Notes shall automatically extend to and be vested in such transferee or assignee, all subject to the terms and conditions of this Indenture.

**Section 11.07 Non-Impairment.** Each of the Guarantors hereby agrees that its Guarantee of the Notes set forth in Section 11.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee. The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Guarantee of the Notes set forth in this Indenture on behalf of the Guarantors.

(d) Notwithstanding clauses (a) through (c) above, in connection with any tender offer for all of the outstanding Notes (including pursuant to a Change of Control Offer or Alternate Offer (each as defined below)), if Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in such tender offer and the Issuer, or any third party making such a tender offer in lieu of the Issuer, purchases all of the Notes validly tendered and not withdrawn by such Holders, the Issuer or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice, given not more than 30 days following such purchase date, to redeem all Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such tender offer plus, to the extent not included in the

tender offer payment, accrued and unpaid interest thereon, if any, to, but excluding, the Redemption Date.

(e) Notice of any redemption may be given prior to the completion of any offering or other corporate transaction, and any redemption or notice may, at the Issuer's discretion, be subject to one or more conditions precedent, including the completion of the related offering or corporate transaction.

(f) The Issuer may provide that payment of the redemption price and performance of the Issuer's obligations with respect to any redemption permitted hereunder may be performed by another Person designated by the Issuer in the applicable redemption notice (including any third party making a tender offer described in clause (d) of this Section 5); provided that any such payment or performance occurs in accordance with the Indenture and no such designation shall relieve the Issuer from making such payment or performing such obligations if such other Person so designated fails to do the same in accordance with the Indenture.

Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable Redemption Date.

(6) NO MANDATORY REDEMPTION; OPEN MARKET PURCHASES. The Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes. The Issuer and its Affiliates may at any time and from time to time purchase Notes in the open market, by tender offer, negotiated transactions or otherwise. However, under certain circumstances, the Issuer may be required to offer to purchase Notes for cash as described in Sections 4.07 and 4.10 of the Indenture.

(7) REPURCHASE AT THE OPTION OF HOLDER.

(a) If a Change of Control Triggering Event occurs (unless a third party makes the Change of Control Offer in accordance with the Indenture or the Issuer has previously or concurrently mailed, or delivered electronically, a redemption notice with respect to all of the outstanding Notes as described in Section 3.07 of the Indenture), the Issuer will make an offer to purchase all of the Notes (the "Change of Control Offer") at a price in cash equal to 101% of the aggregate principal amount thereof (or such higher amount as the Issuer may determine (any Change of Control Offer at a higher amount, an "Alternate Offer")) plus accrued and unpaid interest, if any, to, but excluding, the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control Triggering Event, unless the Issuer has previously or concurrently mailed, or delivered electronically, a redemption notice with respect to all the outstanding Notes as described in Section 3.07 of the Indenture, the Issuer will send notice of such Change of Control Offer, by first-class mail, or electronic delivery, with a copy to the Trustee, to each Holder of Notes to the address of such Holder appearing in the Holders list specified in Section 2.05 of the Indenture or otherwise in accordance with the procedures of the Depository, such notice setting forth the procedures governing the Change of Control Offer as required by the Indenture.

(b) If the Parent Guarantor or a Restricted Subsidiary consummates any Asset Disposition, on the 451th day (or the 631<sup>st</sup> day, in the case of any Net Available Cash committed to be used pursuant to a definitive binding agreement or commitment approved by the Board of Directors of the Parent Guarantor pursuant to clauses (2) or (3) of Section 4.07(b) of the Indenture) after the later of an Asset Disposition and the receipt of Net Available Cash, or earlier at the Issuer's option, if the aggregate amount of Excess Proceeds exceeds the greater of (x) \$125.0 million and (y) 2.0% of Total Assets, (the "Excess Proceeds Threshold"), the Parent Guarantor shall make an offer to all Holders of the Notes and, if required by the terms of any Senior Indebtedness, ratably to the holders of such Senior Indebtedness (an "Asset Disposition Offer"), to purchase the maximum aggregate principal amount of the Notes and such Senior Indebtedness that is an integral multiple of \$1,000 (but in minimum amounts of the Minimum Denomination) that may be purchased with such Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, to the date fixed for the closing of such offer, and in the case of any Senior Indebtedness at the offer price required by the terms thereof but not to exceed 100% of the principal amount thereof, plus accrued and unpaid interest, if any, in each case in accordance with the procedures set forth in the Indenture. The Parent Guarantor will commence an Asset Disposition Offer with respect to Excess Proceeds within 10 Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by delivering the notice required pursuant to the terms of the Indenture, with a copy to the Trustee. The Parent Guarantor may satisfy the foregoing obligations with respect to any Net Available Cash from an Asset Disposition by making an Asset Disposition Offer with respect to such Net Available Cash prior to the expiration of the relevant 450-day period (or 630-day period, if applicable). Upon the completion of each Asset Disposition Offer (including a voluntary Asset Disposition Offer with respect to all Excess Proceeds even though less than the Excess Proceeds Threshold), the amount of Excess Proceeds shall be reset to zero. To the extent that the aggregate principal amount of Notes and such Senior Indebtedness, as the case may be, tendered pursuant to an Asset Disposition Offer is less than the Excess Proceeds the Parent Guarantor and the Issuer may use any remaining Excess Proceeds, for any purposes not otherwise prohibited under the Indenture. If the aggregate principal amount of Notes or Senior Indebtedness, as the case may be, surrendered by such holders thereof exceeds the amount of Excess Proceeds, such Notes or Senior Indebtedness, as the case may be, will be purchased on a pro rata basis based on the accreted value or principal amount of such Notes or Senior Indebtedness, as the case may be, tendered (and the Trustee or Registrar will select the tendered Notes of tendering holders on a pro rata basis, or such other basis in accordance with DTC procedures based on the amount of Notes tendered).

(8) NOTICE OF REDEMPTION. Subject to Section 3.09 of the Indenture, at least 10 days but not more than 60 days before the applicable Redemption Date, the Issuer shall mail or deliver, or cause to be mailed or delivered, a notice of redemption to each Holder whose Notes are to be redeemed, by first class mail at its registered address or by electronic transmission (for Global Notes), except that redemption notices may be mailed or delivered more than 60 days prior to a Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Article VIII or Article X thereof, respectively. Notes and portions of Notes selected will be in amounts of \$200,000 or whole multiples of \$1,000 in excess thereof; except that Notes of \$200,000 or less shall be redeemed in whole and not in part and if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(9) DENOMINATIONS, TRANSFER, EXCHANGE. The Notes are in registered form without coupons in denominations of \$200,000 and integral multiples of \$1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer needs not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer needs not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(10) PERSONS DEEMED OWNERS. The registered Holder of a Note may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(11) AMENDMENT, SUPPLEMENT AND WAIVER. The Notes Documents, including the Indenture and the Notes, may be amended, supplemented or modified as provided in the Indenture.

(12) DEFAULTS AND REMEDIES. The Events of Default relating to the Notes are defined in Section 6.01 of the Indenture. In the case of an Event of Default arising from certain events of bankruptcy, insolvency or court protection with respect to the Issuer, all outstanding Notes will become due and payable immediately without further action or notice. If any other Event of Default occurs and is continuing, the Trustee or the Holders of at least 30% in principal amount of the outstanding Notes may declare all the Notes to be due and payable immediately. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. Subject to certain limitations, Holders of at least a majority in principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on it. The Trustee may withhold from Holders notice of any continuing Default or Event of Default (except a Default or Event of Default relating to the payment of principal, premium, if any, or interest, if any) if it determines that withholding notice is in their interest. The Holders of at least a majority in aggregate principal amount of the outstanding Notes, by written notice to the Issuer and to the Trustee, may waive all past or existing Defaults or Events of Default (including an Asset Disposition Offer or a Change of Control Offer, except for the failure to make and consummate (i) an Asset Disposition Offer with respect to any Asset Disposition that has been consummated to the extent the Issuer is required to make an Asset Disposition Offer pursuant to Section 4.07 of the Indenture or (ii) a Change of Control Offer after the occurrence of any Change of Control Triggering Event), except with respect to nonpayment of principal, premium or interest, if any, of any Note held by a non-consenting Holder, and rescind any acceleration with respect to the Notes and its consequences, including any related payment default that resulted from such acceleration. Subject to the provisions of the Indenture, the Parent Guarantor is required to deliver to the Trustee annually a statement regarding compliance with the Indenture and the Parent Guarantor is required, within 30 days after becoming aware of any Default or Event of Default, to deliver to the Trustee a statement specifying such Default or Event of Default.

(13) TRUSTEE DEALINGS WITH ISSUER. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuer or its Affiliates, and may otherwise deal with the Issuer or its Affiliates, as if it were not the Trustee.

(14) NO RE COURSE AGAINST OTHERS. No director, officer, employee, member, incorporator, manager or shareholder of the Parent Guarantor or any of its Subsidiaries or Affiliates, as such, will have any liability for any obligations of the Issuer or any Guarantor under the Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

(15) AUTHENTICATION. This Note will not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

(16) ABBREVIATIONS. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

(17) CUSIP NUMBERS. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Issuer has caused CUSIP numbers to be printed on the Notes, and the Trustee may use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption, and reliance may be placed only on the other identification numbers placed thereon.

(18) GOVERNING LAW. THE LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THE INDENTURE, THE NOTES AND THE GUARANTEES WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

The Issuer shall furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

FORM OF SUPPLEMENTAL INDENTURE  
TO BE DELIVERED BY SUBSEQUENT GUARANTORS

This Supplemental Indenture, dated as of \_\_\_\_\_, 20\_\_\_\_, (this “Supplemental Indenture”) among [\_\_\_\_\_] (the “Guarantor”), Burford Capital Global Finance LLC, a Delaware limited liability company (the “Issuer”), and U.S. Bank Trust Company, National Association (the “Trustee”), as trustee under the Indenture referred to below.

W I T N E S S E T H

WHEREAS, the Issuer and the Guarantors party thereto have heretofore executed and delivered to the Trustee an indenture (the “Indenture”), dated as of January 15, 2026, providing for the issuance of 8.50% Senior Notes due 2034 (the “Notes”);

WHEREAS, the Indenture provides that under certain circumstances the Guarantor shall execute and deliver to the Trustee a supplemental indenture pursuant to which the Guarantor shall unconditionally guarantee all of the Issuer’s obligations under the Notes and the Indenture on the terms and conditions set forth herein (the “Guaranteee”); and

WHEREAS, pursuant to Section 9.05 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW, THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Guarantor and the Trustee mutually covenant and agree for the equal and ratable benefit of the Holders of the Notes as follows:

1. CAPITALIZED TERMS. Capitalized terms used herein without definition shall have the meanings assigned to them in the Indenture.

2. JOINDER TO INDENTURE. The Guarantor hereby agrees to become bound by the terms, conditions and other provisions of the Indenture with all attendant rights, duties and obligations stated therein, with the same force and effect as if originally named as a guarantor therein and if such party executed the Indenture on the date thereof.

3. AGREEMENT TO GUARANTEE. The Guarantor hereby agrees to provide an unconditional Guarantee of the Notes on the terms and subject to the conditions set forth in the Indenture, including but not limited to Article XI thereof and subject to the limitations therein.

4. NO PERSONAL LIABILITY OF DIRECTORS, OFFICERS, EMPLOYEES, MEMBERS, INCORPORATORS, MANAGERS AND SHAREHOLDERS. No director, officer, employee, member, incorporator, manager or shareholder of the Parent Guarantor or any of its Subsidiaries or Affiliates, as such, shall have any liability for any obligations of the Issuer or any Guarantor under the Note Documents or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

5. GOVERNING LAW; CONSENT TO JURISDICTION. THIS SUPPLEMENTAL INDENTURE, THE INDENTURE, THE NOTES AND THE GUARANTEES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT GIVING EFFECT TO THE APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

Any legal suit, action or proceeding arising out of or based upon this Supplemental Indenture or the transactions contemplated hereby may be instituted in the federal courts of the United States of America located in the City of New York or the courts of the State of New York in each case located in the City of New York (collectively, the "Specified Courts"), and each party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action or proceeding. Service of any process, summons, notice or document by mail (to the extent allowed under any applicable statute or rule of court) to such party's address set forth in Section 12.01 of the Indenture shall be effective service of process for any suit, action or other proceeding brought in any such court. The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action or other proceeding in the Specified Courts and irrevocably and unconditionally waive and agree not to plead or claim any such suit, action or other proceeding has been brought in an inconvenient forum.
