Completion of Share Repurchase Program

Burford Capital Limited ("Burford" or the "Company"), the leading global finance and asset management firm focused on law, today announces the completion of the share repurchase program authorized by its board of directors on February 25, 2026 (the "Share Repurchase Program") in connection with the Company's future obligations under the Burford Capital Deferred Compensation Plan.

Pursuant to the Share Repurchase Program, between March 10 and March 12, 2026, Burford repurchased an aggregate of 475,000 ordinary shares of nil par value ("Ordinary Shares") in open market transactions in the United States for an aggregate consideration of approximately $3.9 million.

Ordinary Shares purchased pursuant to the Share Repurchase Program will be initially held by the Company in treasury. Following the purchase and settlement of these Ordinary Shares, the Company's issued ordinary share capital is 220,667,387, of which 2,244,947 Ordinary Shares are held in treasury and do not have any voting rights. Therefore, the total number of voting rights in the Company, excluding treasury shares, will be 218,422,440 after giving effect to the purchases described above.

This figure for the total number of voting rights may be used by shareholders as the denominator for the calculations by which they will determine if they are required to notify their interest in the Company under the FCA's Disclosure Guidance and Transparency Rules.
