

NEWS RELEASE

Voyager Announces Preliminary Inclusion in the Russell 2000® Index

2025-08-27

DENVER--(BUSINESS WIRE)-- Voyager Technologies, Inc. [NYSE: VOYG] will join the U.S. small-cap Russell 2000® Index as published in the **FTSE Russell Preliminary List of IPO Additions**, effective September 19, 2025, pending final review and reconstitution after markets close.

Membership in the Russell 2000® Index means automatic inclusion in the broad-market Russell 3000® Index and in applicable growth and value style indexes.

Russell U.S. indexes are widely used by investment managers and institutional investors for index funds and as benchmarks for active investment strategies. Roughly \$10.5 trillion in assets are benchmarked to the Russell U.S. indexes.

About Voyager Technologies:

Voyager is a defense and space technology company committed to advancing and delivering transformative, mission-critical solutions. By tackling the most complex challenges, Voyager aims to unlock new frontiers for human progress, fortify national security, and protect critical assets from ground to space. For more information, visit www.voyagertechnologies.com.

Cautionary Statement Concerning Forward-Looking Statements:

This press release contains "forward-looking statements." All statements, other than statements of historical fact, including those with respect to Voyager Space, Inc.'s (the "Company's") mission statement and growth strategy, are

“forward-looking statements.” Although the Company’s management believes that such forward-looking statements are reasonable, it cannot guarantee that such expectations are, or will be, correct. These forward-looking statements involve many risks and uncertainties, which could cause the Company’s future results to differ materially from those anticipated. Potential risks and uncertainties include, among others, general economic conditions and conditions affecting the industries in which the Company operates; the uncertainty of regulatory requirements and approvals; and the ability to obtain necessary financing on acceptable terms or at all. Readers should not place any undue reliance on forward-looking statements since they involve these known and unknown uncertainties and other factors which are, in some cases, beyond the Company’s control and which could, and likely will, materially affect actual results, levels of activity, performance or achievements. Any forward-looking statement reflects the Company’s current views with respect to future events and is subject to these and other risks, uncertainties and assumptions relating to operations, results of operations, growth strategy and liquidity. The Company assumes no obligation to publicly update or revise these forward-looking statements for any reason, or to update the reasons actual results could differ materially from those anticipated in these forward-looking statements, even if new information becomes available in the future.
