flatexDEGIRO surpasses €100 billion in customer securities under custody

Frankfurt am Main, July 01, 2026. flatexDEGIRO, one of Europe's leading online brokers, has surpassed **€100 billion in customer securities (excluding cash balances)**, marking a significant milestone in the company's development.

The milestone reflects a decade of immense growth across all key financial metrics.
Over the same period, flatexDEGIRO has built substantial scale:

- **3.5 million customer accounts** (+1,650%)
- **>€100 billion assets under custody** (+1,000%)
- **€560 million revenues** (+489%)
- **€160 million net income** (+1,201%)

This development underlines the company's strong position in the European retail investing landscape and the increasing participation of private investors in capital markets.

Over the past years, flatexDEGIRO has consistently expanded its platform across Europe, combining broad market access with efficient and transparent pricing. Growth has been driven by a steadily increasing customer base, higher levels of engagement, increasing profitability and the continuous development of the platform.

Oliver Behrens, CEO of flatexDEGIRO, said: *"Reaching more than €100 billion in customer securities is a major milestone for flatexDEGIRO. It reflects the trust of our customers and the consistent execution of our strategy over many years.*

Over the years, we have built one of Europe's leading platforms for building wealth. When people start taking their financial future seriously, they increasingly turn to capital markets, and many choose flatexDEGIRO as their trusted partner. Our success is closely linked to the success of our customers: the more effectively they build long-term wealth, the more successful we become.

With retail participation in capital markets across Europe still below its potential, we see significant opportunities to continue growing our customer base, assets and earnings in the years ahead."

With its scalable platform, strong customer base and continued focus on efficiency and product development, flatexDEGIRO aims to further strengthen its position as a leading European platform for building wealth.
