VOTING

To vote, you must vote using the methods reflected on your enclosed form of proxy or voting instruction form.

Registered Shareholders: You may vote in the manner indicated in the enclosed form of proxy, which includes voting using the internet or completing and returning via email, mail, or fax the enclosed form of proxy to TSX Trust at the specified address prior to the proxy cut-off time, which is 11:00 a.m. (Eastern Time) on June 1, 2026 or, if the Meeting is adjourned or postponed, forty-eight (48) hours (excluding weekends and holidays) before the time set for the Meeting to resume, in order for your shares to be voted at the Meeting.

Non-registered Shareholders: Non-registered (beneficial) Shareholders should follow the instructions on the voting instruction form or other form of proxy provided by their intermediaries with respect to the procedures to be followed for voting.

Voting at the Meeting Online: Only registered Shareholders and duly appointed proxyholders will be entitled to vote at the Meeting. Shareholders who wish to appoint a proxyholder other than the persons designated by K-Bro on the form of proxy or identified on the voting instruction form (including a non-registered Shareholder who wishes to appoint themself) to represent them at the Meeting must carefully follow the instructions in the Information Circular and on their form of proxy or voting instruction form. These instructions include the additional step of registering such proxyholder with our transfer agent, TSX Trust, by going to TSX Trust's website at ***https://www.tsxtrust.com/control-number-request*** to complete and submit the electronic form, after submitting their form of proxy or voting instruction form. Failure to register the proxyholder with TSX Trust will result in the proxyholder not receiving a control number, which is used as their online sign-in credential and is required for them to vote at the Meeting, and only being able to attend as a guest. Non-registered Shareholders located in the United States must also provide TSX Trust with a duly completed legal proxy if they wish to vote at the Meeting or appoint a third party as their proxyholder.

PLEASE REVIEW THE INFORMATION CIRCULAR PRIOR TO VOTING.
