

# Cytokinetics to Hold Annual Meeting of Stockholders

2026-05-20

SOUTH SAN FRANCISCO, Calif., May 20, 2026 (GLOBE NEWSWIRE) -- Cytokinetics, Incorporated (Nasdaq: CYTK) today announced that its Annual Meeting of Stockholders will be held on Wednesday, May 27, 2026 at 10:00 AM Pacific Time at the Company's headquarters, 350 Oyster Point Blvd., South San Francisco, CA. Immediately after the conclusion of the Annual Meeting of Stockholders, Robert I. Blum, President and Chief Executive Officer, is scheduled to present an overview of Cytokinetics' performance.

Stockholders of record at the close of business on March 31, 2026, are entitled to vote at Cytokinetics' Annual Meeting of Stockholders or to attend in person and submit questions to management. Stockholders wishing to vote must attend the meeting in person or submit a valid proxy card by mail, telephone or internet by 11:59 PM Eastern Time on May 26, 2026, in accordance with instructions contained in our Proxy Statement for the 2026 Annual Meeting of Stockholders.

Interested parties may access the live webcast of the Annual Meeting of Stockholders and the subsequent presentation at the following link: [Cytokinetics Annual Meeting of Stockholders](#). An archived replay of the webcast will be available via Cytokinetics' website for twelve months.

## About Cytokinetics

Cytokinetics is a specialty cardiovascular biopharmaceutical company, building on its over 25 years of pioneering scientific innovations in muscle biology, and advancing a pipeline of potential new medicines for patients suffering from diseases of cardiac muscle dysfunction. Cytokinetics' MYQORZO® (*aficamten*) is a cardiac myosin inhibitor approved in the U.S., Europe and China for the treatment of adults with symptomatic obstructive hypertrophic cardiomyopathy (oHCM). Following positive topline results in ACACIA-HCM, a Phase 3 clinical trial of *aficamten* in patients with non-obstructive HCM (nHCM), the company is preparing to present the full results at an upcoming medical meeting and discuss them with the U.S. FDA and other regulatory authorities. Cytokinetics is also developing *omecattiv mecarbil*, an investigational cardiac myosin activator for the potential treatment of patients with heart failure with severely reduced ejection fraction and *ulacamten*, an investigational cardiac myosin inhibitor for the potential treatment of heart failure with preserved ejection fraction, while continuing pre-clinical research and development in muscle biology.

## Disclaimer

*Omecamtiv mecarbil* and *ulacamten* are investigational medicines. They have not been approved nor determined to be safe or efficacious for any disease state or any indication by FDA or any other regulatory agency.

## Forward-Looking Statements

This press release contains forward-looking statements for purposes of the Private Securities Litigation Reform Act of 1995 (the "Act"). Cytokinetics disclaims any intent or obligation to update these forward-looking statements and claims the protection of the Act's Safe Harbor for forward-looking statements. Examples of such statements include, but are not limited to, statements relating to Cytokinetics' and its partners' research and development activities of Cytokinetics' product candidates. Such statements are based on management's current expectations, but actual results may differ materially due to various risks and uncertainties, including, but not limited to the risks related to Cytokinetics' business outlined in Cytokinetics' filings with the Securities and Exchange Commission. Forward-looking statements are not guarantees of future performance, and Cytokinetics' actual results of operations, financial condition and liquidity, and the development of the industry in which it operates, may differ materially from the forward-looking statements contained in this press release. Any forward-looking statements that Cytokinetics makes in this press release speak only as of the date of this press release. Cytokinetics assumes no obligation to update its forward-looking statements whether as a result of new information, future events or otherwise, after the date of this press release.
