9/7/2023

NEW YORK--(BUSINESS WIRE)-- **MultiPlan Corporation** (NYSE: MPLN) ("MultiPlan" or the "Company"), a leading provider of technology and data-enabled cost management, payment, and revenue integrity solutions to the U.S. health care industry, is honored to announce it has been named in the **2023 Fortune Best Workplaces in Health Care™ List** based on its 2022-2023 Great Place to Work® Certification™ results.

The Best Workplaces in Health Care list is based on analysis of survey responses from over 208,000 employees from **Great Place To Work Certified™** companies in the health care industry. Survey responses reflect a comprehensive picture of the workplace experience by current employees. Employees scored MultiPlan particularly high in areas of justice, caring, and leadership. "We are honored to be included on this prestigious list," said Carol Nutter, SVP and Chief People Officer at MultiPlan. "It is a constant priority for our leadership team to create an inclusive and enjoyable workplace culture for our employees, and to be named one of the best places to work in the health care industry is recognition of MultiPlan's commitment and dedication to our employees and workplace environment. Our business success couldn't happen without our amazing team!"

"Fortune congratulates the Best Workplaces in Health Care," says Fortune Editor-in-Chief Alyson Shontell. "Creating a vibrant workplace culture that draws the best talent in health care is vital for the success of the leaders in this highly competitive industry. It is also what's needed to ignite innovation and deliver best-in-class performance."

The Best Workplaces in Health Care list is highly competitive.
