# MultiPlan Wins “Achievement in Data and Analytics” Category of the 2024 Globee® Awards for American Business

6/26/2024

Company’s PlanOptix™ and BenInsights™ solutions recognized for reducing healthcare costs

NEW YORK--(BUSINESS WIRE)-- **MultiPlan Corporation** (NYSE: MPLN) (“MultiPlan” or the “Company”), a leading value-added provider of data analytics and technology-enabled end-to-end cost management, as well as payment and revenue integrity solutions to the U.S. healthcare industry, today announced it has been selected as the Gold award winner in the “Achievement in Data and Analytics” category of the 9th annual Globee® Awards for American Business.

MultiPlan’s PlanOptix™ and BenInsights™ solutions were selected for their impact on driving excess costs and overpayments out of the healthcare system. We believe this award is a testament to how our data-driven services are improving price transparency, reining in healthcare costs, increasing accessibility, and delivering effective customized healthcare cost management programs.

“MultiPlan is dedicated to bending the cost curve in healthcare and we’re honored to be recognized by the Globee® Awards for the work we’re doing to address this industry challenge,” said Travis Dalton, President and CEO of MultiPlan. “We’re guided by the belief that the best way to improve patient health outcomes is to drive optimal benefit plan design and reduce the total cost of care, and our award-winning solutions like PlanOptix™ and BenInsights™ are a testament to that.”

The Globee® Awards for American Business is a prestigious award program recognizing outstanding achievements

and commitments to excellence and innovation across various categories in American business. Known for celebrating outstanding achievements across various sectors, this awards program has recognized MultiPlan for its significant contributions and dedication to pushing the boundaries of what is possible. MultiPlan was selected from a highly competitive pool of entries, highlighting its dedication to excellence and commitment to delivering exceptional value to the healthcare industry.
