Claritev Appoints Jason Kap to its Board of Directors

2025-05-01

Board gains deep technology and innovation expertise to support Claritev's tech-driven growth strategy

MCLEAN, Va.--(BUSINESS WIRE)-- Claritev Corporation ("Claritev" or the "Company") (NYSE: CTEV), a technology, data and insights company focused on making healthcare more affordable, transparent and fair for all, yesterday announced the appointment of Jason Kap to its Board of Directors, effective immediately following his election at the Company's Annual Meeting of Shareholders on April 30, 2025. Kap brings more than two decades of leadership experience driving technology, pricing and product transformation strategies across the software and services industries, strengthening Claritev's focus on building a next-generation, tech-centric platform.

Kap currently serves as the founder and Chief Executive Officer of Blue Rocket Incorporated, a pricing and product transformation company. Previously, he was the Chief Executive Officer of Zipwire, Inc., and spent over 16 years at Microsoft Corporation in a series of leadership roles, culminating as General Manager and Senior Director of Worldwide Licensing and Pricing. Kap also served as a visiting scholar at the Massachusetts Institute of Technology (MIT) from 2013 to 2020 and currently serves on the board of directors of HitchPin, Inc. He previously served on the board for several other private companies, including Tarian Technology Corp.

"Jason's extensive background in technology, pricing and innovation strategy makes him an ideal addition to our Board as we advance our technology-driven transformation," said Travis Dalton, Chairman, CEO and President of Claritev. "His expertise in leading product innovation and business transformation at some of the world's most respected organizations will be a tremendous asset as we continue to deliver solutions that drive greater value for our customers and the healthcare system."

Kap's appointment comes as Claritev accelerates its focus on using technology, data and insights to make healthcare more affordable, transparent and fair for all. Building on its leadership in healthcare cost optimization

and revenue integrity solutions, Claritev is expanding its capabilities through strategic investments, platform enhancements and partnerships to help deliver greater value for employers, payers and patients across the healthcare ecosystem.

“Claritev’s vision to drive affordability, transparency and quality through technology and innovation is both exciting and essential to the future of healthcare,” said Kap. “I look forward to working with the Board and management team to help Claritev accelerate its growth and deliver even greater impact for its customers and the broader healthcare ecosystem.”

About Claritev

Claritev, formerly known as MultiPlan, is a healthcare technology, data and insights company focused on delivering affordability, transparency and quality to the U.S. healthcare system. Led by a team of deeply experienced associates, data scientists and innovators, Claritev provides cutting-edge solutions and services fueled by over 40 years of claims processing data. Claritev leverages world-class technology and AI to power a robust enterprise platform that delivers meaningful insights to drive affordability and price transparency and optimizes networks and benefits design in healthcare. By developing purpose-built solutions that support all key stakeholders — including payors, employers, patients, providers and third parties — Claritev is dedicated to making healthcare more accessible and affordable for all.

Claritev serves more than 700 healthcare payors, over 100,000 employers, 60 million consumers, and 1.4 million contracted providers. For more information, visit claritev.com.
