About American Public Education

[American Public Education, Inc.](#) (Nasdaq: APEI), through its two segments, APU Global and RU Health+, provides education that transforms lives, advances careers, and improves communities.

APU Global provides online postsecondary education to approximately 89,500 adult learners, directed primarily at the needs of military, veterans, extended military families, and other public service and service-minded communities through American Public University System, which includes: American Military University and American Public University.

RU Health+ provides nursing- and health sciences-focused postsecondary education to approximately 19,400 students at 26 campuses in eight states and online through Rasmussen University and Hondros College of Nursing.

Both American Public University System and Rasmussen University are institutionally accredited by the [Higher Learning Commission](#) (HLC), an institutional accreditation agency recognized by the U.S. Department of Education. Hondros College of Nursing is accredited by the [Accrediting Bureau of Health Education Schools](#) (ABHES).
