Forward-Looking Statements

This press release contains forward-looking statements, including statements relating to the execution of our proposed strategy, our operating performance and prospects for the business. These forward-looking statements generally can be identified by the use of words such as "intend," "believe," "could," "continue," "expect," "estimate," "forecast," "may," "potential," "project," "plan," "would," "will," and other words of similar meaning. Each forward-looking statement contained in this press release is subject to risks and uncertainties that could cause actual results to differ materially from those expressed or implied by such a statement. Our business is subject to substantial risks and uncertainties. This forward-looking information and other forward-looking information are based on our opinions, estimates and assumptions in light of our experience and perception of historical trends, current conditions and expected future developments, as well as other factors that we currently believe are appropriate and reasonable in the circumstances. Despite a careful process to prepare and review the forward-looking information, there can be no assurance that the underlying opinions, estimates and assumptions will prove to be correct. Certain assumptions in respect of the expansion and enhancement of our optical laboratory for glasses and warehouse facilities; the growth of our business and launch of new technologies; our ability to drive sales growth; our ability to maintain, enhance, and grow within our addressable market; our ability to drive ongoing development and innovation of our exclusive brands and product categories; our ability to continue directly sourcing from third party suppliers and manufacturers; our ability to retain key personnel; our ability to add, maintain and expand production, distribution and fulfillment capabilities; our ability to continue investing in infrastructure to support our growth; our ability to obtain and maintain existing financing on acceptable terms; currency exchange and interest rates; the impact of competition; the changes and trends in our industry or the global economy; and the changes in laws, rules, regulations, and global standards are material factors made in preparing forward-looking information and management's expectations. KITS' risks and uncertainties are discussed in detail in the company's Annual Information Form, filed on SEDAR on March 6, 2024. Investors, potential investors, and others should give careful consideration to these risks and uncertainties. We caution investors not to rely on the forward-looking statements contained in this press release when making an investment decision in our securities. The forward-looking statements in this press release speak only as of the date of this release, and we undertake no obligation to update or revise any of these statements, except as required under applicable securities laws. If we do update certain forward-looking information, no inference should be made that we will further update such or other forward-looking information.
