Chartwell is a real estate investment trust focused on generating sustainable, stable and growing cash distributions from owning and managing a complete range of seniors housing communities. It is one of the largest participants in the North American seniors housing business. Chartwell's aim is to capitalize on the strong demographic trends present in its markets to maximize the value of its existing portfolio of seniors housing facilities, and prudently avail itself of opportunities to grow internally and through accretive acquisitions.

Chartwell's Distribution Reinvestment Plan (DRIP) allows Unitholders to have their monthly cash distributions used to purchase units without incurring commission or brokerage fees, and receive bonus units equal to 3% of their monthly cash distributions.
