2010-11-15

MISSISSAUGA, ONTARIO -- (MARKET WIRE) -- 11/15/10 -- Chartwell Seniors Housing Real Estate Investment Trust (TSX: CSH.UN) ("Chartwell REIT") announced today a cash distribution of $0.0450 per Trust Unit for the month of November, 2010. The cash distribution will be payable on December 15, 2010 to Unitholders of record on November 30, 2010.

Unitholders can participate in Chartwell's Unitholder Distribution Reinvestment Plan (DRIP). Eligible investors registered in the DRIP will have their monthly cash distributions used to purchase Trust Units, and will also receive bonus Units equal to 3% of their monthly cash distributions. The Plan offers Unitholders the opportunity to steadily increase their ownership in Chartwell REIT without incurring any commissions or brokerage fees. Complete details of the DRIP are available on Chartwell REIT's website at **www.chartwellreit.ca** or from a Unitholder's investment advisor.

Chartwell is a real estate investment trust which indirectly owns and operates a complete range of seniors housing communities from independent supportive living ("ISL") through assisted living ("AL") to long-term care ("LTC"). It is one of the largest participants in the seniors housing business in North America. Chartwell's aim is to capitalize on the strong demographic trends present in its markets to maximize the value of its existing portfolio of seniors housing communities, and prudently avail itself of opportunities to grow internally and through accretive acquisitions.

Chartwell's Distribution Reinvestment Plan (DRIP) allows Unitholders to have their monthly cash distributions used to purchase units without incurring commission or brokerage fees, and receive bonus units equal to 3% of their monthly cash distributions. Non-CGAAP Measures

Funds from Operation ("FFO"), Adjusted Funds from Operations ("AFFO") and Net Operating Income ("NOI") are not measures recognized under Canadian generally accepted accounting principles ("CGAPP") and do not have a standardized meaning prescribed by CGAAP. They are presented because management believes these non-CGAAP measures are relevant measures of Chartwell's performance. FFO, AFFO and NOI as computed by Chartwell may differ from similar computations as reported by other issuers and, accordingly, may not be comparable to those reported by such issuers. Chartwell's Q3 2010 MD&A contains a reconciliation of Net Income/Loss to FFO and the calculation of AFFO for the three and nine-months period ended September 30, 2010 and 2009. Detailed

descriptions of these terms are contained in Chartwell's 2009 MD&A, available at **www.sedar.com**.
