LandBridge Schedules First Quarter 2025 Earnings Release and Conference Call

2025-04-09

HOUSTON--(BUSINESS WIRE)-- LandBridge Company LLC (NYSE: LB) ("LandBridge") today announced that it will release its financial results for the first quarter of 2025 after market close on Wednesday, May 7, 2025. LandBridge will host a webcast and conference call to discuss its results on Thursday, May 8, 2025, at 8:00 a.m. Central Time / 9:00 a.m. Eastern Time.

Webcast Instructions:

To listen to the live webcast, please visit the Events and Presentations section of the LandBridge Investor Relations website using this link, <https://ir.landbridgeco.com/events-and-presentations/default.aspx>. Please go to the site at least 10-15 minutes prior to the scheduled start time to register and install any necessary audio software. The webcast will be archived on the site for those unable to listen in real-time.

Conference Call Instructions:

To access the live conference call, participants must pre-register online at <https://registrations.events/direct/Q4I3477969805794224242690> to receive unique dial-in information. Pre-registration may be completed at any time up to the call start time.

An audio replay will be available following the conclusion of the call and remain available through May 22, 2025. The replay can be accessed by registering online at <https://registrations.events/direct/Q4I3477969805794224242690>.

About LandBridge

LandBridge owns more than 276,000 surface acres across Texas and New Mexico located primarily in the heart of the Delaware sub-region in the Permian Basin, the most active region for oil and natural gas exploration and development in the United States. LandBridge actively manages its land and resources to support and encourage

energy and infrastructure development and other land uses, including digital infrastructure. LandBridge was formed by Five Point Energy, a private equity firm with a track record of investing in and developing energy, environmental water management and sustainable infrastructure companies within the Permian Basin.
