## SAF Welcomes GrabAGun As Newest Gold-Level Corporate Partner

2025-08-19

BELLEVUE, Wash. — Aug. 19, 2025 — The Second Amendment Foundation (SAF) is pleased to announce **GrabAGun** – a fast-growing, digitally native eCommerce retailer of firearms, ammunition, related accessories and other outdoor enthusiast products – has joined the organization as a corporate partner at the Gold level.

“We look forward to working with Adam and the dedicated team at the Second Amendment Foundation to continue to advance the cause of freedom,” said Marc Nemati, CEO of GrabAGun. “SAF’s dedication to safeguarding the fundamental principles of personal liberty and armed self-defense directly benefits our customers and the broader firearms community. Their strategic legal approach and educational initiatives create lasting change that strengthens Second Amendment protections nationwide. This partnership reflects our commitment to organizations that deliver measurable results in defending the rights we all value.”

In addition to supporting SAF as a corporate partner, GrabAGun is also sponsoring the Saturday night reception at the 40th annual **Gun Rights Policy Conference**, along with donating product for a future SAF monthly sweepstakes.

“The team at GrabAGun understands the importance of upholding the freedoms we hold dear as their customers, and the community they are building, depend on the ability to freely exercise their Second Amendment rights across America,” said SAF Executive Director Adam Kraut. “We are pleased to welcome GrabAGun as a staunch corporate partner and look forward to working with them to help ensure our constitutional rights are defended, secured and restored.”

Building on its proprietary software expertise, **GrabAGun’s** eCommerce site has become one of the leading firearm retail websites. In addition to its eCommerce excellence, GrabAGun has developed industry-leading solutions that

revolutionize supply chain management, combining dynamic inventory and order management with AI-powered pricing and demand forecasting. These advancements enable seamless logistics, efficient regulatory compliance and a streamlined experience for customers.
